These instructions are operating procedures to assist officers and employees in carrying out their responsibilities, and are not regulations establishing program requirements which are binding upon members of the general public.

The Service will also provide medically indicated services to non-Indian members of an eligible Indian's household if the medical officer in charge determines that this is necessary to control acute infectious disease or a public health hazard.

(2) Generally, an individual may be regarded as within the scope of the Indian health and medical service program if he/she is regarded as an Indian by the community in which he/she lives as evidenced by such factors as tribal membership, enrollment, residence on tax-exempt land, ownership of restricted property, active participation in tribal affairs, or other relevant factors in keeping with general Bureau of Indian Affairs practices in the jurisdiction.

(b) *Doubtful cases.* (1) In case of doubt as to whether an individual applying for care is within the scope of the program, the medical officer in charge shall obtain from the appropriate BIA officials in the jurisdiction information that is pertinent to his/her determination of the individual's continuing relationship to the Indian population group served by the local program.

(2) If the applicant's condition is such that immediate care and treatment are necessary, services shall be provided

Subpart K—Indian Child Protection and Family Violence Prevention

SOURCE: 67 FR 59467, Sept. 23, 2002, unless otherwise noted.

§ 136.401 Purpose.

(a) The purpose of the regulations in this subpart is to establish minimum standards for Federal employees working in the Indian Health Service (IHS), including standards of character to ensure that individuals having regular contact with or control over Indian children have not been convicted of certain types of crimes as mandated by section 408 of the Indian Child Protection and Family Violence Prevention

§ 136.402

Act (the “Act”), Public Law (Pub. L.) 101-630, 104 Stat. 4544, 25 U.S.C. 3201-3211, as amended by section 814 of the Native American Laws Technical Corrections Act of 2000. In order to implement these minimum standards of character, these regulations also address:

(1) The efficiency standards to ensure that individuals are qualified for the positions they hold or seek, as mandated by Section 408 of the Act.

(2) Fitness standards to ensure child care service employees are fit to have responsibility for the safety and well-being of children, as mandated by Section 231 of the Crime Control Act of 1990, Pub. L. 101-647, 42 U.S.C. 13041.

(3) Suitability standards to ensure that individuals have not acted in a manner that places others at risk or raised questions about their trustworthiness, as mandated by 5 CFR part 731.

(b) The Act requires that Tribes or Tribal organizations who receive funds under the Indian Self-Determination and Education Assistance Act (ISDEA), Pub. L. 93-638, employ individuals in positions involving regular contact with or control over Indian children only if the individuals meet standards of character no less stringent than those prescribed under these regulations. Thus, the minimum standards of character as defined in these regulations will become the basis for Tribes or Tribal organizations to use when developing their own minimum standards of character that cannot be less stringent than as prescribed herein.

§ 136.402 Policy.

In enacting the Indian Child Protection and Family Violence Prevention Act, (the “Act”) the Congress recognized there is no resource more vital to the continued existence and integrity of Indian Tribes than their children and that the United States has a direct interest, as trustee, in protecting Indian children who are members of, or are eligible for membership in, an Indian Tribe. The minimum standards of character as prescribed by the regulations in this subpart are intended to ensure that Indian children are protected.

42 CFR Ch. I (10-1-10 Edition)

§ 136.403 Definitions.

Crimes against Persons means a crime that has as an element the use, attempted use, or threatened use of physical force or other abuse of a person and includes, but is not limited to, homicide; assault; kidnapping; false imprisonment; reckless endangerment; robbery; rape; sexual assault, molestation, exploitation, contact, or prostitution; and other sexual offenses. In determining whether a crime falls within this category, the applicable Federal, State, or Tribal law under which the individual was convicted or pleaded guilty or nolo contendere shall be controlling.

Crimes of violence means a crime that has as an element the use, attempted use, or threatened use of physical force against the person or property of another, or any other crime that is a felony and that, by its nature, involves substantial risk that physical force against the person or property of another may be used in the course of committing the crime. In determining whether a crime falls within this category, reference may be made to the applicable Federal, State, or Tribal law under which the individual was convicted or pleaded guilty or nolo contendere.

Indian means any individual who is a member of an Indian Tribe, as defined below.

Indian child means any unmarried person under the age of eighteen who is either a member of an Indian Tribe or eligible for membership in an Indian Tribe and is the biological child of a member of an Indian Tribe.

Indian Tribe means any Indian Tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, 43 U.S.C. 1601 *et seq.*, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

Individuals means persons with duties and responsibilities that involve regular contact with or control over Indian children and includes but is not limited to the following:

(a) Persons in the competitive or expected service (including temporary employment), the Commissioned Corps, or the Senior Executive Service in the IHS;

(b) Persons who perform service for or under the supervision of the IHS while being permanently assigned to another IHS office or to another organization, such as a Federal agency, State, or Tribe;

(c) Persons who volunteer to perform services in IHS facilities;

(d) Persons who contract with the IHS to perform services in IHS facilities.

Must or shall indicates a mandatory or imperative act or requirement.

Offenses against children means any felonious or misdemeanor crime under Federal, State, or Tribal law committed against a victim that has not attained the age of eighteen years. In determining whether a crime falls within this category, the applicable Federal, State, or Tribal law under which the individual was convicted or pleaded guilty or nolo contendere shall be controlling.

Regular contact with or control over an Indian child means responsibility for an Indian child(ren) within the scope of the individual's duties and responsibilities or contact with an Indian child(ren) on a recurring and foreseeable basis.

Tribal Organization as defined in the ISDEA, means the recognized governing body of any Indian Tribe or any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities.

§ 136.404 What does the Indian Child Protection and Family Violence Prevention Act require of the IHS and Indian Tribes or Tribal organizations receiving funds under the ISDEA?

(a) The IHS must compile a list of all authorized positions with duties and responsibilities that involve regular contact with or control over Indian children; investigate the character of

each individual who is employed or is being considered for employment in such a position; and prescribe minimum standards of character that each individual must meet to be appointed or employed in such positions.

(b) All Indian Tribes or Tribal organizations receiving funds under the authority of the ISDEA must identify those positions that permit regular contact with or control over Indian children; conduct an investigation of the character of each individual who is employed or is being considered for employment in a position that involves regular contact with or control over Indian children; and employ only individuals who meet standards of character that are no less stringent than those prescribed by regulations in this subpart.

§ 136.405 What are the minimum standards of character for individuals placed in, or applying for, a position that involves regular contact with or control over Indian children?

The minimum standards of character shall mean a benchmark of moral, ethical, and emotional strengths established by character traits and past conduct to ensure that the individual is competent to complete his/her job without harm to Indian children. In order to protect Indian children, the IHS has established minimum standards of character requiring completion of a satisfactory background investigation that ensures that no individuals who have been found guilty of, or entered a plea of nolo contendere or guilty to, any felonious offense or any of two or more misdemeanor offenses under Federal, State, or Tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact, or prostitution; crimes against persons; or offenses committed against children, are placed in positions involving regular contact with or control over Indian children.

§ 136.406 Under what circumstances will the minimum standards of character be considered to be met?

The minimum standards of character shall be considered met only after the individual has been the subject of a satisfactory background investigation.

