§ 301–72.101 Car rentals, etc.) with travel authorizations and claims to assure that only authorized charges are paid.

§ 301–72.101 What information should we provide an employee before authorizing the use of common carrier transportation?

You should provide the employee:
(a) Notice that he/she is accountable for all tickets, GTRs and other transportation documents;
(b) Your procedures for the control and accounting of common carrier transportation documents, including the procedures for submitting unused, partially used, downgraded/exchanged tickets, refund receipts or ticket refund applications, and denied boarding compensation; and
(c) A credit/refund address so the carrier can credit/refund the agency for unused tickets (when the tickets have been issued using an agency centrally billed account or by GTR).

Subpart C—Cash Payments for Procuring Common Carrier Transportation Services

§ 301–72.200 Under what conditions may we authorize cash payments for procuring common carrier transportation services?

In accordance with §301–51.100.

§ 301–72.201 What must we do if an employee uses cash in excess of the $100 limit to purchase common carrier transportation?

To justify the use of cash in excess of $100, both the agency and traveler must certify on the travel claim the necessity for such use. See 41 CFR 101–41.203–2.

§ 301–72.202 Who may approve cash payments in excess of the $100 limit?

You must ensure the delegation of authority for the authorization or approval of cash payments over the $100 limit is in accordance with 41 CFR 101–41.203–2.

§ 301–72.203 When may we limit traveler reimbursement for a cash payment?

If you determine that the cash payment was made under a non-emergency circumstance, reimbursement to the traveler must not exceed the cost which would have been properly chargeable to the Government had the traveler used a government provided payment resource, (e.g., individual Government contractor-issued travel charge card, centrally billed account, or GTR). However, an agency can determine to make full payment when circumstances warrant (e.g., invitational travel, infrequent travelers and interviewees).

§ 301–72.204 What must we do to minimize the need for a traveler to use cash to procure common carrier transportation services?

You must establish procedures to encourage travelers to use the GSA individual Government contractor-issued travel charge card(s), or your agency’s centrally billed or other established account, or a GTR (when no other option is available or feasible).

Temporary Duty (TDY) Travel Allowances

§ 301–72.301 How do we process unused, partially used, and exchanged tickets?

(a) For unused or partially used tickets purchased with GTRs: You must obtain the unused or partially used ticket from the traveler, issue Standard Form 1170 (SF 1170) “Redemption of Unused Ticket” to the airline and or travel agency that issued the ticket, maintain a suspense file to monitor the airline/travel agency refund, and record and deposit the airline/travel agency refund upon receipt. See 41 CFR 102–118.145 and the U.S. Government Passenger Transportation Handbook (http://fss.gsa.gov/transtrav/usgpth.pdf) for policies and procedures regarding the use of SF 1170.

(b) For unused or partially used tickets purchased under centrally billed accounts: You must obtain the unused ticket from the traveler, return it to the issuing office that furnished the airline ticket, obtain a receipt indicating a credit is due, and confirm that the value of the unused ticket has been credited to the centrally billed account.

(c) For exchanged tickets purchased with GTRs: You must obtain the airline/travel agency refund application or receipt from the traveler, and maintain a suspense file to monitor the airline/travel agency refund.
