§ 102–75.860 What happens after the disposal agency receives the assignment recommendation from DOT?

If, after considering other uses for the property, the disposal agency approves the assignment recommendation from DOT, the disposal agency must assign the property by letter or other document to DOT. The disposal agency must furnish to the landholding agency a copy of the assignment, unless the landholding agency is also the disposal agency.

§ 102–75.865 What responsibilities does DOT have after receiving the disposal agency's assignment letter?

After receiving the assignment letter from the disposal agency, DOT must provide the disposal agency with a Notice of Proposed Transfer within 30 calendar days after the date of the assignment letter. If the disposal agency approves the proposed transfer within 30 calendar days of the receipt of the Notice of Proposed Transfer, DOT may prepare the conveyance documents and proceed with the conveyance. DOT must take all necessary actions to accomplish the conveyance within 15 calendar days after the expiration of the 30-calendar day period provided for the disposal agency to consider the notice. DOT must furnish the disposal agency two conformed copies of the instruments conveying property and all related documents containing restrictions or conditions regulating the future use, maintenance, or transfer of the property.

DOT is responsible for enforcing compliance with the terms and conditions of conveyance, including reforming, correcting, or amending any instrument of conveyance; granting releases; and taking any necessary actions to re-capture the property following the provisions of 40 U.S.C. 554(f). Any of these actions are subject to the approval of the head of the disposal agency. DOT must notify the head of the disposal agency of its intent to take any proposed action, identify the property affected, and describe in detail the proposed action, including the reasons for the proposed action.

In each case of a repossession by the United States, DOT must, at or prior to reversion of title, provide the appropriate GSA regional property disposal office, with a Report of Excess Real Property (Standard Form 118) and accompanying schedules. After receiving a statement from DOT that title to the property is proposed for revesting, GSA will review the statement and determine if title should be revested. If GSA, in consultation with DOT, determines that the property should be re-vested, DOT must submit a Standard Form 118 to GSA. GSA will review and act upon the Standard Form 118, if acceptable. However, the grantee must provide protection and maintenance for the property until the title reverts to the Federal Government, including the period following the notice of intent to revert. Such protection and maintenance must, at a minimum, conform to the standards prescribed in the GSA Customer Guide to Real Property Disposal.
