(b) Credit will be granted at the rate of 60 percent of the current GSA selling price for items which involve limited expenses or effort to restore to serviceable condition, and which is accomplished in the storage activity where the stock is located (e.g., a deficiency in packing or packaging which restricts the issue or requires repacking or repackaging (condition code E)).

(c) No credit will be given for material returned to GSA which does not meet the above criteria or which was returned to GSA without prior approval.
