APPENDIX C TO PART 60–300—REVIEW OF PERSONNEL PROCESSES

The following is a set of procedures which contractors may use to meet the requirements of §60–300.44(b):

1. The application or personnel form of each known applicant who is a disabled veteran, recently separated veteran, other protected veteran, or Armed Forces service medal veteran should be annotated to identify each vacancy for which the applicant was considered, and the form should be quickly retrievable for review by the Department of Labor and the contractor’s personnel officials for use in investigations and internal compliance activities.

2. The personnel or application records of each known disabled veteran, recently separated veteran, other protected veteran, or Armed Forces service medal veteran should include (i) the identification of each promotion for which the covered veteran was considered, and (ii) the identification of each training program for which the covered veteran was considered.

3. In each case where an employee or applicant who is a disabled veteran, recently separated veteran, other protected veteran, or Armed Forces service medal veteran is rejected for employment, promotion, or training, the contractor should prepare a statement of the reason as well as a description of the accommodations considered (for a rejected disabled veteran). The statement of the reason for rejections (if the reason is medically related), and the description of the accommodations considered, should be treated as confidential medical records in accordance with §60–300.23(d). These materials should be available to the applicant or employee concerned upon request.

4. Where applicants or employees are selected for hire, promotion, or training and the contractor undertakes any accommodation which makes it possible for him or her to place a disabled veteran on the job, the contractor should make a record containing a description of the accommodation. The record should be treated as a confidential medical record in accordance with §60–300.23(d).