§ 136.407

42 CFR Ch. I (10–1–10 Edition)

The background investigation shall include a review of:

(a) The individual's trustworthiness, through inquiries with the individual's references and places of employment and education;

(b) A criminal history background check, which includes a fingerprint check through the Criminal Justice Information Services Division of the Federal Bureau of Investigation (FBI), under procedures approved by the FBI, and inquiries to State and Tribal law enforcement agencies for the previous five years of residence listed on the individual's application; and

(c) A determination as to whether the individual has been found guilty of or entered a plea of nolo contendere or guilty to any felonious offense or any of two or more misdemeanor offenses under Federal, State, or Tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact, or prostitution; crimes against persons; or offenses committed against children.

§ 136.407 Under what circumstances should a conviction, or plea of nolo contendere or guilty to, be considered if there has been a pardon, expungement, set aside, or other court order of the conviction or plea?

All convictions or pleas of nolo contendere or guilty to should be considered in making a determination unless a pardon, expungement, set aside or other court order reaches the plea of guilty, plea of nolo contendere, or the finding of guilt.

§ 136.408 What are other factors, in addition to the minimum standards of character, that may be considered in determining placement of an individual in a position that involves regular contact with or control over Indian children?

(a) All Federal employees are subject to suitability criteria contained in 5 CFR part 731 as a condition of employment.

(b) Section 231 of the Crime Control Act of 1990, Pub. L. 101-647, 42 U.S.C. 13041, provides that an individual may be disqualified from consideration or continuing employment if such individual has been convicted of a sex

crime, an offense involving a child victim or a drug felony, or any other crime if such conviction bears on an individual's fitness to have responsibility for the safety and well-being of children.

(c) Tribes or Tribal organizations may but are not required to apply additional criteria in determining whether an individual is suitable for a position with duties and responsibilities that involve regular contact with or control over Indian children. Any additional suitability criteria established by Tribes or Tribal organizations beyond the minimum standards of character described in §136.405 and §136.406 would be determined by each individual Tribe or Tribal organization in accordance with its own personnel policies and procedures.

§ 136.409 What positions require a background investigation and determination of eligibility for employment or retention?

(a) All positions that allow an individual regular contact with or control over Indian children are subject to a background investigation and determination of eligibility for employment. The IHS has compiled a list of positions within the agency in which the duties and responsibilities could involve regular contact with or control over Indian children. The list will be periodically updated and made available at all IHS Personnel Offices upon request. Positions should be reviewed on a case-by-case basis to determine whether the individual in that position has regular contact with or control over Indian children.

(b) Tribes and Tribal organizations may use the list compiled by the IHS or develop their own procedures to determine within their program those positions that involve regular contact with or control over Indian children.

§ 136.410 Who conducts the background investigation and prepares determinations of eligibility for employment?

(a) The IHS must use the Office of Personnel Management (OPM) to conduct background investigations for Federal employees. The IHS must designate qualified security personnel to

adjudicate the results of background investigations.

(b) Indian Tribes and Tribal organizations may conduct their own background investigations, contract with private firms, or may request that a Federal or State agency conduct investigations. (FBI criminal history record information, however, may only be received or evaluated by governmental agencies, including Tribes or Tribal organizations as defined in these regulations at §136.403, and may not be disseminated to private entities.)

§ 136.411 Are the requirements for IHS adjudication different from the requirements for Indian Tribes and Tribal organizations?

Yes, in conducting background investigations and adjudicating eligibility for employment in Tribal positions that allow regular contact with or control over Indian children, Indian Tribes or Tribal organizations may, but are not required to, adopt portions of the rules in this subpart that are specifically applicable to employment with the IHS.

§ 136.412 What questions must the IHS ask as part of the background investigation?

(a) Applications for employment with the IHS must include the following questions:

(1) Has the individual been arrested or charged with a crime involving a child? If yes, the individual must provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.

(2) Has the individual ever been found guilty of, or entered a plea of nolo contendere or guilty to, any felonious or misdemeanor offense, under Federal, State, or Tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact, or prostitution; crimes against persons; or offenses committed against children? If yes, the individual must provide an explanation of the violation, place of occurrence, date and disposition of the court proceeding, and the name and address of the police department or court involved.

(b) The IHS must require that the individual sign, under penalty of perjury, a statement verifying the truth of all information provided in the employment application and acknowledging that knowingly falsifying or concealing a material fact is a felony that may result in fines up to \$10,000 or five years imprisonment, or both.

(c) The IHS must inform the individual that a criminal history record check is a condition of employment and require the individual to consent in writing to a criminal history record check.

§ 136.413 What protections must the IHS and Tribes or Tribal organizations provide to individuals undergoing a background investigation?

(a) The IHS must comply with all policies, procedures, criteria, and guidance contained in other appropriate guidelines, such as the OPM policies, procedures, criteria, and guidance. Questions asked in §136.412 will be added as an addendum to item #16 of the OPM Optional Form 306, "Declaration for Federal Employment." The information is collected as part of the OPM Optional Form 306 and is safeguarded in accordance with Privacy Act provisions.

(b) Indian Tribes and Tribal organizations must comply with the privacy requirements of the Federal, State, or other Tribal agency providing the background investigations. Indian Tribes and Tribal organizations may establish their own procedures that safeguard information derived from background investigations.

§ 136.414 How does the IHS determine eligibility for placement or retention of individuals in positions involving regular contact with Indian children?

(a) Adjudication is the process IHS uses to determine eligibility for placement or retention of individuals in positions involving regular contact with Indian children. The adjudication process protects the interests of the employer and the right of applicants and employees. Adjudication requires uniform evaluation to ensure fair and consistent judgment.

(b) Each case is judged on its own merits. All available information, both

§ 136.415

42 CFR Ch. I (10–1–10 Edition)

favorable and unfavorable, should be considered and assessed in terms of accuracy, completeness, relevance, seriousness, overall significance, and how similar cases have been handled in the past.

(c) The adjudicating official who conducts the adjudication must first have been the subject of a favorable background investigation.

(d) Each adjudicating official must be thoroughly familiar with all laws, regulations, and criteria involved in making a determination for eligibility.

(e) The adjudicating official must review the background investigation to determine the character, reputation, and trustworthiness of the individual. At a minimum, the background investigation must:

(1) Review each security investigation form and employment application and compare the information provided.

(2) Review the results of written record searches requested from local law enforcement agencies, former employers, former supervisors, employment references, and schools.

(3) Review the results of the fingerprint charts maintained by the FBI or other law enforcement information maintained by other agencies.

(4) Review any other information obtained through a background investigation, including the results of searches by State human services agencies, the OPM National Agency Check and Inquiries, the OPM Security/Suitability Investigations Index, and the Defense Clearance and Investigations Index.

(5) Determine whether the individual has been found guilty of, or entered a plea of *nolo contendere* or guilty to, any felonious offense, or any of two or more misdemeanor offenses under Federal, State, or Tribal law, involving crimes of violence; sexual assault, molestation, exploitation, contact, or prostitution; crimes against persons; or offenses committed against children.

(f) After an opportunity has been afforded the individual to respond, pursuant to §136.415, and it is adjudicated that the individual has been found guilty of or entered a plea of *nolo contendere* or guilty to an enumerated offense under paragraph (e)(5) of this section, that individual shall not be placed or retained in a position involv-

ing regular contact with or control over Indian children.

