§ 62.9140 Identification of source.
The plan includes the following kraft pulp mill:
(a) Weyerhaeuser Paper Company in Valliant, Oklahoma.

[54 FR 24905, June 12, 1989]

§ 62.9150 Identification of sources.
The plan applies to existing facilities with a municipal waste combustor (MWC) unit capacity greater than 250 tons per day of municipal solid waste (MSW) at the following MWC site: Ogden-Martin Systems of Tulsa, Incorporated, 2122 South Yukon Avenue, Tulsa, OK 74107.

[83 FR 59890, Nov. 6, 1998]

§ 62.9160 Identification of sources.
The plan applies to existing commercial and industrial solid waste landfills for which construction, reconstruction, or modification was commenced before May 30, 1991, that accepted waste at any time since November 8, 1987, or that have additional capacity available for future waste deposition, as described in 40 CFR part 60, subpart Cc.

[64 FR 13519, Mar. 19, 1999]

§ 62.9170 Identification of sources.
The plan applies to existing hazardous/medical/infectious waste incinerators for which construction, reconstruction, or modification was commenced before June 20, 1996, as described in 40 CFR part 60, subpart Ce.

[65 FR 25449, May 2, 2000]

Effective Date.

§ 62.9171 Effective date.
The effective date for the portion of the plan applicable to existing hazardous/medical/infectious waste incinerators is July 3, 2000.

[65 FR 25449, May 2, 2000]

§ 62.9180 Identification of sources—negative declaration.
Letter from the Oklahoma Department of Environmental Quality dated October 2, 2001, certifying that there are no existing small municipal waste combustion units subject to 40 CFR part 60, subpart BBBB, under its jurisdiction in the State of Oklahoma.

[68 FR 35303, June 13, 2003]

§ 62.9190 Identification of sources.
(a) The plan applies to the following existing commercial and industrial solid waste incineration units:
   (a) A&A Enterprises, Ardmore, Oklahoma.
   (b) Henryetta Pallet Company, Henryetta, Oklahoma.
   (c) Oklahoma AAA Pallet Co., Inc., Oklahoma City, Oklahoma.
   (d) Simer Pallet Recycling, Inc., Chickasha, Oklahoma.

[64 FR 13519, Mar. 19, 1999]

§ 62.9191 Effective date.
The effective date of this portion of the State’s plan applicable to existing commercial and industrial solid waste incineration units is December 5, 2005.
