§ 143.1 Purpose.

This part establishes National Secondary Drinking Water Regulations pursuant to section 1412 of the Safe

§ 143.1 Purpose.

This part establishes National Secondary Drinking Water Regulations pursuant to section 1412 of the Safe Drinking Water Act (SDWA). It sets forth the requirements for states to develop and implement secondary drinking water regulations for contaminants that are not required to be regulated under the SDWA's primary drinking water regulations. The purpose of this part is to protect the public health by establishing enforceable standards for contaminants not regulated at the primary level.

Authority: 42 U.S.C. 306 et seq.

Source: 44 FR 42198, July 19, 1979, unless otherwise noted.

§ 143.1 Purpose.
