plazas, or to reinforce vistas along major streets and thoroughfares.

§ 910.14 Historic preservation.
(a) The Development Area is located almost entirely within the Pennsylvania Avenue National Historic Site, which was established to preserve the exceptional values of Pennsylvania Avenue and its environs in commemorating or illustrating the history of the United States. The Pennsylvania Avenue Area achieves national historic significance because of both its ceremonial role in the life of the nation and its social and economic role in the life of the residents of Washington for more than a century.

(b) The Historic Preservation Plan of the Corporation sets forth the adopted policy of the Corporation on historic preservation and development within the Development Area must be consistent with this policy.
(c) New construction adjacent to historic structures will be required to take into account the qualities of the adjacent structures (with regard to height, scale, proportion, rhythm, texture, materials, architectural detail, and the amount of variety among the structures with respect to these qualities as well as style and date of erection) to ensure that these structures maintain their historic or architectural integrity, but will not necessarily be required to conform to them.
(d) Wholly new construction and new construction in conjunction with preservation will, where appropriate, take into account the historic buildings to remain, aiming for the highest quality of contemporary design, consistent with the goals and objectives of the Historic Preservation Plan.

§ 910.15 New development design.
(a) All new development shall represent the best contemporary architectural and urban planning concepts.
(b) Where new development includes or relates to historic or architecturally meritorious buildings which are to be preserved, the design of the new development should be aimed at retaining as much of the significant fabric of the Development Area as is possible consistent with the goals of the Plan.

§ 910.16 Land use.
(a) Development within the Development Area shall provide, and stimulate in neighboring areas, more lively and varied shopping, cultural, entertainment, and residential opportunities, as well as high quality office uses.
(b) That portion of the Development Area west of the FBI Building is designated for commercial development, primarily office and hotel uses with attendant retail and service uses. That portion of the Development Area east of the FBI Building is designated for development with residential uses, office, institutional and entertainment uses supported by service and retail uses.
(c) The kinds of uses and their location within the Development Area shall be directly related to creating a lively atmosphere and to promoting an active street life throughout the day, evening, and weekend.
(d) Introduction or expansion of retail uses shall be encouraged as both reinforcement of existing retail uses and creation of new retail activities.
(e) While recognized as important to the commercial life of any inner city, uses that do not generate lively activities are discouraged from locating along those street fronts within the Development Area which are considered major pedestrian thoroughfares.

§ 910.17 Pedestrian circulation system.
(a) An efficient, pleasant, and stimulating pedestrian circulation system shall be developed to link the components of the Development Area with the Mall and the city’s downtown.
(b) Pedestrian circulation systems shall be designed to provide pedestrian comfort and convenience, to create more linear footage of storefront, to encourage recognition of the location of various METRO stops or other mass transit locations, and to link various historic and architecturally significant buildings, sites, and monuments which are scattered throughout and beyond the Historic Site.
(c) Curb cuts across the north sidewalk areas of Pennsylvania Avenue shall be prohibited in order to reinforce its importance as the major pedestrian thoroughfare of the Development Area.
