§ 18.445 Housing.

(a) Housing provided by a recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to qualified handicapped students at the same cost as to others. At the end of the transition period provided for in §18.422(e), this housing shall be available in sufficient quantity and variety so that the scope of handicapped students’ choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) Other housing. A recipient that assists any agency, organization, or person in making housing available to any of its students shall assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 18.446 Financial and employment assistance to students.

(a) Provision of financial assistance. (1) In providing financial assistance to qualified handicapped persons, a recipient may not:

(ii) Assist any entity or person that provides assistance to any of the recipient’s students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may offer to handicapped students physical education courses and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §18.443(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that these employment opportunities, as a whole, are made available in a manner that would not violate §§18.411 through 18.414 if the opportunities were provided by the recipient.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §18.443(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Counseling and placement services. A recipient that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap.
