§ 1007.3 Requests for records.

(a) Submission of requests. A request to inspect or copy records shall be submitted to the Presidio Trust’s FOIA Officer at P.O. Box 29052, San Francisco, CA 94129–0052.

(b) Form of requests. (1) Requests under this part shall be in writing and must specifically invoke FOIA.

(2) A request must reasonably describe the records requested. A request reasonably describes the records requested if it will enable an employee of the Presidio Trust familiar with the subject area of the request to locate the record with a reasonable amount of effort. If such information is available, the request should identify the subject matter of the record, the date when it was made, the place where it was made, the person or office that made it, the present custodian of the record, and any other information that will assist in locating the requested record. If the request involves a matter known by the requester to be in litigation, the request should also state the case name and court hearing the case.

(3)(i) A request shall:

(A) Specify the fee category (commercial use, educational institution, noncommercial scientific institution, news media, or other, as defined in §1007.9 of this chapter) in which the requester claims the request falls and the basis of this claim; and

(B) State the maximum amount of fees that the requester is willing to pay or include a request for a fee waiver.

(ii) Requesters are advised that, under §1007.9 (f), (g) and (h), the time for responding to requests may be delayed:

(A) If a requester has not sufficiently identified the fee category applicable to the request;

(B) If a requester has not stated a willingness to pay fees as high as anticipated by the Presidio Trust; or

(C) If a fee waiver request is denied and the requester has not included an alternative statement of willingness to pay fees as high as anticipated by the Presidio Trust.

(4) A request seeking a fee waiver shall, to the extent possible, address why the requester believes that the criteria for fee waivers set out in §1007.10 are met.

(5) To expedite processing, both the envelope containing a request and the face of the request should bear the legend “FREEDOM OF INFORMATION REQUEST.”

(c) Creation of records. A request may seek only records that are in existence at the time the request is received. A request may not seek records that come into existence after the date on which it is received and may not require that new records be created in response to the request by, for example, combining or compiling selected items from manual files, preparing a new computer program, or calculating proportions, percentages, frequency distributions, trends or comparisons. In those instances where the Presidio Trust determines that creating a new record will be less burdensome than disclosing large volumes of unassembled material, the Presidio Trust may, in its discretion, agree to creation of a new record as an alternative to disclosing existing records.

§ 1007.4 Preliminary processing of requests.

(a) Scope of requests. Unless a request clearly specifies otherwise, requests to the Presidio Trust may be presumed to seek only records of the Presidio Trust.

(b) Records of other departments and agencies. (1) If a requested record in the possession of the Presidio Trust originated with another Federal department or agency, the request shall be referred to that agency unless:

(i) The record is of primary interest to the Presidio Trust, for example, because it was developed or prepared pursuant to the Presidio Trust’s regulations or request,

(ii) The Presidio Trust is in a better position than the originating agency to assess whether the record is exempt from disclosure, or

(iii) The originating agency is not subject to FOIA.
A request for documents that were classified by another agency shall be referred to that agency.

(c) Consultation with submitters of commercial and financial information. (1) If a request seeks a record containing trade secrets or commercial or financial information submitted by a person outside of the Federal government, the Presidio Trust shall provide the submitter with notice of the request whenever:
   (i) The submitter has made a good faith designation of the information as commercially or financially sensitive, or
   (ii) The Presidio Trust has reason to believe that disclosure of the information may result in commercial or financial injury to the submitter.

(2) Where notification of a voluminous number of submitters is required, such notification may be accomplished by posting or publishing the notice in a place reasonably calculated to accomplish notification.

(3) The notice to the submitter shall afford the submitter a reasonable period within which to provide a detailed statement of any objection to disclosure. The submitter’s statement shall explain the basis on which the information is claimed to be exempt under FOIA, including a specification of any claim of competitive or other business harm that would result from disclosure. The statement shall also include a certification that the information is confidential, has not been disclosed to the public by the submitter, and is not routinely available to the public from other sources.

(4) If a submitter’s statement cannot be obtained within the time limit for processing the request under §1007.6, the requester shall be notified of the delay as provided in §1007.6(f).

(5) Notification to a submitter is not required if:
   (i) The submitter determines, prior to giving notice, that the request for the record should be denied;
   (ii) The information has previously been lawfully published or officially made available to the public;
   (iii) Disclosure is required by a statute (other than FOIA) or regulation (other than this part);
   (iv) Disclosure is clearly prohibited by a statute, as described in §1007.2(c)(3);
   (v) The information was not designated by the submitter as confidential when it was submitted, or a reasonable time thereafter, if the submitter was specifically afforded an opportunity to make such a designation; however, a submitter will be notified of a request for information that was not designated as confidential at the time of submission, or a reasonable time thereafter, if there is substantial reason to believe that disclosure of the information would result in competitive harm;
   (vi) The designation of confidentiality made by the submitter is obviously frivolous; or
   (vii) The information was submitted to the Presidio Trust more than 10 years prior to the date of the request, unless the Presidio Trust has reason to believe that it continues to be confidential.

(6) If a requester brings suit to compel disclosure of information, the submitter of the information will be promptly notified.

§ 1007.5 Action on initial requests.

(a) Authority. (1) Requests shall be decided by the FOIA Officer.

(2) A decision to withhold a requested record, to release a record that is exempt from disclosure, or to deny a fee waiver shall be made only after consultation with the General Counsel.

(b) Form of grant. (1) When a requested record has been determined to be available, the FOIA Officer shall notify the requester as to when and where the record is available for inspection or, as the case may be, when and how copies will be provided. If fees are due, the FOIA Officer shall state the amount of fees due and the procedures for payment, as described in §1007.9.

(2) The FOIA Officer shall honor a requester’s specified preference of form or format of disclosure (e.g., paper, microform, audiovisual materials, or electronic records) if the record is readily available to the Presidio Trust in the requested form or format or if the record is reproducible by the Presidio Trust with reasonable efforts in the requested form or format.
