Subpart C—Per Diem Payments

§ 52.40 Monthly payment.

(a)(1) During Fiscal Year 2002, VA will pay monthly one-half of the total cost of each eligible veteran’s adult day health care for each day the veteran is in a facility recognized as a State home for adult day health care, not to exceed $34.64 per diem.

(2) Per diem will be paid only for a day that the veteran is under the care of the facility at least six hours. For purposes of this paragraph a day means

(i) Six hours or more in one calendar day; or

(ii) Any two periods of at least 3 hours each (but each less than six hours) in any two calendar days in a calendar month.

(3) As a condition for receiving payment of per diem under this part, the State must submit a completed VA Form 10–5588, “State Home Report and Statement of Federal Aid Claimed.” This form is set forth in full at 38 CFR 58.11.

(4) Initial payments will not be made until the Under Secretary for Health recognizes the State home. However, payments will be made retroactively for care that was provided on and after the date of the completion of the VA survey of the facility that provided the basis for determining that the facility met the standards of this part.

(5) As a condition for receiving payment of per diem under this part, the State must submit to the VA medical center of jurisdiction for each veteran the following completed VA forms: 10–10EZ, “Application for Medical Benefits”, and 10–10SH, “State Home Program Application for Care—Medical Certification”, at the time of enrollment and with any request for a change in the level of care (nursing home, domiciliary or hospital care). These forms are set forth in full at 38 CFR 58.12 and 58.13, respectively. If the program is eligible to receive per diem payments for adult day health care for a veteran, VA will pay per diem from the day on which VA receives the completed forms within 10 days after enrollment.

(b) For determining “the one-half of the total cost” under paragraph (a)(1) of this section, total per diem costs for an eligible veteran’s adult day health care consist of those direct and indirect costs attributable to adult day health care at the facility divided by the total number of participants enrolled in the adult day health care program. Relevant cost principles are set forth in the Office of Management and Budget (OMB) Circular number A–87, dated May 4, 1995, “Cost Principles for State, Local, and Indian Tribal Governments” (OMB Circulars are available at the addresses in 5 CFR 1310.3).

(The Office of Management and Budget has approved the information collection requirements in this paragraph under control number 2900–0160)

(j) Veterans who agree to pay to the United States the applicable co-payment determined under 38 U.S.C. 1710(f) and 1710(g), if they seek VA (U.S. Department of Veterans Affairs) hospital, nursing home, or outpatient care.

Such notification must be made prior to or upon enrollment and periodically during the participant’s enrollment.

(2) Participants or their legal representatives have the right—
