United States Postal Service

Stamp Advisory Committee to be inconsistent with the spirit, intent, or history of the Semipostal Authorization Act.

(e) Artwork and stamp designs should not be submitted with proposals.

§ 551.5 Frequency and other limitations.

(a) The Postal Service is authorized to issue semipostal stamps for a 10-year period beginning on the date on which semipostal stamps are first sold to the public under 39 U.S.C. 416. The 10-year period will commence after the sales period of the Breast Cancer Research stamp is concluded in accordance with the Stamp Out Breast Cancer Act, and as amended by the Semipostal Authorization Act, the Breast Cancer Research Stamp Act of 2001, and Public Law 107–67, section 650, 115 Stat. 514. The Office of Stamp Services will determine the date of commencement of the 10-year period.

(b) The Postal Service will offer only one semipostal stamp for sale at any given time during the 10-year period.

(c) The sales period for any given semipostal stamp is limited to no more than 2 years, as determined by the office of Stamp Services.

(d) Prior to or after the issuance of a given semipostal stamp, the Postal Service reserves the right to withdraw the semipostal stamp from sale, or to reduce the sales period, if, inter alia:

1. Its sales or revenue statistics are lower than expected,
2. The sales or revenue projections are lower than previously expected, or
3. The cause or recipient executive agency does not further, or comply with, the statutory purposes or requirements of the Semipostal Authorization Act. The decision to withdraw a semipostal stamp is to be made by the postmaster general, after review of supporting documentation prepared by the office of Stamp Services.

§ 551.6 Pricing.

(a) The Semipostal Authorization Act, as amended by Public Law 107–67, section 652, 115 Stat. 514 (2001), prescribes that the price of a semipostal stamp is the rate of postage that would otherwise regularly apply, plus a differential of not less than 15 percent.

(b) The prices of semipostal stamps are determined by the Governors of the United States Postal Service in accordance with the requirements of 39 U.S.C. 416.

§ 551.7 Calculation of funds for recipient executive agencies.

(a) The Postal Service is to determine its reasonable costs in executing its responsibilities pursuant to the Semipostal Authorization Act, as specified in § 551.8. These costs are offset against the revenue received through sale of each semipostal stamp in excess of the First-Class Mail single-piece first-ounce rate in effect at the time of purchase.

(b) Any reasonable costs offset by the Postal Service shall be retained by it, along with revenue from the sale of the semipostal stamps, as recorded by sales units through the use of a specially designated account.

(c) The Postal Service is to pay designated recipient executive agency(ies) the remainder of the differential revenue less an amount to recover the reasonable costs of the Postal Service, as determined under § 551.8.

(d) The amounts for recipient executive agencies are transferred in a manner and frequency determined by mutual agreement, consistent with the requirements of 39 U.S.C. 416.

§ 551.8 Cost offset policy.

(a) Postal Service policy is to recover from the differential revenue for each semipostal stamp those costs that are determined to be attributable to the semipostal stamp and that would not normally be incurred for stamps having similar sales; physical characteristics; and marketing, promotional, and public relations activities (hereinafter "comparable stamps").