(g) For individuals who have been determined to be ineligible for employment in positions having regular contact with or control over Indian children, the IHS may use Federal adjudicative standards to certify that an individual is suitable for employment in a position, if available, that does not involve regular contact with or control over Indian children. The adjudicating official must determine that the individual's prior conduct will not interfere with the performance of duties and will not create a potential risk to the safety and well-being of any Indian children after consideration of the following factors:

(1) The nature and seriousness of the conduct in question.

(2) The recency and circumstances surrounding the conduct in question.

(3) The age of the individual at the time of the incident.

(4) Societal conditions that may have contributed to the nature of the conduct.

(5) The probability that the individual will continue the type of behavior in question.

(6) The individual's commitment to rehabilitation and a change in the behavior in question.

(7) The degree of public trust and the possibility the public would be placed at risk if the individual is appointed to the position.

§136.415 What rights does an individual have during this process?

(a) The individual must be provided an opportunity to explain, deny, or refute unfavorable and incorrect information gathered in an investigation, before the adjudication is final. He/she should receive a written summary of all derogatory information and be informed of the process for explaining, denying, or refuting unfavorable information.

(b) The adjudicating officials must not release the actual background investigative report to an individual. However, they may issue a written summary of the derogatory information.

(c) The individual who is the subject of a background investigation may request, to the extent permissible by law, a copy of the reports from the originating (Federal, State, or other Tribal) agency and challenge the accuracy and completeness of any information maintained by that agency.

(d) The results of an investigation cannot be used for any purpose other than to determine eligibility for employment in a position that involves regular contact with or control over Indian children.

(e) Investigative reports contain information of a highly personal nature and must be maintained confidentially and secured in locked files. Investigative reports must be seen only by those officials who, in performing their official duties, need to know the information contained in the report.

§ 136.416 When should the IHS deny employment or dismiss an employee?

The IHS must deny employment to an individual or dismiss an employee, when the duties and responsibilities of the position the individual person would hold or holds involve regular contact with or control over Indian children, and it has been adjudicated, pursuant to § 136.414 and § 136.415, that the individual has been found guilty of, or entered a plea of guilty or nolo contendere to, any felonious offense, or any of two or more misdemeanor offenses, under Federal, State or Tribal law involving a crime of violence; sexual assault, molestation, exploitation, contact, or prostitution; crimes against persons; or offenses committed against children. The IHS has the discretion to place such an individual in a position, if available, that does not involve regular contact with or control over Indian children, if a determination has been made that such placement would not put Indian children at risk and the individual would be able to perform the duties and responsibilities of this position.

§ 136.417 May the IHS hire individuals pending completion of a background investigation?

Pursuant to section 231 of the Crime Control Act of 1990, Pub. L. 101-647, 42

U.S.C. 13041, as amended by Pub. L. 102-190, the IHS may hire provisionally individuals as defined in these regulations, prior to the completion of a background investigation if, at all times prior to receipt of the background investigation during which children are in the care of the individual, the individual is within the sight and under the supervision of a staff person and a satisfactory background investigation has been completed on that staff person.

§ 136.418 What should the IHS do if an individual has been charged with an offense but the charge is pending or no disposition has been made by a court?

(a) The IHS may deny the applicant employment until the charge has been resolved.

(b) The IHS may deny the employee any on-the-job contact with children until the charge is resolved.

(c) The IHS may detail or reassign the employee to other duties that do not involve regular contact with children.

(d) The IHS may place the employee on indefinite suspension, in accordance with statutory and regulatory requirements, until the court has disposed of the charge.

§ 136a.12 Persons to whom health services will be provided.

(a) Subject to the requirements of this subpart, the Indian Health Service will provide direct services at its facilities, and contract health services, as medically indicated, and to the extent that funds and resources allocated to the particular Health Service Delivery Area permit, to persons of Indian or Alaska Native descent who:

(1) Are members of a federally recognized Indian tribe; and

(3) Are not members of a federally recognized Indian tribe but are the natural minor children (18 years old or under) of a member of a Federally recognized tribe and reside within a Health Service Delivery Area designated under § 36a.15.

(b) Subject to the requirements of this subpart, the Indian Health Service will also provide direct services at its facilities and, except where otherwise provided, contract health services, as medically indicated and to the extent that funds and resources allocated to the particular Health Service Delivery Area permit, to people in the circumstances listed below:

Contract health services may not be authorized for these individuals;

(2) To a non-Indian woman pregnant with an eligible Indian's child but only during the period of her pregnancy through post-partum (generally about 6 weeks after delivery). In cases where the woman is not married to the eligible Indian under applicable state or tribal law, paternity must be acknowledged in writing by the Indian or determined by order of a court of competent jurisdiction;

(3) To non-Indian members of an eligible Indian's household if the medical officer in charge determines that the health services are necessary to control acute infectious disease or a public health hazard; and

(4) To an otherwise eligible person for up to 90 days after the person ceases to reside in a Health Service Delivery Area when the Service Unit Director has been notified of the move.

(c) Contract health services will not be authorized when and to the extent that Indian Health Service or Indian Health Service funded facilities are available to provide the needed care. When funds are insufficient to provide the volume of contract health services needed by the service population, the Indian Health Service shall determine service priorities on the basis of medical need.

(d) The Indian Health Service may provide direct services at its facilities on a fee-for-service basis to persons who are not beneficiaries under paragraphs (a) and (b) of this section under a number of authorities including the following:

provision of services to Indian and Alaska Native beneficiaries; and

(3) To non-beneficiaries residing within the Health Service Delivery Area when approved by the tribe or tribes located on the reservation but only to the extent that providing services does not interfere with or restrict the provision of services to Indian and Alaska Native beneficiaries.

(b) In non-emergency cases, a sick or disabled Indian, or an individual or agency acting on behalf of the Indian, or the medical care provider shall, prior to the provision of medical care and services, notify the appropriate ordering official of the need for services and supply information that the ordering official deems necessary to determine the relative medical need for the services and the individual's eligibility. The requirement for notice prior to providing medical care and services under this paragraph may be waived by the ordering official if:

(1) Such notice and information is provided within 72 hours after the beginning of treatment or admission to a health care facility; and

(2) The ordering official determines that giving of notice prior to obtaining the medical care and services was impracticable or that other good cause exists for the failure to provide prior notice.

appropriate ordering official of the fact of the admission or treatment, together with information necessary to determine the relative medical need for the services and the eligibility of the Indian for the services. The 72-hour period may be extended if the ordering official determines that notification within the prescribed period was impracticable or that other good cause exists for the failure to comply.

The appeal shall be in writing and shall set forth the grounds supporting the appeal.

(c) If the original or reconsidered decision is affirmed on appeal by the area or program director, the applicant shall be so notified in writing and advised that a further appeal may be taken to the Director, Indian Health Service, within 30 days of receipt of the notice. The appeal shall be in writing and shall set forth the grounds supporting the appeal. The decision of the Director, Indian Health Service, shall constitute final administrative action.

§ 136a.15 Health Service Delivery Areas.

(a) The Indian Health Service will designate and publish as a notice in the FEDERAL REGISTER specific geographic areas within the United States including Federal Indian reservations and areas surrounding those reservations as Health Service Delivery Areas.

