mark in the basic application or registration, as appropriate;

(6) An indication of the type of mark if the mark in the basic application and/or registration is a three-dimensional mark, a sound mark, a collective mark or a certification mark;

(7) A list of the goods and/or services that is identical to or narrower than the list of goods and/or services in each claimed basic application or registration and classified according to the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*;

(8) A list of the designated Contracting Parties. If the goods and/or services in the international application are not the same for each designated Contracting Party, the application must list the goods and/or services in the international application that pertain to each designated Contracting Party;

(9) The certification fee required by § 7.6;

(10) If the application is filed through TEAS, the international application fees for all classes, and the fees for all designated Contracting Parties identified in the international application (see § 7.7);

(11) A statement that the applicant is entitled to file an international application in the Office, specifying that applicant: is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. Where an applicant's address is not in the United States, the applicant must provide the address of its U.S. domicile or establishment; and

(12) If the international application is filed through TEAS, an e-mail address for receipt of correspondence from the Office.

(b) For requirements for certification, see § 7.13.

cation must include a statement that color is claimed as a feature of the mark and set forth the same name(s) of the color(s) claimed in the basic application and/or registration.

(b) If color is not claimed as a feature of the mark in the basic application and/or registration, color may not be claimed as a feature of the mark in the international application.

§ 7.13 Certification of international application.

(a) When an international application contains all the elements set forth in § 7.11(a), the Office will certify to the International Bureau that the information contained in the international application corresponds to the information contained in the basic application(s) and/or basic registration(s) at the time of certification, and will then forward the international application to the International Bureau.

(b) When an international application does not meet the requirements of § 7.11(a), the Office will not certify or forward the international application. If the international applicant paid the international application fees (see § 7.7) through the Office, the Office will refund the international fees. The Office will not refund the certification fee.

§ 7.14 Correcting irregularities in international application.

(a) *Response period.* Upon receipt of a notice of irregularities in an international application from the International Bureau, the applicant must respond to the International Bureau within the period set forth in the notice.

(b) *Classification and Identification of Goods and Services.* Responses to International Bureau notices of irregularities in the classification or identification of goods or services in an international application must be submitted through the Office for forwarding to the International Bureau. The Office will review an applicant's response to a notice of irregularities in the identification of goods or services to ensure that the response does not identify goods or services that are broader than the scope of the goods or services in the basic application or registration.
