§ 501.16 PC postage payment methodology.

(a) The PC Postage customer is permitted to make payments for postage in one of two ways: Automated clearinghouse (ACH) transfer or credit card.

(b) The provider must make payments on behalf of the customer to the Postal Service in accordance with contractual and/or regulatory responsibilities.

(c) The Postal Service requires that the provider publicize to all PC Postage customers the following payment options (listed in order of preference):
   (1) Automated clearinghouse (ACH) debits/credits.
   (2) Credit cards.

(d) Returned ACH debits are the responsibility of the Postal Service. The RC must lock the customer account immediately so that the customer is unable to reset the account until the Postal Service receives payment in full.

(e) Refunds. The provider issues a refund to a customer for any unused postage in a Postage Evidencing System. After verification by the Postal Service, the provider will be reimbursed by the Postal Service for the individual refunds provided to customers by the provider.

(f) Security and revenue protection. To receive Postal Service approval to continue to operate PC Postage systems, the provider must submit to a periodic audit of its system, to be conducted by an independent systems auditor, the frequency and scope of which shall be determined by PTM. All such audits will be an expense of the provider.

(g) Inspection of records and facilities. The provider must make its facilities, which handle the operation of the PC Postage system and all records about the operation of the system, available for inspection by representatives of the Postal Service at all reasonable times.

(h) To the extent that the customer maintains funds on deposit for the payment of postage, the provider is required to incorporate the following language into its agreements with PC Postage customers:

ACKNOWLEDGMENT OF DEPOSIT REQUIREMENT—PC POSTAGE

By signing this agreement with the provider, you represent that you have read the Acknowledgment of Deposit Requirement—PC Postage and are familiar with its terms. You agree that, upon execution of this agreement with the provider, you will also be bound by all terms and conditions of the Acknowledgment of Deposit Requirement—PC Postage, as it may be amended from time to time.

[72 FR 33163, June 15, 2007]

§ 501.17 Decertified Postage Evidencing Systems.

(a) A Decertified Postage Evidencing System is a device for which the provider’s authority to distribute has been withdrawn by the Postal Service as a result of any retirement plan for a given class of meters published by the Postal Service in the Federal Register; a suspension or revocation under §501.6; or a voluntary withdrawal undertaken by the provider.

(b) A Decertified Postage Evidencing System must be withdrawn from service by the date agreed to by the Postal Service and provider.

(c) To the extent postage meters are involved, the provider must utilize the approved procedures for lost and stolen meters under §501.14(c)(7) to locate the meter and remove it from service by the agreed upon date.

(d) Decertified Postage Evidencing Systems that are not submitted to the Postal Service for refund within one hundred and eighty (180) days of the agreed upon withdrawal from service date will not be eligible for refund of unused postage.

(e) Postage indicia printed by Decertified Postage Evidencing Systems may no longer be considered valid postage one hundred and eighty (180) days from the agreed upon withdrawal from service date.

§ 501.18 Customer information and authorization.

(a) Authorized providers must electronically transmit the necessary customer information to the designated Postal Service central data processing facility, in Postal Service-specified format, in order for the Postal Service to authorize a customer to use a Postage