(b) The Indian Health Service may, after consultation with all the Indian tribes affected, redesignate the boundaries of any Health Service Delivery Area followed by publication of a notice in the FEDERAL REGISTER. Any redesignation of a Health Service Delivery area will include the reservation, and those areas close to the reservation boundaries which can reasonably be considered part of the reservation service area based on consideration of the following factors:

(1) The number of persons residing in the off-reservation area who would be eligible under § 36a.12(a) (1) and (3).

(2) The number of persons residing in the off-reservation area who have traditionally received health services from the Indian Health Service and whose eligibility for services would be affected;

(3) The geographic proximity of the off-reservation area to the reservation; and

(4) Whether the Indians residing in the off-reservation area can be expected to need and to use health services provided by the Indian Health Service given the alternate resources (health facilities and payment sources) available and accessible to them.

(c) Notwithstanding paragraphs (a) and (b) of this section, the Indian Health Service may designate States, subdivisions of States such as counties or towns, or other identifiable geographic areas such as census divisions or zip code areas, as Health Service Delivery Areas where reservations are nonexistent, or so small and scattered and the eligible Indian population so widely dispersed that it is inappropriate to use reservations as the basis for defining the Health Service Delivery Area.

(d) Any Indian tribal government may request a change in the boundaries of the Health Service Delivery

§ 136a.16

Area. Such a request should be supported by documentation related to the factors for consideration set out in paragraph (b) of this section and shall include documentation of any consultation with or notification of other affected or nearby tribes. The request shall be submitted to the appropriate Area Director(s) who shall afford all Indian tribes affected the opportunity to express their views orally and in writing. The Area Director(s) shall then submit the request, including all comments, together with the Area's recommendation and independent findings or verification of the factors set out in paragraph (b) of this section, to the Indian Health Service Director or to the Director's designee for the Indian Health Service decision. The decision of the Indian Health Service Director or the Director's designee shall constitute final agency action on the tribe's request. Changes in the boundaries of Health Service Delivery Areas will be published in the FEDERAL REGISTER.

[52 FR 35049, Sept. 16, 1987, as amended at 65 FR 53914, Sept. 6, 2000]

§ 136a.16 Beneficiary Identification Cards and verification of tribal membership.

(a) The Indian Health Service will issue Beneficiary Identification Cards as evidence of beneficiary status to persons who are currently eligible for services under §36a.12(a). Persons requesting Beneficiary Identification Cards must submit or have on file evidence satisfactory to the Indian Health Service of tribal membership and residence within a Health Service Delivery Area. The absence of a Beneficiary Identification Card will not preclude an otherwise eligible Indian from obtaining services though it may delay the administrative determination that an individual is eligible for services on a no charge basis.

(b) For establishing eligibility or obtaining a Beneficiary Identification Card, applicants must demonstrate that they are members of a federally recognized tribe. Membership in a federally recognized tribe is to be determined by the individual tribe or the

42 CFR Ch. I (10-1-10 Edition)

Bureau of Indian Affairs. Therefore, the Indian Health Service will recognize two methods of demonstrating tribal membership:

(1) Documentation that the applicant meets the requirements of tribal membership as prescribed by the charter, articles of incorporation, or other legal instruments or traditional processes of the tribe and has been officially designated a tribal member by an authorized tribal official or body; or

(2) Certification of tribal enrollment or membership by the Secretary of the Interior acting through the Bureau of Indian Affairs.

(c) Demonstrating membership in a federally recognized tribe is the responsibility of the applicant. However, the Indian Health Service may consult with the appropriate tribe or the Bureau of Indian Affairs on outstanding questions regarding an applicant's tribal membership if the Indian Health Service has some documentation that it believes may be helpful to the tribe or the Bureau of Indian Affairs in making their determination.

§ 136a.33 Grace period.

(a) Upon the effective date referred to in §36a.32(a), individuals who would lose their eligibility under the new eligibility regulations published on September 16, 1987, and who have made use of an Indian Health Service of Indian Health Service funded service within three years prior to September 16, 1987 (date of publication of the new eligibility regulations) shall retain their eligibility for a six month grace period ending September 16, 1988. (a) Individuals who lose their eligibility on September 16, 1988, (end of the grace period) and on that date are actively undergoing treatment may still be provided services for a limited period in the following circumstances;

(1) Inpatients in IHS and IHS funded facilities and those receiving inpatient care under contract, including contract health services, may continue to receive such care and necessary follow-up services at Indian Health Service expense until the need for hospitalization and follow-up services has ended as determined by the responsible Indian Health Service or tribal physician, all other conditions being met including medical priorities;

(2) Those actively undergoing a course of outpatient treatment either in Indian Health Service and Indian Health Service funded facilities or through contract health services, termination of which would impair the health of the individual patient, may continue to receive the treatment at Indian Health Service expense for a reasonable length of time, until the course of treatment reaches a point where it may safely be terminated or the patient transferred to other providers as determined by the responsible Indian Health Service or tribal physician, all other conditions being met including medical priorities.

(3) Those under treatment for chronic degenerative conditions may be provided additional treatment at Indian Health Service expense for no longer than 1 year beyond the end of the grace period notwithstanding any determination that it was otherwise safe to transfer treatment to other providers, all other conditions being met including medical priorities.

(b) All patients receiving care under paragraph (a) of this section shall be notified in writing that, after discharge from care provided under any of the above circumstances, they will no longer be eligible for services as Indian Health Service beneficiaries. Such notice shall include an explanation of their appeal rights as provided in §36a.14 of this part. These patients shall be offered assistance in locating other health care providers and medical assistance programs.

(4) The Tribal Self-Governance Demonstration Project, established under title III of the Indian Self-Determination Act (ISDA) [25 U.S.C. 450f note] was designed to improve and perpetuate the government-to-government relationship between Indian Tribes and the United States and to strengthen Tribal control over Federal funding and program management;

(5) Although the Federal Government has made considerable strides in improving Indian health care, it has failed to fully meet its trust responsibilities and to satisfy its obligations to the Indian Tribes under treaties and other laws; and

(6) Congress has reviewed the results of the Tribal Self-Governance Demonstration Project and finds that transferring full control and funding to Tribal governments, upon Tribal request, over decision making for Federal PSFAs:

(i) Is an appropriate and effective means of implementing the Federal policy of government-to-government relations with Indian Tribes; and

(ii) Strengthens the Federal policy of Indian self-determination.

(b) According to section 3 of Pub. L. 106-260, Congress has declared its policy to:

(1) Permanently establish and implement Tribal Self-Governance within the DHHS;

(2) Call for full cooperation from the DHHS and its constituent agencies in the implementation of Tribal Self-Governance to—

(i) Enable the United States to maintain and improve its unique and continuing relationship with, and responsibility to, Indian Tribes;

(ii) Permit each Indian Tribe to choose the extent of its participation in self-governance in accordance with the provisions of the ISDA relating to the provision of Federal services to Indian Tribes;

(iii) Ensure the continuation of the trust responsibility of the United States to Indian Tribes and Indians;

(iv) Affirm and enable the United States to fulfill its obligations to the Indian Tribes under treaties and other laws;

(v) Strengthen the government-to-government relationship between the United States and Indian Tribes through direct and meaningful consultation with all Tribes;

(vi) Permit an orderly transition from Federal domination of programs and services to provide Indian Tribes with meaningful authority, control, funding, and discretion to plan, conduct, redesign, and administer PSFAs that meet the needs of the individual Tribal communities;

(vii) Provide for a measurable parallel reduction in the Federal bureaucracy as programs, services, functions, and activities (or portion thereof) are assumed by Indian Tribes;

§ 137.3

(e) According to section 515(b) of the Act [25 U.S.C. 458aaa–14(b)], Congress has declared that nothing in the Act shall be construed to diminish in any way the trust responsibility of the United States to Indian Tribes and individual Indians that exists under treaties, Executive orders, or other laws and court decisions.

