United States Postal Service

§ 243.2

(d) Discontinuance of post offices; historic preservation. (1) It is the policy of the Postal Service, by virtue of Board of Governors Resolution No. 82–7, to comply with Section 106 of the general provisions of the National Historic Preservation Act, 16 U.S.C. 470, et seq., Executive Order 12072, and Executive Order 13006. Therefore, any facility project that will have an effect on cultural resources will be undertaken in accordance with that policy.

(2) Any action involving the closing or other discontinuance of a post office shall be undertaken only in accordance with 39 U.S.C. 404(b) and 39 CFR 243.1. In the event a facility action is subject to both this section, and either the NHPA or the post office discontinuance requirements, all comment periods and other public participation matters shall be governed by those statutes.

(e) Site selection. (1) When the decision is to advertise for sites and existing buildings, and after such sites have been identified, advise local officials in writing of all contending sites, and with respect to all sites not selected, provide an explanation. This notice will advise local officials, and the community, that no decision to select a site will be made for a minimum of 30 days, and that comments or discussions of all sites are solicited. Post a copy of this letter in the lobby of the affected post office for public notice.

(2) Once a specific site is then selected, notify local officials in writing of the selection decision.

(3) Take no final action to acquire or lease the selected site for 30 days following the notification in paragraph (e)(2) of this section.

(f) Planning, zoning, building codes. In carrying out customer service facilities projects, it is the policy of the Postal Service to comply with local planning and zoning requirements and building codes consistent with prudent business practices and unique postal requirements. In order to promote a partnership with local officials and assure compliance with local building codes, plans and drawings will be sent to the appropriate building department or other officials for review. Where payment of fees is normally required of private entities, the Postal Service will pay a reasonable fee for the review.

The Postal Service will give local public officials written notice of any timely, written objections or recommendations that it does not plan to adopt or implement.

(g) Continuing communication. During construction, whether renovation or new construction, the postmaster should keep local officials and the community informed via letters and news releases. The postmaster and other postal officials should plan, conduct and invite the community and local officials to any "grand opening", as appropriate.

(b) Location of offices. Postal units may not be located in, or directly connected to, a room in which intoxicating liquor is sold to be consumed on the premises.

(c) Lost articles. When articles are turned in to employees, the name and address of the finder shall be recorded so the article may be returned to him.
if not claimed by the loser. If the name of the finder cannot be obtained, and the article is not claimed within 30 days, it must be disposed of in the same manner as unidentified material found loose in the mail. Do not return postal money orders to the finder. Mail to Money Order Branch, Accounting Division, U.S. Postal Service, General Accounting Office Building, Washington, D.C. 20260, with a memorandum of explanation.

(d) Public use of restrooms. Restrooms off public corridors shall normally be kept open during regular hours of business for the benefit of the public. Where vandalism or loitering cannot be controlled, postmasters may lock restrooms, furnishing those agencies served by the restrooms, keys for employee use. This shall not be construed to permit access by nonpostal personnel to restrooms in restricted postal areas.

(e) Letter drops. At all except fourth-class post offices, provide a regulation letterbox for depositing mail in front of or next to the post office. Show collection time schedules on letterboxes. At fourth-class offices, if a letterbox is not supplied, provide a slot in the outer post office door. When messengers or star route carriers have access to lobbies, door slot deposits must lead to a locked box.

(f) Hour signs. Display hours of window service prominently at all first-, second-, and third-class post offices, classified stations and branches, and annexes. Use Sign 41, Hours decal set, available in supply centers.

(g) Service of process on postal premises. Postmasters or other installation heads shall permit service on postal premises of civil and criminal process affecting employees in personal matters, when such service of process will not interfere with postal operations. Process servers should be directed to the postmaster’s or installation head’s office, where the employee will be called in and service made. Section 265.10 of this chapter contains rules regarding compliance with subpoena duces tectum, court orders, and summonses where official business or official records are involved.

(h) Public service areas—prohibited items. Photographs of an incumbent or former President or Postmaster General are not to be displayed in post office lobbies or in common use public service areas such as elevator lobbies and corridors in facilities owned by or leased to the Postal Service. Further, such photographs are not to be requisitioned or purchased by postal installations at Postal Service expense.
