evaluate the sufficiency of such documents, if submitted.

§ 96.14 Objections concerning the NOx authorized account representative.
(a) Once a complete account certificate of representation under §96.13 has been submitted and received, the permitting authority and the Administrator will rely on the account certificate of representation unless and until a superseding complete account certificate of representation under §96.13 is received by the Administrator.
(b) Except as provided in §96.12(a) or (b), no objection or other communication submitted to the permitting authority or the Administrator concerning the authorization, or any representation, action, inaction, or submission of the NOx authorized account representative shall affect any representation, action, inaction, or submission of the NOx authorized account representative or the finality of any decision or order by the permitting authority or the Administrator under the NOx Budget Trading Program.
(c) Neither the permitting authority nor the Administrator will adjudicate any private legal dispute concerning the authorization or any representation, action, inaction, or submission of any NOx authorized account representative, including private legal disputes concerning the proceeds of NOx allowance transfers.

Subpart C—Permits
§ 96.20 General NOx Budget trading program permit requirements.
(a) For each NOx Budget source required to have a federally enforceable permit, such permit shall include a NOx Budget permit administered by the permitting authority.
(1) For NOx Budget sources required to have a title V operating permit, the NOx Budget portion of the title V permit shall be administered in accordance with the permitting authority’s title V operating permits regulations promulgated under part 70 or 71 of this chapter, except as provided otherwise by this subpart or subpart I of this part. The applicable provisions of such title V permits regulations shall include, but are not limited to, those provisions addressing operating permit applications, operating permit application shield, operating permit duration, operating permit shield, operating permit issuance, operating permit revision and reopening, public participation, State review, and review by the Administrator.
(2) For NOx Budget sources required to have a non-title V permit, the NOx Budget portion of the non-title V permit shall be administered in accordance with the permitting authority’s regulations promulgated to administer non-title V permits, except as provided otherwise by this subpart or subpart I of this part. The applicable provisions of such non-title V permits regulations may include, but are not limited to, provisions addressing permit applications, permit application shield, permit duration, permit shield, permit issuance, permit revision and reopening, public participation, State review, and review by the Administrator.
(b) Each NOx Budget permit (including a draft or proposed NOx Budget permit, if applicable) shall contain all applicable NOx Budget Trading Program requirements and shall be a complete and segregable portion of the permit under paragraph (a) of this section.

§ 96.21 Submission of NOx Budget permit applications.
(a) Duty to apply. The NOx authorized account representative of any NOx Budget source required to have a federally enforceable permit shall submit to the permitting authority a complete NOx Budget permit application under §96.22 by the applicable deadline in paragraph (b) of this section.
(b)(1) For NOx Budget sources required to have a title V operating permit:
(i) For any source, with one or more NOx Budget units under §96.4 that commence operation before January 1, 2000, the NOx authorized account representative shall submit a complete NOx Budget permit application under §96.22 covering such NOx Budget units to the permitting authority at least 18 months (or such lesser time provided under the permitting authority’s title V operating permits regulations for final action on a permit application) before May 1, 2003.
