Act by the later of the two dates in paragraphs (a) and (b) of this section.
   (a) Thirty-six months after December 1, 2000.
   (b) The effective date of the title V permit program to which your unit is
       subject. If your unit is subject to title V as a result of some triggering re-
       quirement(s) other than this subpart (for example, being a major source),
       then your unit may be required to apply for and obtain a title V permit
       prior to the deadlines noted above. If more than one requirement triggers
       the requirement to apply for a title V permit, the 12-month timeframe for fil-
       ing a title V application is triggered by the requirement which first causes the
       source to be subject to title V.

MODEL RULE—AIR CURTAIN
INCIINERATORS

§ 60.2810 What is an air curtain incinerator?

(a) An air curtain incinerator operates by forcefully projecting a curtain
   of air across an open chamber or open pit in which combustion occurs. Incin-
   erators of this type can be constructed above or below ground and with or
   without refractory walls and floor. (Air curtain incinerators are not to be con-
   fused with conventional combustion devices with enclosed fireboxes and
   controlled air technology such as mass burn, modular, and fluidized bed com-
   bustors.)
   (b) Air curtain incinerators that burn only the materials listed in paragraphs
       (b)(1) through (3) of this section are only required to meet the requirements
       under “Air Curtain Incinerators” (§§ 60.2810 through 60.2870).
       (1) 100 percent wood waste.
       (2) 100 percent clean lumber.
       (3) 100 percent mixture of only wood waste, clean lumber, and/or yard waste.

§ 60.2815 What are my requirements
for meeting increments of progress and achieving final compliance?

If you plan to achieve compliance
more than 1 year following the effec-
tive date of State plan approval, you
must meet the two increments of
progress specified in paragraphs (a) and
(b) of this section.
   (a) Submit a final control plan.
   (b) Achieve final compliance.

§ 60.2820 When must I complete each
increment of progress?

Table 1 of this subpart specifies com-
pliance dates for each of the incre-
ments of progress.

§ 60.2825 What must I include in the
notifications of achievement of incre-
ments of progress?

Your notification of achievement of
increments of progress must include
the three items described in paragraphs
(a) through (c) of this section.
   (a) Notification that the increment of
       progress has been achieved.
   (b) Any items required to be sub-
       mitted with each increment of progress
       (see § 60.2840).
   (c) Signature of the owner or oper-
       ator of the incinerator.

§ 60.2830 When must I submit the noti-
fications of achievement of incre-
ments of progress?

Notifications for achieving incre-
ments of progress must be postmarked
no later than 10 business days after the
compliance date for the increment.

§ 60.2835 What if I do not meet an in-
crement of progress?

If you fail to meet an increment of
progress, you must submit a notifica-
tion to the Administrator postmarked
within 10 business days after the date
for that increment of progress in table
1 of this subpart. You must inform the
Administrator that you did not meet
the increment, and you must continue
to submit reports each subsequent cal-
endar month until the increment of
progress is met.

§ 60.2840 How do I comply with the in-
crement of progress for submittal of
a control plan?

For your control plan increment of
progress, you must satisfy the two re-
quirements specified in paragraphs (a)
and (b) of this section.
   (a) Submit the final control plan, in-
       cluding a description of any devices for
       air pollution control and any process
       changes that you will use to comply
       with the emission limitations and
       other requirements of this subpart.
   (b) Maintain an onsite copy of the
       final control plan.