(f) According to section 507(g) of the Act [25 U.S.C. 458aaa–6(g)], Congress has declared that the Secretary is prohibited from waiving, modifying, or diminishing in any way the trust responsibility of the United States with respect to Indian Tribes and individual Indians that exists under treaties, Executive orders, other laws, or court decisions.

(g) According to section 515(c) of the Act [25 U.S.C. 458aaa–14(c)], Congress has declared that the Indian Health Service (IHS) under this Act shall neither bill nor charge those Indians who may have the economic means to pay

for services, nor require any Tribe to do so. Nothing in this section shall impair the right of the IHS or an Indian Tribe to seek recovery from third parties section 206 of the Indian Health Care Improvement Act [25 U.S.C. 1621e], under section 1 of the Federal Medical Care Recovery Act [42 U.S.C. 2651], and any other applicable Federal, State or Tribal law.

(c) Mandating an Indian Tribe to apply for a compact(s) or grant(s) as described in the Act; or

(d) Impeding awards by other Departments and agencies of the United States to Indian Tribes to administer Indian programs under any other applicable law.

§ 137.4 May Title V be construed to limit or reduce in any way the funding for any program, project, or activity serving an Indian Tribe under this or other applicable Federal law?

No, if an Indian Tribe alleges that a compact or funding agreement violates section 515(a) of the Act [25 U.S.C. 458aaa–14(a)], the Indian Tribe may apply the provisions of section 110 of the Act [25 U.S.C. 450m–1].

§ 137.5 Effect of these regulations on Federal program guidelines, manual, or policy directives.

Unless expressly agreed to by the Self-Governance Tribe in the compact or funding agreement, the Self-Governance Tribe shall not be subject to any agency circular, policy, manual, guidance, or rule adopted by the IHS, except for the eligibility provisions of section 105(g) of the Act [25 U.S.C. 450j(g)] and regulations promulgated under section 517 of the Act [25 U.S.C. 458aaa-16(e)].

Stable base funding amounts are subject to adjustment:

- (a) Annually only to reflect changes in Congressional appropriations by sub-sub activity excluding earmarks;
- (b) By mutual agreement of the Self-Governance Tribe and the Secretary; or
- (c) As a result of full or partial recession or reassumption.

§ 137.124 Does the effective period of a stable base budget have to be the same as the term of the funding agreement?

new programs on the same basis as other Indian Tribes.

HEALTH STATUS REPORTS

§ 137.200 Are there reporting requirements for Self-Governance Tribes under Title V?

Yes, compacts or funding agreements negotiated between the Secretary and a Self-Governance Tribe must include a provision that requires the Self-Governance Tribe to report on health status and services delivery. These reports may only impose minimal burdens on the Self-Governance Tribes.

§ 137.201 What are the purposes of the Tribal reporting requirements?

Tribal reports enable the Secretary to prepare reports required under Title V and to develop the budget request. The reporting requirements are not intended as a quality assessment or monitoring tool, although such provision may be included at the option of the Self-Governance Tribe. Under no circumstances will the reporting requirements include any confidential, proprietary or commercial information. For example, while staffing levels may be a part of a report, pay levels for the staff are considered confidential between the Self-Governance Tribe and the employee.

§ 137.202 What types of information will Self-Governance Tribes be expected to include in the reports?

Reports will be derived from existing minimal data elements currently collected by Self-Governance Tribes, and may include patient demographic and workload data. Not less than 60 days prior to the start of negotiations or a mutually agreed upon timeframe, the IHS will propose a list of recommended minimal data elements, along with justification for their inclusion, to be used as a basis for negotiating these requirements into the Self-Governance Tribe's compact or funding agreement.

§ 137.203 May a Self-Governance Tribe participate in a voluntary national uniform data collection effort with the IHS?

§ 137.205 Will this voluntary uniform data set reporting activity be required of all Self-Governance Tribes entering into a compact with the IHS under Title V?

No, to the extent that specific resources are available or have not otherwise been provided to Self-Governance Tribes for this purpose, and if the Self-Governance Tribes choose to participate, the IHS will provide resources, hardware, software, and technical assistance to the Self-Governance Tribes to facilitate data gathering to ensure data consistency and integrity under this voluntary effort.

§ 137.206 Why does the IHS need this information?

This information will be used to comply with sections 513 [25 U.S.C. 458aaa-12] and 514 [25 U.S.C. 458aaa-13] of the Act as well as to assist IHS in advocating for the Indian health system, budget formulation, and other reporting required by statute, development of partnerships with other organizations that benefit the health status of Indian Tribes, and sharing of best practices.

§ 137.207 Will funding be provided to the Self-Governance Tribe to compensate for the costs of reporting?

Yes, reporting requirements are subject to the Secretary providing specific funds for this purpose in the funding agreement.

SAVINGS

§ 137.210 What happens if self-governance activities under Title V reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings?

To the extent that PSFAs carried out by Self-Governance Tribes under Title V reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of Tribal shares and other funds determined under section 508(c) of the Act [25 U.S.C. 458aaa-7(c)], the Secretary must make such savings available to the Self-Governance Tribes, for the provision of additional services to program beneficiaries in a manner equitable to directly served, contracted, and compacted programs.

§ 137.211 How does a Self-Governance Tribe learn whether self-governance activities have resulted in savings as described in § 137.210.

The annual report prepared pursuant to section 514(b)(2) [25 U.S.C. 458aaa-13(b)(2)] of the Act must specifically identify any such savings.

ACCESS TO GOVERNMENT FURNISHED PROPERTY

§ 137.215 How does a Self-Governance Tribe obtain title to real and personal property furnished by the Federal Government for use in the performance of a compact, funding agreement, construction project agreement, or grant agreement pursuant to section 512(c) of the Act [25 U.S.C. 458aaa-11(c)]?

(a) For government-furnished real and personal property made available to a Self-Governance Tribe, the Self-Governance Tribe must take title to all real or personal property unless the Self-Governance Tribe requests that the United States retain the title.

compact, funding agreement, or construction project agreement.

(2) The Secretary must inspect any real property on the list to determine the presence of any hazardous substance activity, as defined in 41 CFR 101-47.202-2(b)(10).

(3) The Self-Governance Tribe must indicate on the list to the Secretary any items of real property to which the Self-Governance Tribe wants the Secretary to retain title and those items of property to which the Self-Governance Tribe wishes to obtain title. The Secretary must take such steps as necessary to transfer title to the Self-Governance Tribe those items of real property which the Self-Governance Tribe wishes to acquire.

§ 137.226 How does a Self-Governance Tribe request a waiver?

A Self-Governance Tribe may request a waiver by submitting a written request to the Secretary identifying the applicable Federal regulation(s) sought to be waived and the basis for the request.

