

§ 39.22

38 CFR Ch. I (7–1–10 Edition)

NSF in total, providing heated and air conditioned space, as needed, for the following functions:

- (1) Foreman's office;
- (2) Lunch room;
- (3) Kitchen unit;
- (4) Toilet and locker room facilities;
- (5) Housekeeping aide's closet; and
- (6) Vehicle and equipment maintenance and storage.

(c) *Vehicle and equipment storage.* Approximately 275 NSF/Bay as needed. Not all types of vehicles and equipment require storage in heated space. Based on climatic conditions, it may be justified to rely completely on open structures rather than heated structures to protect the following types of vehicles and equipment: Dump Trucks, Pickup Trucks, Cemetery Automobiles, Gang and Circular Mowers.

(d) *Interment/committal service shelter.* One permanent shelter is authorized for every five interments per day. The shelter may include a covered area to provide seating for approximately 20 people and an uncovered paved area to provide space for approximately 50 additional people. The shelter may also include a small, enclosed equipment/storage area. Provisions must be made for the playing of Taps by recorded means.

(e) *Public Information Center.* One permanent Public Information Center is authorized per facility. A Public Information Center is used to provide orientation to visitors and funeral corteges. It should include the gravesite locator. The public restrooms may also be combined with this structure. Space determinations for separate structures for public restrooms shall be considered on an individual basis. The Public Information Center, including public restrooms, may be combined with the administrative building.

(f) *Other interment structures.* Space determinations for other support facilities such as columbaria, preplaced graveliners (or crypts), garden niches, etc., will be considered on an individual basis in accordance with § 39.19(d).

Subpart E—Responsibilities, Inspections, and Reports Following Project Completion

§ 39.23 Responsibilities following project completion.

(a) States shall monitor use of the cemetery by various subgroups and minority groups, including women veterans. To the extent that under-utilization by any of these groups is determined to exist, a program shall be established to inform members of these groups about benefits available to them. The information regarding the benefits shall be available in a language other than English where a significant number or portion of the population eligible to be served or likely to be directly affected by the grant program needs such service or information.

(b) State veterans' cemeteries established, expanded, or improved with assistance under the grant program shall be operated and maintained as follows:

(1) Buildings, grounds, roads, walks, and other structures shall be kept in

reasonable repair to prevent undue deterioration and hazards to users.

(2) The cemetery shall be kept open for public use at reasonable hours based on the time of the year.

(c) VA, in coordination with the State, shall inspect the project at completion for compliance with the standards set forth in §§ 39.19 through 39.22 and at least once in every 3-year period following completion of the project throughout the period the facility is operated as a State veterans' cemetery. A copy of the inspection report shall be forwarded to the Director, State Cemetery Grants Service, giving the date and location the inspection was made and citing any deficiencies and corrective action taken or proposed.

(d) Failure of a State to comply with any of paragraphs (a) through (c) of this section shall be considered cause for the Department of Veterans Affairs to suspend any payments due the State on any or all projects until the situation involved is corrected.

(Authority: 38 U.S.C. 501, 2408; and issued under authority of the President by E.O. 13166, 65 FR 50121)

§ 39.24 State to retain control of operations.

Neither the Secretary nor any employee of the Department of Veterans Affairs shall exercise any supervision or control over the administration, personnel, maintenance, or operation of any State veterans' cemetery established, expanded, or improved with assistance received under this program except as prescribed in this part.

(Authority: 38 U.S.C. 501, 2408)

§ 39.25 Inspections, audits, and reports.

(a) A State will allow VA inspectors and auditors to conduct inspections as necessary to ensure compliance with the provisions of this part. The State will provide to VA evidence that it has met its responsibility under the Single Audit Act of 1984 (see part 41 of this chapter).

(b) A State will make an annual report on VA Form 40-0241 ("State Cemetery Data") signed by the authorized representative of the State. These forms document current burial activity
