51–1.3 Definitions.

§ 51–1.1 Policy.
(a) It is the policy of the Government to increase employment and training opportunities for persons who are blind or have other severe disabilities through the purchase of commodities and services from qualified nonprofit agencies employing persons who are blind or have other severe disabilities. The Committee for Purchase from People who are Blind or Severely Disabled (hereinafter the Committee) was established by the Javits-Wagner—O’Day Act, Public Law 92–28, 85 Stat. 77 (1971), as amended, 41 U.S.C. 46–48c (hereinafter the JWOD Act). The Committee is responsible for implementation of a comprehensive program designed to enforce this policy.
(b) It is the policy of the Committee to encourage all Federal entities and employees to provide the necessary support to ensure that the JWOD Act is implemented in an effective manner. This support includes purchase of products and services published on the Committee’s Procurement List through appropriate channels from nonprofit agencies employing persons who are blind or have other severe disabilities designated by the Committee; recommendations to the Committee of new commodities and services suitable for addition to the Procurement List; and cooperation with the Committee and the central nonprofit agencies in the provision of such data as the Committee may decide is necessary to determine suitability for addition to the Procurement List.

§ 51–1.2 Mandatory source priorities.
(a) The JWOD Act mandates that commodities or services on the Procurement List required by Government entities be procured, as prescribed in this regulation, from a nonprofit agency employing persons who are blind or have other severe disabilities, at a price established by the Committee, if that commodity or service is available within the normal period required by that Government entity. Except as provided in paragraph (b) of this section, the JWOD Act has priority, under the provisions of 41 U.S.C. 48, over any other supplier of the Government’s requirements for commodities and services on the Committee’s Procurement List.
(b) Federal Prison Industries, Inc. has priority, under the provisions of 18 U.S.C. 4124, over nonprofit agencies employing persons who are blind or have other severe disabilities in furnishing commodities for sale to the Government. All or a portion of the Government’s requirement for a commodity for which Federal Prison Industries, Inc. has exercised its priority may be added to the Procurement List. However, such addition is made with the understanding that procurement under the JWOD Act shall be limited to that portion of the Government’s requirement for the commodity which is not available or not required to be procured from Federal Prison Industries, Inc.
(c) The JWOD Act requires the Committee to prescribe regulations providing that, in the purchase by the Government of commodities produced and offered for sale by qualified nonprofit agencies employing persons who are blind and nonprofit agencies employing persons who have other severe disabilities, priority shall be accorded to commodities produced and offered for sale by qualified nonprofit agencies for the blind. In approving the addition of commodities, to the Procurement List, the Committee accords priority to nonprofit agencies for the blind. Nonprofit agencies for the blind and nonprofit agencies employing persons with severe disabilities have equal priority for services.

§ 51–1.3 Definitions.