§ 137.227 How much time does the Secretary have to act on a waiver request?

The Secretary must either approve or deny the requested waiver in writing within 90 days after receipt by the Secretary.

§ 137.228 Upon what basis may the waiver request be denied?

A denial may be made only upon a specific finding by the Secretary that identified language in the regulation may not be waived because such waiver is prohibited by Federal law.

§ 137.229 What happens if the Secretary neither approves or denies a waiver request within the time specified in § 137.227?

The waiver request is deemed approved.

42 CFR Ch. I (10-1-10 Edition)

§ 137.230 Is the Secretary's decision on a waiver request final for the Department?

Yes, the Secretary's decision on a waiver request is final for the Department.

§ 137.231 May a Self-Governance Tribe appeal the Secretary's decision to deny its request for a waiver of a regulation promulgated under section 517 of the Act [25 U.S.C. 458aaa-16]?

The decision may not be appealed under these regulations but may be appealed by the Self-Governance Tribe in Federal Court under applicable law.

(b) the funds referred to in paragraph (a) of this section must be transferred from the funding agreement of the inter-Tribal consortium or Tribal organization, on the condition that the provisions of sections 102 [25 U.S.C. 450f] and 105(i) of the Act [25 U.S.C. 450j], as appropriate, apply to the withdrawing Indian Tribe.

(1) The date of submission of the request, or

(2) The date on which the funding agreement expires; or

(b) Whatever date is mutually agreed upon by the Secretary and the retroceding Self-Governance Tribe.

§ 137.248

§ 137.248 What effect will a retrocession have on a retroceding Self-Governance Tribe's rights to contract or compact under the Act?

A retrocession request shall not negatively affect:

(a) Any other contract or compact to which the retroceding Self-Governance Tribe is a party;

(b) Any other contracts or compacts the retroceding Self-Governance Tribe may request; and

(c) Any future request by such Self-Governance Tribe or an Indian Tribe to compact or contract for the same program.

§ 137.249 Will retrocession adversely affect funding available for the retroceded program?

No, the Secretary shall provide no less than the same level of funding that would have been available if there had been no retrocession.

§ 137.250 How are funds distributed when a Self-Governance Tribe fully or partially retrocedes from its compact or funding agreement?

Any funds not obligated by the Self-Governance Tribe and associated with the Self-Governance Tribe's returned PSFAs, less close out costs, must be returned by the Self-Governance Tribe to IHS for operation of the PSFA's associated with the compact or funding agreement from which the Self-Governance Tribe retroceded in whole or in part.

§ 137.251. What obligation does the retroceding Self-Governance Tribe have with respect to returning property that was provided by the Secretary under the compact or funding agreement and that was used in the operation of the retroceded program?

On the effective date of any retrocession, the retroceding Self-Governance Tribe, shall, at the option of the Secretary, deliver to the Secretary all requested property and equipment provided by the Secretary under the compact or funding agreement, to the extent used to carry out the retroceded PSFAs, which at the time of retrocession has a per item current fair market value, less the cost of improvements borne by the Self-Governance Tribe in

42 CFR Ch. I (10-1-10 Edition)

excess of \$5,000 at the time of the retrocession.

Subpart M—Reassumption

§ 137.255 What does reassumption mean?

Reassumption means rescission by the Secretary without consent of the Self-Governance Tribe of PSFAs and associated funding in a compact or funding agreement and resuming responsibility to provide such PSFAs.

§ 137.256 Under what circumstances may the Secretary reassume a program, service, function, or activity (or portion thereof)?

(a) Subject to the steps in §137.257, the Secretary may reassume a program, service, function, or activity (or portion thereof) and associated funding if the Secretary makes a specific finding relative to that PSFA of:

(1) Imminent endangerment of the public health caused by an act or omission of the Self-Governance Tribe, and the imminent endangerment arises out of a failure to carry out the compact or funding agreement; or

(2) Gross mismanagement with respect to funds transferred to the Self-Governance Tribe by a compact or funding agreement, as determined by the Secretary, in consultation with the Inspector General, as appropriate.

(b) Immediate reassumption may occur under additional requirements set forth in §137.261.

§ 137.257 What steps must the Secretary take prior to reassumption becoming effective?

Except as provided in §137.261 for immediate reassumption, prior to a reassumption becoming effective, the Secretary must:

(a) Notify the Self-Governance Tribe in writing by certified mail of the details of findings required under §137.256(a)(1) and (2);

(b) Request specified corrective action within a reasonable period of time, which in no case may be less than 45 days;

(c) Offer and provide, if requested, the necessary technical assistance and advice to assist the Self-Governance Tribe to overcome the conditions that

led to the findings described under (a); and

(d) Provide the Self-Governance Tribe with a hearing on the record as provided under Subpart P of this part.

§ 137.258 Does the Self-Governance Tribe have a right to a hearing prior to a non-immediate re-assumption becoming effective?

Yes, at the Self-Governance Tribe's request, the Secretary must provide a hearing on the record prior to or in lieu of the corrective action period identified in § 137.257(b).

§ 137.259 What happens if the Secretary determines that the Self-Governance Tribe has not corrected the conditions that the Secretary identified in the notice?

(a) The Secretary shall provide a second written notice by certified mail to the Self-Governance Tribe served by the compact or funding agreement that the compact or funding agreement will be rescinded, in whole or in part.

(b) The second notice shall include:

(1) The intended effective date of the re-assumption;

(2) The details and facts supporting the intended re-assumption; and

(3) Instructions that explain the Indian Tribe's right to a formal hearing within 30 days of receipt of the notice.

§ 137.260 What is the earliest date on which a re-assumption can be effective?

Except as provided in § 137.261, no PSFA may be re-assumed by the Secretary until 30 days after the final resolution of the hearing and any subsequent appeals to provide the Self-Governance Tribe with an opportunity to take corrective action in response to any adverse final ruling.

§ 137.261 Does the Secretary have the authority to immediately re-assume a PSFA?

Yes, the Secretary may immediately re-assume operation of a program, service, function, or activity (or portion thereof) and associated funding upon providing to the Self-Governance Tribe written notice in which the Secretary makes a finding:

(a) of imminent substantial and irreparable endangerment of the public

health caused by an act or omission of the Indian Tribe; and

(b) the endangerment arises out of a failure to carry out the compact or funding agreement.

§ 137.262 If the Secretary re-assumes a PSFA immediately, when must the Secretary provide the Self-Governance Tribe with a hearing?

If the Secretary immediately re-assumes a PSFA, the Secretary must provide the Self-Governance Tribe with a hearing under Subpart P of this part not later than 10 days after such re-assumption, unless the Self-Governance Tribe and the Secretary agree to an extension.

§ 137.263 May the Secretary provide a grant to a Self-Governance Tribe for technical assistance to overcome conditions identified under § 137.257?

Yes, the Secretary may make a grant for the purpose of obtaining technical assistance as provided in section 103 of the Act [25 U.S.C. 458aaa-h].

§ 137.264 To what extent may the Secretary require the Self-Governance Tribe to return property that was provided by the Secretary under the compact or funding agreement and used in the operation of the re-assumed program?

