APPENDIX A TO PART 800—CRITERIA FOR COUNCIL INVOLVEMENT IN REVIEWING INDIVIDUAL SECTION 106 CASES

(a) *Introduction.* This appendix sets forth the criteria that will be used by the Council to determine whether to enter an individual section 106 review that it normally would not be involved in.

(b) *General policy.* The Council may choose to exercise its authorities under the section 106 regulations to participate in an individual project pursuant to the following criteria. However, the Council will not always elect to participate even though one or more of the criteria may be met.

(c) *Specific criteria.* The Council is likely to enter the section 106 process at the steps specified in the regulations in this part when an undertaking:

(1) *Has substantial impacts on important historic properties.* This may include adverse effects on properties that possess a national level of significance or on properties that are of unusual or noteworthy importance or are a rare property type; or adverse effects to large numbers of historic properties, such as impacts to multiple properties within a historic district.

(2) *Presents important questions of policy or interpretation.* This may include questions about how the Council's regulations are being applied or interpreted, including possible foreclosure or anticipatory demolition situations; situations where the outcome will set a precedent affecting Council policies or program goals; or the development of programmatic agreements that alter the way the section 106 process is applied to a group or type of undertakings.

(3) *Has the potential for presenting procedural problems.* This may include cases with substantial public controversy that is related to historic preservation issues; with disputes among or about consulting parties which the Council's involvement could help resolve; that are involved or likely to be involved in litigation on the basis of section 106; or carried out by a Federal agency, in a State or locality, or on tribal lands where the Council has previously identified problems with section 106 compliance pursuant to § 800.9(d)(2).

(4) *Presents issues of concern to Indian tribes or Native Hawaiian organizations.* This may include cases where there have been concerns raised about the identification of, evaluation of or assessment of effects on historic properties to which an Indian tribe or Native Hawaiian organization attaches religious and cultural significance; where an Indian tribe or Native Hawaiian organization has re-

quested Council involvement to assist in the resolution of adverse effects; or where there are questions relating to policy, interpretation or precedent under section 106 or its relation to other authorities, such as the Native American Graves Protection and Repatriation Act.

§ 801.1 Purpose and authorities.

(a) These regulations are required by section 110(c) of the Housing and Community Development Act of 1980 (HCDA) (42 U.S.C. 5320) and apply only to projects proposed to be funded by the Department of Housing and Urban Development (HUD) under the Urban Development Action Grant (UDAG) Program authorized by title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301). These regulations establish an expedited process for obtaining the comments of the Council specifically for the UDAG program and, except as specifically provided, substitute for the Council's regulations for the "Protection of Historic and Cultural Properties" (36 CFR part 800).

(b) Section 110(c) of the HCDA of 1980 requires UDAG applicants to: (1) Identify all properties, if any, which are included in the National Register of Historic Places and which will be affected by the project for which the application is made; (2) identify all other properties, if any, which will be affected by such project and which, as determined by the applicant, may meet the Criteria established by the Secretary of the Interior for inclusion in the National Register (36 CFR 60.6); and (3) provide a description of the effect, as determined by the applicant, of the project on properties identified pursuant to (1) and (2). If the applicant determines that such properties are affected, the Act requires that the information developed by the applicant must be forwarded to the appropriate State Historic Preservation Officer (SHPO) for review and to the Secretary of the Interior for a determination as to whether the affected properties are eligible for inclusion in the National Register.

(c) Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), requires the head of any Federal agency with jurisdiction over a Federal, federally assisted or federally licensed undertaking that affects a property included in or eligible for inclusion in the National Register of Historic Places to take into account the effect of the undertaking on such property and afford the Council a reasonable opportunity to comment. Under the UDAG program, applicants assume the status of a Federal agency for purposes of complying with section 106.

§ 801.2 Definitions.

The terms defined in 36 CFR 800.2 shall be used in conjunction with this regulation. Furthermore, as used in these regulations:

(a) *Urban Development Action Grant (UDAG) Program* means the program of the Department of Housing and Urban Development (HUD) authorized by title I of the Housing and Community Development Act (HCDA) of 1977 (42 U.S.C. 5318) to assist revitalization efforts in distressed cities and urban counties which require increased public and private investment.

(b) *Applicant* means cities and urban counties or Pocket of Poverty Communities which meet the criteria at 24 CFR 570.453. Except as specifically provided below, applicants, rather than the Secretary of HUD, must comply with these regulations.

(c) *Project* means a commercial, industrial, and/or neighborhood project supported by the UDAG program of the Department of HUD, as defined in 24 CFR 570.451(g). A project includes the group of integrally related public and private activities described in the grant application which are to be carried out to meet the objectives of the action grant program and consists of all action grant funded activities together with all non-action grant funded activities. A project is an *undertaking* as defined in 36 CFR 800.2(c).

(d) *State Historic Preservation Officer Review Period* is a 45 day period provided to the appropriate State Historic Preservation Officer by section 110(c) of the Housing and Community Development Act (HCDA) of 1980 for comment on the formal submission by the applicant of data on properties listed in the National Register or which may meet the Criteria and which will be affected by the proposed UDAG project. This period does not include any period during which the applicant seeks information from the State Historic Preservation Officer to assist the applicant in identifying properties, determining whether a property meets the Criteria for listing in the National Register of Historic Places and determining whether such property is affected by the project.

(e) *Secretary of the Interior Determination Period* is a 45 day period provided by section 110(c) of the HCDA of 1980 for a determination as to whether the identified properties are eligible for inclusion in the National Register.

§ 801.3 Applicant responsibilities.

As early as possible before the applicant makes a final decision concerning a project and in any event prior to taking any action that would foreclose alternatives or the Council's ability to comment, the applicant should take the following steps to comply with the
