decision from the Regional Administrator that the request for reconsideration was denied. A complete copy of the appeal must be sent to the Regional Administrator at the time the appeal is made. The appeal shall contain a clear and concise statement of the issues and points of fact in the case. It also may contain additional information from the owner or operator, or from any other person. The EPA Administrator may request additional information from the owner or operator, or from any other person. The EPA Administrator shall render a decision as rapidly as practicable and shall notify the owner or operator of the decision.

§ 112.22 Temporary Suspension of Response Planning Level Requirements to Support Deepwater Horizon Spill Response.

(a) Applicability. This section applies to any person who owns or operates—

(1) Any facility described in § 112.20 of this part, who has contracted with any oil spill removal organization (OSRO), as defined in § 112.2 of this part, where the OSRO’s response resources, as required under § 112.20(h)(3) and Appendix E, Sections 4.0 and 5.0, are deployed in support of the response to the Deepwater Horizon Spill of National Significance; and

(2) Any facility described in § 112.20 of this part, who owns, operates, or has under direct control, response resources, as required under § 112.20(h)(3) and Appendix E, Sections 4.0 and 5.0, deployed in support of the response to the Deepwater Horizon Spill of National Significance.

(b) Suspension of certain response planning level requirements. From June 30, 2010 through December 31, 2010, facility response plan requirements relating to the identification of response equipment and its location and the stipulated response times, including the response times contained in any written contractual agreement with any OSRO, for the availability of response resources, as required under § 112.20(h)(3) and Appendix E, Sections 4.0 and 5.0, for a medium discharge as described in § 112.20(h)(5)(iii) of this part, and for a worst case discharge over 2,100 gallons as described under § 112.20(h)(5)(i), are suspended. Changes to facility response plans due to relocation of response equipment in support of the response to the Deepwater Horizon Spill of National Significance, do not require a revision under § 112.20(d).