On the effective date of any re-assumption, the Self-Governance Tribe, shall, at the option of the Secretary and only to the extent requested by the Secretary, deliver to the Secretary property and equipment provided by the Secretary under the compact or funding agreement, to the extent the property was used to directly carry out the re-assumed program, service, function, or activity (or portion thereof), provided that at the time of re-assumption the property has a per item current fair market value, less the cost of improvements borne by the Self-Governance Tribe, in excess of \$5,000 at the time of the re-assumption.

§ 137.265 May a Tribe be reimbursed for actual and reasonable close out costs incurred after the effective date of re-assumption?

Yes, a Tribe may be reimbursed for actual and reasonable close out costs

§ 137.270

incurred after the effective date of re-assumption.

Subpart N—Construction

PURPOSE AND SCOPE

§ 137.270 What is covered by this subpart?

This subpart covers IHS construction projects carried out under section 509 of the Act [25 U.S.C. 458aaa-8].

§ 137.271 Why is there a separate subpart in these regulations for construction project agreements?

Construction projects are separately defined in Title V and are subject to a separate proposal and review process. Provisions of a construction project agreement and this subpart shall be liberally construed in favor of the Self-Governance Tribe.

§ 137.272 What other alternatives are available for Self-Governance Tribes to perform construction projects?

Self-Governance Tribes also have the option of performing IHS construction projects under a variety of other legal authorities, including but not limited to Title I of the Act, the Indian Health Care Improvement Act, Public Law 94-437, and Public Law 86-121. This subpart does not cover projects constructed pursuant to agreements entered into under these authorities.

§ 137.273 What are IHS construction PSFAs?

IHS construction PSFAs are a combination of construction projects as defined in §137.280 and construction programs.

§ 137.274 Does this subpart cover construction programs?

No, except as provided in §137.275, this subpart does not cover construction programs such as the:

- (a) Maintenance and Improvement Program;
- (b) Construction program functions; and,
- (c) Planning services and construction management services.

42 CFR Ch. I (10-1-10 Edition)

§ 137.275 May Self-Governance Tribes include IHS construction programs in a construction project agreement or in a funding agreement?

Yes, Self-Governance Tribes may choose to assume construction programs in a construction project agreement, in a funding agreement, or in a combination of the two. These programs may include the following:

- (a) Maintenance and improvement program;
- (b) Construction program functions; and
- (c) Planning services and construction management services.

CONSTRUCTION DEFINITIONS

§ 137.280 Construction Definitions.

ALJ means administrative law judge.
APA means Administrative Procedures Act, 5 U.S.C. 701-706.

Budget means a statement of the funds required to complete the scope of work in a construction project agreement. For cost reimbursement agreements, budgets may be stated using broad categories such as planning, design, construction, project administration, and contingency. For fixed price agreements, budgets may be stated as lump sums, unit cost pricing, or a combination thereof.

Categorical exclusion means a category of actions that do not individually or cumulatively have a significant effect on the human environment and that have been found to have no such effect in procedures adopted by a Federal agency in implementation of these regulations and for which, therefore, neither an environmental assessment nor an environmental impact statement is required. Any procedures under this section shall provide for extraordinary circumstances in which a normally excluded action may have a significant environmental effect.

CEQ means Council on Environmental Quality in the Office of the President.

Construction management services (CMS) means activities limited to administrative support services; coordination; and monitoring oversight of the planning, design, and construction process. CMS activities typically include:

(1) Coordination and information exchange between the Self-Governance Tribe and the Federal Government;

(2) Preparation of a Self-Governance Tribe's project agreement; and

(3) A Self-Governance Tribe's subcontract scope of work identification and subcontract preparation, and competitive selection of construction contract subcontractors.

Construction phase is the phase of a construction project agreement during which the project is constructed, and includes labor, materials, equipment and services necessary to complete the work, in accordance with the construction project agreement.

Construction project means:

(1) An organized noncontinuous undertaking to complete a specific set of predetermined objectives for the planning, environmental determination, design, construction, repair, improvement, or expansion of buildings or facilities described in a project agreement, and

(2) Does not include construction program administration and activities described in sections 4(m)(1) through (3) of the Act [25 U.S.C. 4b(m)(1) through (3)], that may otherwise be included in a funding agreement under section 505 of the Act [25 U.S.C. 458aaa-4].

Construction project agreement means a negotiated agreement between the Secretary and a Self-Governance Tribe, that at a minimum:

(1) Establishes project phase start and completion dates;

(2) Defines a specific scope of work and standards by which it will be accomplished;

(3) Identifies the responsibilities of the Self-Governance Tribe and the Secretary;

(4) Addresses environmental considerations;

(5) Identifies the owner and operations and maintenance entity of the proposed work;

(6) Provides a budget;

(7) Provides a payment process; and

(8) Establishes the duration of the agreement based on the time necessary to complete the specified scope of work, which may be 1 or more years.

Design phase is the phase of a construction project agreement during which project plans, specifications, and

other documents are prepared that are used to build the project. Site investigation, final site selection activities and environmental review and determination activities are completed in this phase if not conducted as a part of the planning phase.

Maintenance and improvement program:

(1) As used in this subpart means the program that provides funds for eligible facilities for the purpose of:

(i) Performing routine maintenance;

(ii) Achieving compliance with accreditation standards;

(iii) Improving and renovating facilities;

(iv) Ensuring that Indian health care facilities meet existing building codes and standards; and

(v) Ensuring compliance with public law building requirements.

(2) The maintenance and improvement program is comprised of routine maintenance and repair funding and project funding. Typical maintenance and improvement projects have historically been funded out of regional or national project pools and may include, but are not limited to, total replacement of a heating or cooling system, remodel of a medical laboratory, removal of lead based paint, abatement of asbestos and abatement of underground fuel storage tanks. Maintenance and repair program funding provided under a funding agreement is not covered under this subpart.

NEPA means the National Environmental Policy Act of 1969 [42 U.S.C. 4321 *et seq.*].

NHPA means the National Historic Preservation Act [16 U.S.C. 470 *et seq.*].

Planning phase is the phase of a construction project agreement during which planning services are provided.

Planning services may include performing a needs assessment, completing and/or verifying master plans, developing justification documents, conducting pre-design site investigations, developing budget cost estimates, conducting feasibility studies as needed, conducting environmental review activities and justifying the need for the project.

SHPO means State Historic Preservation Officer.

§ 137.285

Scope of work or specific scope of work means a brief written description of the work to be accomplished under the construction project agreement, sufficient to confirm that the project is consistent with the purpose for which the Secretary has allocated funds.

THPO means Tribal Historic Preservation Officer.

NEPA PROCESS

§ 137.285 Are Self-Governance Tribes required to accept Federal environmental responsibilities to enter into a construction project agreement?

Yes, under section 509 of the Act [25 U.S.C. 458aaa-8], Self-Governance Tribes must assume all Federal responsibilities under the NEPA of 1969 [42 U.S.C. 4321 *et seq.*] and the National Historic Preservation Act [16 U.S.C. 470 *et seq.*] and related provisions of law that would apply if the Secretary were to undertake a construction project, but only those responsibilities directly related to the completion of the construction project being assumed.

§ 137.286 Do Self-Governance Tribes become Federal agencies when they assume these Federal environmental responsibilities?

