§ 601.110 Payment of claims.

Any claim amount determined in a final decision to be payable, less any portion previously paid, should be promptly paid to the supplier without prejudice to either party in the event of appeal or action on the claim. In the absence of appeal by the Postal Service, a board or court decision favorable in whole or in part to the supplier must be implemented promptly. In cases when only the question of entitlement has been decided and the matter of amount has been remanded to the parties for negotiation, a final decision of the contracting officer must be issued if agreement is not reached promptly.

§ 601.111 Interest on claim amounts.

Interest on the amount found due on the supplier’s claim must be paid from the date the contracting officer received the claim (properly certified, if required) or from the date payment would otherwise be due, if that date is later, until the date of payment. Simple interest will be paid at the rate established by the Secretary of the Treasury for each 6-month period in which the claim is pending. Information on the rate at which interest is payable is announced periodically in the Postal Bulletin.

§ 601.112 Review of adverse decisions.

Any party may seek review of an adverse decision of the Board of Contract Appeals in the Court of Appeals for the Federal Circuit or in any other appropriate forum.
