

(b) Prior to submitting a debt to FMS for purposes of collection by administrative offset, including salary offset, creditor agencies will provide written certification to FMS that—

(1) The debt is past-due and legally enforceable in the amount submitted to FMS and that the creditor agency will ensure that collections (other than collections through offset) are properly credited to the debt;

(2) Except in the case of a judgment debt or as otherwise allowed by law, the debt is referred for offset within ten years after the creditor agency's right of action accrues;

(3) The creditor agency has complied with the provisions of 31 U.S.C. 3716 (administrative offset) and related regulations including, but not limited to, the provisions requiring the creditor agency to provide the debtor with applicable notices and opportunities for a review of the debt; and

(4) The creditor agency has complied with the provisions of 5 U.S.C. 5514 (salary offset) and related regulations including, but not limited to, the provisions requiring the creditor agency to provide the debtor with applicable notices and opportunities for a hearing.

(c) FMS may waive the certification requirement set forth in paragraph (b)(4) of this section as a prerequisite to submitting the debt to FMS. If FMS waives the certification requirement, before an offset occurs, the creditor agency will provide the Federal employee with the notices and opportunities for a hearing as required by 5 U.S.C. 5514 and applicable regulations, and will certify to FMS that the requirements of 5 U.S.C. 5514 and applicable regulations have been met.

(d) The creditor agency will notify FMS immediately of any payments credited by the agency to the debtor's account, other than credits for amounts collected by offset, after submission of the debt to FMS. The creditor agency will notify FMS once the debt is paid in its entirety. The creditor agency will also notify FMS immediately of any change in the status of the legal enforceability of the debt, for example, if the agency receives notice that the debtor has filed for bankruptcy protection.

**§ 105-56.027 Centralized salary offset computer match.**

(a) Delinquent debt records will be compared with Federal employee records maintained by members of the consortium or paying agencies. The records will be compared to identify Federal employees who owe delinquent debts for purposes of collecting the debt by administrative offset. A match will occur when the taxpayer identifying number and name of a Federal employee are the same as the taxpayer identifying number and name of a debtor.

(b) As authorized by the provisions of 31 U.S.C. 3716(f), FMS, under a delegation of authority from the Secretary, has waived certain requirements of the Computer Matching and Privacy Protection Act of 1988, 5 U.S.C. 552a, as amended, for administrative offset, including salary offset, upon written certification by the creditor agency, that the requirements of 31 U.S.C. 3716(a) have been met. Specifically, FMS has waived the requirements for a computer matching agreement contained in 5 U.S.C. 552a(o) and for post-match notice and verification contained in 5 U.S.C. 552a(p).

**§ 105-56.028 Salary offset.**

When a match occurs and all other requirements for offset have been met, as required by the provisions of 31 U.S.C. 3716(c), the disbursing official will offset the GSA employee's or cross-serviced agency employee's salary payment to satisfy, in whole or part, the debt owed by the employee. Alternatively, the GSA National Payroll Center, serving as the paying agency, on behalf of the disbursing official, may deduct the amount of the offset from an employee's disposable pay before the employee's salary payment is certified to a disbursing official for disbursement.

**§ 105-56.029 Offset amount.**

(a) The minimum dollar amount of salary offset under this subpart is \$100.

(b) The amount offset from a salary payment under this subpart will be the lesser of—

(1) The amount of the debt, including any interest, penalties and administrative costs; or
