into account the size and complexity of the claim, the adequacy of the supplier's supporting data, and any other relevant factors.

(7) *Wording of decisions.* The contracting officer's final decision must contain the following paragraph: "This is the final decision of the contracting officer pursuant to the Contract Disputes Act of 1978 and the clause of your contract entitled Claims and Disputes. You may appeal this decision to the Postal Service Board of Contract Appeals by mailing or otherwise furnishing written notice (preferably in triplicate) to the contracting officer within ninety days from the date you receive this decision. The notice should identify the contract by number, reference this decision, and indicate that an appeal is intended. Alternatively, you may bring an action directly in the United States Court of Federal Claims within twelve months from the date you receive this decision."

(8) *Additional wording for decisions of \$50,000 or less.* When the claim or claims denied total \$50,000 or less, the contracting officer must add the following to the paragraph: "In taking an appeal to the Board of Contract Appeals, you may include in your notice of appeal an election to proceed under the Board's small claims (expedited) procedure, which provides for a decision within approximately 120 days, or an election to proceed under the Board's accelerated procedure, which provides for a decision within approximately 180 days. If you do not make an election in the notice of appeal, you may do so by written notice anytime thereafter."

(9) *Additional wording for decisions over \$50,000 up to \$100,000.* When the claim or claims denied total \$100,000 or less, but more than \$50,000, the contracting officer must add the following to the paragraph: "In taking an appeal to the Board of Contract Appeals, you may include in your notice of appeal an election to proceed under the Board's accelerated procedure, which provides for a decision within approximately 180 days. If you do not make an election in the notice of appeal, you may do so by written notice anytime thereafter."

final decision is issued on a claim so resolution of an appeal within the period set for an expedited disposition will not be delayed. Once an appeal is docketed, and expedited disposition is elected, contracting officers must devote sufficient resources to the appeal to ensure the schedule for resolution is met. Nothing in this part precludes an effort by the parties to settle a controversy after an appeal has been filed, although such efforts to settle the controversy will not suspend processing the appeal, unless the Board of Contract Appeals so directs.

### § 601.110 Payment of claims.

Any claim amount determined in a final decision to be payable, less any portion previously paid, should be promptly paid to the supplier without prejudice to either party in the event of appeal or action on the claim. In the absence of appeal by the Postal Service, a board or court decision favorable in whole or in part to the supplier must be implemented promptly. In cases when only the question of entitlement has been decided and the matter of amount has been remanded to the parties for negotiation, a final decision of the contracting officer must be issued if agreement is not reached promptly.

### § 601.111 Interest on claim amounts.

Interest on the amount found due on the supplier's claim must be paid from the date the contracting officer received the claim (properly certified, if required) or from the date payment would otherwise be due, if that date is later, until the date of payment. Simple interest will be paid at the rate established by the Secretary of the Treasury for each 6-month period in which the claim is pending. Information on the rate at which interest is payable is announced periodically in the *Postal Bulletin*.

### § 601.112 Review of adverse decisions.

Any party may seek review of an adverse decision of the Board of Contract Appeals in the Court of Appeals for the Federal Circuit or in any other appropriate forum.
