NOTE: Except for purchase programs 5.8 and 5.9 all programs refer to requirements for bituminous coal.

(1) A separate requirement form shall be prepared for each delivery point and for each size and kind of coal, such as bituminous, anthracite, or lignite. The purchase program number is to be entered in the upper right hand block of DD Form 416.

(2) The section of DD Form 416 entitled "Analytical Specifications Required" shall reflect minimum requirements based on heating engineering data applicable to the particular equipment in which the coal will be used.

(c) Contractual information covering these requirements will be furnished each participating agency by the Defense Fuel Supply Center after contracts are awarded. As shipments of coal are required, each activity shall direct the contractor to make delivery. Payment for deliveries shall be arranged for by the ordering activity directly with the contractor. Should estimated requirements not be needed due to changes or conversions in heating equipment or other reasons, activities

shall notify the Defense Fuel Supply Center of such changes as soon as possible.

(d) Copies of DD Form 416 may be obtained from: Commander, Defense Fuel Supply Center, Attention: DFSC:PE, Cameron Station, Alexandria, VA 22314.

(e) Requirements for coal at locations other than as identified in this § 101-26.602-4 may be obtained by submitting requests directly to the Defense Fuel Supply Center, if centralized procurement is desired.

(f) Each participating agency may elect to collect coal samples, for analysis purposes, in accordance with the latest edition of the Handbook on Coal Sampling issued by the Department of the Interior, Bureau of Mines. Copies of this Handbook on Coal Sampling may be obtained upon request from: Coal Sampling and Inspection, Division of Mineral Studies, U.S. Bureau of Mines, College Park, Md. 20740.

Federal Property Management Regulations

§ 101-26.605

(g) Coal samples shall be forwarded by the agency to the Bureau of Mines, 4800 Forbes Avenue, Pittsburgh, Pa. 15213. A charge for each sample submitted will be assessed by the Bureau of Mines for performing such analysis, or agencies may enter into an agreement with the Bureau of Mines for services and testing on an annual flat rate basis. Agencies shall furnish the Bureau of Mines laboratory complete billing instructions at the time samples are submitted. Copies of the results of each analysis will be furnished by the Bureau of Mines to offices responsible for payment for comparison with the analytical limits guaranteed by the contractor. In the event that the sample does not meet the minimum requirements of the analytical limits specified in the contract, the using agency shall compute the amount, if any, to be deducted from the contract price.

§ 101-26.602-5 Procurement of natural gas from the wellhead and other supply sources.

(a) Natural gas requirements shall be satisfied from sources that are most advantageous to the Government in terms of economy, efficiency, and service. A cost/benefit analysis shall be required by the procuring Federal agency if the natural gas procurements at a facility exceed 20,000 mcf annually and the facility can accept interruptible service. If sources other than the local public utility are the most advantageous to the Government, agency requirements may be satisfied through the Defense Logistics Agency (DLA). Arrangements for DLA procurements on behalf of civilian agencies shall be made through GSA. GSA will forward agency requests to DLA after assuring that necessary requirements data are included.

(b) Agency requests for DLA natural gas shall be forwarded to the Public Utilities Division (PPU), Office of Procurement, General Services Administration, 18th and F Streets, NW., Washington, DC 20405. The requests shall include for each facility for which natural gas is required: The name, address, and telephone number of the request-

ing agency representative; the name, address, and telephone number of the facility representative; the name of the local distribution company; the expected usage (in mcf) at the facility for each month during the next year of service; the expected peak day usage in mcf at the facility; a statement of funds availability; and documentation of the cost analysis performed that justifies the alternative source procurement.

(c) Agency requests for procurements by DLA shall be forwarded to GSA at the time the information specified in § 101-26.602-5(b) becomes available.

(d) Agencies should anticipate that actions required by DLA to establish a natural gas contract will take 5 to 7 months.

§ 101-26.603 Electronic items available from the Defense Logistics Agency.

Executive agencies shall satisfy their requirements for electronic items listed in the Federal Supply Catalog for Civil agencies (FSC group 59, except classes 5940, 5970, 5975, 5977, and 5995) from the Defense Electronic Supply Center (DESC), DLA. Requisitions shall be prepared in accordance with the FEDSTRIP Operating Guide and submitted to DESC, 1507 Wilmington Pike, Dayton, Ohio 45444, using routing identifier code S9E. Items listed in classes 5940, 5970, 5975, 5977, and 5995, unless managed as exceptions by GSA, shall be obtained from the Defense General Supply Center (DGSC), Richmond, Va. 23297. Electronic items may be obtained from local purchase sources when such action is authorized under the provisions of § 101-26.602-2(b). DESC may return requisitions for local purchase under the same conditions governing the return of requisitions by DGSC set forth in § 101-26.602-2(c).
