thereon, as recommended by the Secretary as being needed for use in the protection of public health, including research.

§ 102–75.505 Is the request for educational or public health use of a property by an eligible nonprofit institution contingent upon the disposal agency’s approval?

Yes, eligible non-profit organizations will only receive surplus real property for an educational or public health use if the disposal agency approves or grants the assignment request from either ED or HHS. The disposal agency will also consider other uses for available surplus real property, taking into account the highest and best use determination. Any subsequent transfer is subject to the approval of the head of the disposal agency as stipulated under 40 U.S.C. 550(c) or (d) and referenced in this part.

§ 102–75.510 When must the Department of Education and the Department of Health and Human Services notify the disposal agency that an eligible applicant is interested in acquiring the property?

ED and HHS must notify the disposal agency if it has an eligible applicant interested in acquiring the property within 30 calendar days after the date of the surplus notice. Then, after the 30-day period expires, ED or HHS has 30 calendar days to review and approve an application and request assignment of the property, or inform the disposal agency that no assignment request will be forthcoming.

§ 102–75.515 What action must the disposal agency take after an eligible public agency has submitted a plan of use for property for an educational or public health requirement?

When an eligible public agency submits a plan of use for property for an educational or public health requirement, the disposal agency must transmit two copies of the plan to the regional office of ED or HHS, as appropriate. The ED or HHS must submit to the disposal agency, within 30 calendar days after the date the plan is transmitted, a recommendation for assignment of the property to the Secretary of ED or HHS, as appropriate, or must inform the disposal agency, within the 30-calender day period, that a recommendation will not be made for assignment of the property to ED or HHS. If, after considering other uses for the property, the disposal agency approves the assignment recommendation from ED or HHS, it must assign the property by letter or other document to the Secretary of ED or HHS, as appropriate. The disposal agency must furnish to the landholding agency a copy of the assignment, unless the landholding agency is also the disposal agency. If the recommendation is disapproved, the disposal agency must likewise notify the appropriate Department.

§ 102–75.520 What must the Department of Education or the Department of Health and Human Services address in the assignment recommendation that is submitted to the disposal agency?

Any assignment recommendation that ED or HHS submits to the disposal agency must provide complete information concerning the educational or public health use, including—

(a) Identification of the property;
(b) The name of the applicant and the size and nature of its program;
(c) The specific use planned;
(d) The intended public benefit allowance;
(e) The estimate of the value upon which such proposed allowance is based; and
(f) An explanation if the acreage or value of the property exceeds the standards established by the Secretary.

§ 102–75.525 What responsibilities do landholding agencies have concerning properties to be used for educational and public health purposes?

Landholding agencies must cooperate to the fullest extent possible with representatives of ED or HHS in their inspection of such property and in furnishing information relating to the property.
