

§ 1206.80

36 CFR Ch. XII (7-1-10 Edition)

§ 1206.80 What reports am I required to make?

(a) Grant recipients are generally required to submit annual financial status reports and semi-annual narrative progress reports, as well as final financial and narrative reports at the conclusion of the grant period. The grant award document will specify the dates on which your reports are due. In order to fulfill its oversight and monitoring responsibilities, the NHPRC or Commission may require additional reports or information at any time during the grant. OMB Control Number 3095-0013 has been assigned to this information collection.

(b) Detailed reporting requirements are found in *How to Administer an NHPRC Grant* available at <http://www.archives.gov/NHPRC> or from the NHPRC staff.

§ 1206.82 What is the format and content of the financial report?

Grant recipients must submit financial reports on Standard Form 269, if there is program income to report, or Standard Form 269A (Short Form), and have them signed by the grantee's authorized representative or by an appropriate institutional fiscal officer. If cost-sharing figures are less than 80 percent of the amount anticipated in the project budget, you must explain the reason for the difference.

§ 1206.84 What is the format and content of the narrative report?

(a) Interim narrative reports should state briefly the performance objectives and activities for the entire grant and then focus on those accomplished during the reporting period. The report should include a summary of project activities; whether the project proceeded on schedule; any revisions of the work plan, staffing pattern, or budget; any Web address created by the project; and any other press releases articles or presentations relating to the grant project or its products. It should include an analysis of the objectives met during the reporting period and any objectives for the period that were not accomplished. For documentary editing projects, it also must include information about the publication of volumes and the completion of

finding aids, as well as any work that is pending with publishers.

(b) The final report must provide a detailed assessment of the entire project, following the format in paragraph (a) of this section, including whether the performance objectives and goals set in the original proposal were realistic; whether there were unpredicted results or outcomes; whether the project encountered unexpected problems and how you faced them; and how you could have improved the project. You must discuss the project's impact, if any, on the grant-receiving institution and others. You must indicate whether all or part of the project activities will be continued after the end of the grant, whether any of these activities will be supported by institutional funds or by grant funds, and if the NHPRC grant was instrumental in obtaining these funds.

(c) The project director must sign final narrative reports.

§ 1206.86 What additional materials must I submit with the final narrative report?

You must submit the materials determined by the Commission as found in the NHPRC grant announcements or specified in the grant award.

§ 1206.88 Does the NHPRC have any liability under a grant?

No, the National Archives and Records Administration (NARA) and the Commission cannot assume any liability for accidents, illnesses, or claims arising out of any work undertaken with the assistance of the grant.

§ 1206.90 Must I acknowledge NHPRC grant support?

Yes, grantee institutions, grant project directors, or grant staff personnel may publish results of any work supported by an NHPRC grant without review by the Commission; however, publications or other products resulting from the project must acknowledge the assistance of the NHPRC grant and all copies paid for by grant funds must be distributed at a reasonable cost.
