Public Contracts, Dept. of Labor

shall be in accordance with Compressed Gas Association Pamphlet P–1–1965.

§ 50–204.71 Safety relief devices for compressed gas containers.

Compressed gas cylinders, portable tanks, and cargo tanks shall have pressure relief devices installed and maintained in accordance with Compressed Gas Association Pamphlets S–1.1–1963 and 1965 addenda and S–1.2–1963.

§ 50–204.72 Safe practices for welding and cutting on containers which have held combustibles.

Welding or cutting, or both, on containers which have held flammable or combustible solids, liquids, or gases, or have contained substances which may produce flammable vapors or gases will not be attempted until the containers have been thoroughly cleaned, purged, or inerted in strict accordance with the rules and procedures embodied in American Welding Society Pamphlet A–6.0–65, edition of 1965.

§ 50–205.1 Purpose and scope.

The Walsh-Healey Public Contracts Act authorizes and directs the Secretary of Labor to utilize, with the consent of a State, such State and local officers and employees as he may find necessary to assist in the administration of the Act. It is the purpose of this part to prescribe the rules governing the use of such State and local officers in inspections (or investigations) relating to the enforcement of the stipulation required by the Act providing that no part of a contract subject thereto will be performed nor will any materials, supplies, articles, or equipment to be manufactured or furnished under such a contract be manufactured or fabricated in any plants, factories, buildings, or surroundings or under working conditions which are unsanitary or hazardous or dangerous to the health and safety of employees engaged in the performance of the contract, and the enforcement of the safety and health standards interpreting and applying that stipulation published in Part 50–204 of this chapter.
