§ 1210.20 Purpose of financial and program management.

Sections 1210.21 through 1210.28 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 1210.21 Standards for financial management systems.

(a) The NHPRC shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients’ financial management systems shall provide for the following.

(1) Accurate, current and complete disclosure of the financial results of each NHPRC-sponsored project or program in accordance with the reporting requirements set forth in §1210.52.

(2) Records that identify adequately the source and application of funds for NHPRC-sponsored activities. These records shall contain information pertaining to NHPRC awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101–453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR Part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the NHPRC, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate.
