§ 51.180 Pharmacy services.

The facility management must provide routine and emergency drugs and biologicals to its residents, or obtain them under an agreement described in § 51.210(h) of this part. The facility management must have a system for disseminating drug information to medical and nursing staff. A facility may charge a resident an additional amount for routine and emergency dental services; and a facility must, if necessary, assist the resident—

(1) In making appointments;

(2) By arranging for transportation to and from the dental services; and

(3) Promptly refer residents with lost or damaged dentures to a dentist.

§ 51.170 Dental services.

(a) A facility must provide or obtain from an outside resource, in accordance with § 51.210(h) of this part, routine and emergency dental services to meet the needs of each resident;

(b) The pharmacist must report any irregularities to the primary physician and the director of nursing, and these reports must be acted upon.
