§ 105–54.203  Advisory committee charters.

Each committee charter contains the following information:

(d) The official to whom the committee reports, including the official’s name, title, and organization;

(e) The agency and office responsible for providing the necessary support for the committee;

(f) A description of the duties for which the committee is responsible (if the duties are not solely advisory, the statutory or Presidential authority for additional duties shall be specified);

(g) The estimated annual operating costs in dollars and person-years for the committee;

(h) The estimated number and frequency of committee meetings;

The GSA Committee Management Officer retains each original signed charter in a file of active charters.

The GSA Committee Management Officer furnishes a copy of each charter to the Library of Congress when or shortly after copies are filed with the requisite committees of the Congress. This should be construed neither to limit the participation nor to compel the selection of any particular individual or group to obtain different points of view relevant to committee business. The Administrator designates members, alternates, and observers, as appropriate, of advisory committees. He/she designates a Federal officer or employee to chair or attend each meeting of each advisory committee. The Administrator also designates GSA employees to serve on advisory committees sponsored by other Government agencies. The HSSO or Regional Administrator submits nominations and letters of designation for the Administrator’s signature to
