

## **Cmte. for Purchase from Blind, Severely Disabled**

## **§ 51-6.12**

contracting activity or central nonprofit agency shall notify the Committee of the problem so that action can be taken by the Committee to resolve it.

### **§ 51-6.10 Quality of merchandise.**

(a) Commodities furnished under Government specification by nonprofit agencies employing persons who are blind or have other severe disabilities shall be manufactured in strict compliance with such specifications. Where no specifications exist, commodities furnished shall be of a quality equal to or higher than similar items available on the commercial market. Commodities shall be inspected utilizing nationally recognized test methods and procedures for sampling and inspection.

(b) Services furnished by nonprofit agencies employing persons who are blind or have other severe disabilities shall be performed in accordance with Government specifications and standards. Where no Government specifications and standards exist, the services shall be performed in accordance with commercial practices.

### **§ 51-6.11 Quality complaints.**

(a) When the quality of a commodity received is not considered satisfactory by the using activity, the activity shall take the following actions as appropriate:

(1) For commodities received from Defense Logistics Agency supply centers, General Services Administration supply distribution facilities, Department of Veterans Affairs distribution division or other central stockage depots, or specifically authorized supply source, notify the supplying agency in writing in accordance with that agency's procedures. The supplying agency shall, in turn, provide copies of the notice to the nonprofit agency involved and its central nonprofit agency.

(2) For commodities received directly from nonprofit agencies employing persons who are blind or have other severe disabilities, address complaints to the nonprofit agency involved with a copy to the central nonprofit agency with which it is affiliated.

(b) When the quality of a service is not considered satisfactory by the con-

tracting activity, it shall address complaints to the nonprofit agency involved with a copy to the central nonprofit agency with which it is affiliated.

### **§ 51-6.12 Specification changes and similar actions.**

(a) Contracting activities shall notify the nonprofit agency or agencies authorized to furnish a commodity on the Procurement List and the central nonprofit agency concerned of any changes to the specification or other description of the commodity.

(b) When a Government entity is changing the specification or description of a commodity on the Procurement List, including a change that involves the assignment of a new national stock number or item designation, the office assigned responsibility for the action shall obtain the comments of the Committee and the central nonprofit agency concerned on the proposed change and shall notify the nonprofit agency and the central nonprofit agency concerned at least 90 days prior to placing an order for a commodity covered by the new specification or description.

(c) For services on the Procurement List, the contracting activity shall notify the nonprofit agency furnishing the service and the central nonprofit agency concerned at least 90 days prior to the date that any changes in the statement of work or other conditions of performance will be required, including assumption of performance of the service by the contracting activity.

(d) If an emergency makes it impossible for a contracting activity to give the 90-day notice required by paragraphs (b) and (c) of this section, the contracting activity shall inform the nonprofit agency and the central nonprofit agency concerned of the reasons it cannot meet the 90-day notice requirement when it places the order or change notice.

(e) Nonprofit agencies shall recommend changes in specifications, item descriptions, and statements of work that will improve the commodity or service being provided, reduce costs,
