

§ 102-34.120 Do we need to register Government motor vehicles?

If the Government motor vehicle displays U.S. Government license plates and motor vehicle identification, you do not need to register it in the jurisdiction where the vehicle is operated, however, you must register it in the Federal Government Motor Vehicle Registration System. GSA Fleet may register motor vehicles leased from GSA Fleet. Motor vehicles that have been exempted from the requirement to display official U.S. Government license plates under section §102-34.160, §102-34.175 or §102-34.180 must be registered and inspected in accordance with the laws of the jurisdiction where the motor vehicle is regularly operated.

§ 102-34.125 Where may we obtain U.S. Government license plates?

You may obtain U.S. Government license plates for domestic fleets—

(a) By contacting: U.S. Department of Justice, UNICOR, Federal Prison Industries, Inc., 400 First Street, NW., Room 6010, Washington, DC 20534.

(b) For assistance with any issues involving license plates, contact the following office: General Services Administration, ATTN: MT, Washington, DC 20405. E-mail: vehicle.policy@gsa.gov.

NOTE TO § 102-34.125: GSA has established a Memorandum of Understanding (MOU) on behalf of all Federal agencies with Federal Prison Industries (UNICOR) for the procurement of official U.S. Government license plates. Each agency must execute an addendum to this MOU providing plate design and specific ordering and payment information before ordering license plates. Agency field activities should contact their national level Agency Fleet Manager for assistance.

§ 102-34.130 How do we display U.S. Government license plates on Government motor vehicles?

(a) Display official U.S. Government license plates on the front and rear of all Government motor vehicles. The exception is two-wheeled motor vehicles and trailers, which require rear license plates only.

(b) You must display U.S. Government license plates on the Government motor vehicle to which the license plates were assigned.

(c) Display the U.S. Government license plates until the Government motor vehicle is removed from Government service or is transferred outside the agency, or until the plates are damaged and require replacement. U.S. Government license plates shall only be used for one Government motor vehicle and shall not be reissued to another Government motor vehicle.

(d) For motor vehicles owned or commercially leased by DOD, also follow DOD regulations.

§ 102-34.135 What do we do about a lost or stolen license plate?

You must report the loss or theft of license plates as follows:

(a) *U.S. Government license plates.* Report to your local security office (or equivalent), local police, to GSA Fleet when a GSA Fleet leased motor vehicle is involved, and to the Federal Government Motor Vehicle Registration System.

(b) *District of Columbia or State license plates.* Report to your local security office (or equivalent) and either the District of Columbia Department of Transportation, or the State Department of Motor Vehicles, as appropriate.

§ 102-34.140 What records do we need to keep on U.S. Government license plates?

You must keep a central record of all U.S. Government license plates for Government motor vehicles. The GSA Fleet must also keep such a record for GSA Fleet vehicles. The record must:

(a) Identify the motor vehicle to which each set of plates is assigned; and

(b) List lost, stolen, destroyed, and voided license plate numbers.

§ 102-34.145 How are U.S. Government license plates coded?

U.S. Government license plate numbers will be preceded by a letter code that designates the owning agency for the motor vehicle. The agency letter codes are listed in GSA Bulletin FMR Bulletin B-11. (FMR bulletins are located at <http://www.gsa.gov/bulletin>.)
