

§ 105-1.104

Supplementing is the process of prescribing material for which there is no counterpart in the Government-wide regulations.

(c) GSPMR may deviate from the regulations that are implemented when a deviation (see §105-1.110) is authorized in and explicitly referenced to such regulations. Where chapter 105 contains no material implementing the FPMR, the FPMR shall govern.

§ 105-1.104 Publication of GSPMR.

(a) Most GSPMR are published in the FEDERAL REGISTER. This practice helps to ensure that interested business concerns, other agencies, and the public are apprised of GSA policies and procedures pertaining to property and records management and certain related activities.

(b) Most GSPMR are published in cumulative form in chapter 105 of title 41 of the Code of Federal Regulations. The FEDERAL REGISTER and title 41 of the Code of Federal Regulations may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402.

§ 105-1.106 Applicability.

Chapter 105 applies to the management of property and records and to certain other programs and activities of GSA. Unless otherwise specified, chapter 105 applies to activities outside as well as within the United States.

§ 105-1.109 Numbering.

§ 105-1.109-50 General plan.

Chapter 105 is divided into parts, subparts, and further subdivisions as necessary.

§ 105-1.109-51 Arrangement.

(a) Parts 105-2 through 105-49 are used for GSPMR that implement regulations in the corresponding parts of chapter 101. This practice results in comparable grouping by subject area without establishment of subchapters.

(b) Parts 105-50 and above are used for GSPMR that supplement regulations in the FPMR and implement regulations of other agencies. Part numbers are assigned so as to accomplish a similar subject area grouping. Regulations on advisory committee manage-

41 CFR Ch. 105 (7-1-10 Edition)

ment are recodified as part 105-54 to place them in the appropriate subject area category. Regulations on standards of conduct remain in part 105-735 because the number 735 identifies regulations of the U.S. Civil Service Commission and various civil agencies on this subject.

§ 105-1.109-52 Cross-references.

(a) Within chapter 105, cross-references to the FPMR shall be made in the same manner as used within the FPMR. Illustrations of cross-references to the FPMR are:

- (1) Part 101-3;
- (2) Subpart 101-3.1;
- (3) §101-3.413-5.

(b) Within chapter 105, cross-references to parts, subparts, sections, and subsections of chapter 105 shall be made in a manner generally similar to that used in making cross-references to the FPMR. For example, this paragraph would be referenced as §105-1.109-52(b).

§ 105-1.110 Deviation.

(a) In the interest of establishing and maintaining uniformity to the greatest extent feasible, deviations; i.e., the use of any policy or procedure in any manner that is inconsistent with a policy or procedure prescribed in the Federal Property Management Regulations, are prohibited unless such deviations have been requested from and approved by the Administrator of General Services or his authorized designee. Deviations may be authorized by the Administrator of General Services or his authorized designee when so doing will be in the best interest of the Government. Request for deviations shall clearly state the nature of the deviation and the reasons for such special action.

(b) Requests for deviations from the FPMR shall be sent to the General Services Administration for consideration in accordance with the following:

- (1) For onetime (individual) deviations, requests shall be sent to the address provided in the applicable regulation. Lacking such direction, requests shall be sent to the Administrator of General Services, Washington, DC 20405.
