(k) Developing and issuing current authorization lists of persons authorized by management to withdraw precious metals from stockrooms.

§ 109–27.5104–6 Control by using organization.

(a) After receipt, the using organization shall provide necessary controls for precious metals. Materials shall be stored in a non-combustible, combination locked repository at all times except for quantities at the actual point of use.

(b) Each using organization shall maintain a log showing the individual user, type and form of metal, and the time, place, and purpose of each use. The log shall be kept in a locked repository when not in use.

(c) The logs and secured locked storage facilities are subject to review by