No, while Self-Governance Tribes are required to assume Federal environmental responsibilities for projects in place of the Secretary, Self-Governance Tribes do not thereby become Federal agencies. However, because Self-Governance Tribes are assuming the responsibilities of the Secretary for the purposes of performing these Federal environmental responsibilities, Self-Governance Tribes will be considered the equivalent of Federal agencies for certain purposes as set forth in this subpart.

§ 137.287 What is the National Environmental Policy Act (NEPA)?

The NEPA is a procedural law that requires Federal agencies to follow established environmental review procedures, which include reviewing and documenting the environmental impact of their actions. NEPA establishes a comprehensive policy for protection and enhancement of the environment by the Federal Government; creates the Council on Environmental Quality

42 CFR Ch. I (10-1-10 Edition)

in the Office of the President; and directs Federal agencies to carry out the policies and procedures of the Act. CEQ regulations (40 CFR 1500-1508) establish three levels of environmental review: categorical exclusions, environmental assessments, and environmental impact statements.

§ 137.288 What is the National Historic Preservation Act (NHPA)?

The NHPA requires Federal agencies to take into account the effects of their undertakings, such as construction projects, on properties covered by the NHPA, such as historic properties, properties eligible for listing on the National Register of Historic Places, or properties that an Indian Tribe regards as having religious and/or cultural importance. Section 106 of the NHPA [16 U.S.C. 470f] requires Federal agencies to afford the Advisory Council on Historic Preservation, acting through the SHPO or the THPO, a reasonable opportunity to comment on such undertakings.

§ 137.289 What is a Federal undertaking under NHPA?

The Advisory Council on Historic Preservation has defined a Federal undertaking in 36 CFR 800.16(y) as a project, activity, or program funded in whole or in part under the direct or indirect jurisdiction of a Federal agency, including those carried out by or on behalf of a Federal agency; those carried out with Federal financial assistance; those requiring a Federal permit, license or approval; and those subject to State or local regulation administered pursuant to a delegation or approval by a Federal agency.

§ 137.290 What additional provisions of law are related to NEPA and NHPA?

(a) Depending upon the nature and the location of the construction project, environmental laws related to NEPA and NHPA may include:

- (1) Archaeological and Historical Data Preservation Act [16 U.S.C. 469];
- (2) Archeological Resources Protection Act [16 U.S.C. 470aa];
- (3) Clean Air Act [42 U.S.C. 7401];
- (4) Clean Water Act [33 U.S.C. 1251];

(5) Coastal Barrier Improvement Act [42 U.S.C. 4028 and 16 U.S.C. Sec. 3501];

(6) Coastal Barrier Resources Act [16 U.S.C. 3501];

(7) Coastal Zone Management Act [16 U.S.C. 1451];

(8) Comprehensive Environmental Response, Compensation, and Liability Act [42 U.S.C. 9601];

(9) Endangered Species Act [16 U.S.C. 1531 *et seq.*];

(10) Farmland Protection Policy Act [7 U.S.C. 4201 *et seq.*];

(11) Marine Protection, Research, and Sanctuaries Act [33 U.S.C. 1401–1445; 16 U.S.C. 1431–1447F; 33 U.S.C. 2801–2805];

(12) National Historic Preservation Act [16 U.S.C. 470 *et seq.*];

(13) National Trails System Act [16 U.S.C. 1241];

(14) Native American Graves Protection and Repatriation Act [25 U.S.C. 3001];

(15) Noise Control Act [42 U.S.C. 4901];

(16) Resource Conservation and Recovery Act [42 U.S.C. 6901];

(17) Safe Drinking Water Act [42 U.S.C. 300F];

(18) Toxic Substance Control Act [15 U.S.C. 2601];

(19) Wild and Scenic Rivers Act [16 U.S.C. 1271]; and

(20) Wilderness Act [16 U.S.C. 1131].

(b) This section provides a list of environmental laws for informational purposes only and does not create any legal rights or remedies, or imply private rights of action.

§ 137.291 May Self-Governance Tribes carry out construction projects without assuming these Federal environmental responsibilities?

Yes, but not under section 509 of the Act [25 U.S.C. 458aaa–8]. Self-Governance Tribes may otherwise elect to perform construction projects, or phases of construction projects, under other legal authorities (see § 137.272).

§ 137.292 How do Self-Governance Tribes assume environmental responsibilities for construction projects under section 509 of the Act [25 U.S.C. 458aaa–8]?

Self-Governance Tribes assume environmental responsibilities by:

(a) Adopting a resolution or taking an equivalent Tribal action which:

(1) Designates a certifying officer to represent the Self-Governance Tribe and to assume the status of a responsible Federal official under NEPA, NHPA, and related provisions of law; and

(2) Accepts the jurisdiction of the Federal court, as provided in § 137.310 and § 137.311 for purposes of enforcement of the Federal environmental responsibilities assumed by the Self-Governance Tribe; and

(b) Entering into a construction project agreement under section 509 of the Act [25 U.S.C. 458aaa–8].

§ 137.293 Are Self-Governance Tribes required to adopt a separate resolution or take equivalent Tribal action to assume environmental responsibilities for each construction project agreement?

No, the Self-Governance Tribe may adopt a single resolution or take equivalent Tribal action to assume environmental responsibilities for a single project, multiple projects, a class of projects, or all projects performed under section 509 of the Act [25 U.S.C. 458aaa–8].

§ 137.294 What is the typical IHS environmental review process for construction projects?

(a) Most IHS construction projects normally do not have a significant impact on the environment, and therefore do not require environmental impact statements (EIS). Under current IHS procedures, an environmental review is performed on all construction projects. During the IHS environmental review process, the following activities may occur:

(1) Consult with appropriate Tribal, Federal, state, and local officials and interested parties on potential environmental effects;

(2) Document assessment of potential environmental effects; (IHS has developed a form to facilitate this process.)

(3) Perform necessary environmental surveys and inventories;

(4) Consult with the Advisory Council on Historic Preservation, acting through the SHPO or THPO, to ensure compliance with the NHPA;

(5) Determine if extraordinary or exceptional circumstances exist that

§ 137.295

would prevent the project from meeting the criteria for categorical exclusion from further environmental review under NEPA, or if an environmental assessment is required;

(6) Obtain environmental permits and approvals; and

(7) Identify methods to avoid or mitigate potential adverse effects;

(b) This section is for informational purposes only and does not create any legal rights or remedies, or imply private rights of action.

§ 137.295 May Self-Governance Tribes elect to develop their own environmental review process?

Yes, Self-Governance Tribes may develop their own environmental review process or adopt the procedures of the IHS or the procedures of another Federal agency.

§ 137.296 How does a Self-Governance Tribe comply with NEPA and NHPA?

Self-Governance Tribes comply with NEPA and the NHPA by adopting and following:

(a) their own environmental review procedures;

(b) the procedures of the IHS; and/or

(c) the procedures of another Federal agency.

§ 137.297 If the environmental review procedures of a Federal agency are adopted by a Self-Governance Tribe, is the Self-Governance Tribe responsible for ensuring the agency's policies and procedures meet the requirements of NEPA, NHPA, and related environmental laws?

No, the Federal agency is responsible for ensuring its own policies and procedures meet the requirements of NEPA, NHPA, and related environmental laws, not the Self-Governance Tribe.

§ 137.298 Are Self-Governance Tribes required to comply with Executive Orders to fulfill their environmental responsibilities under section 509 of the Act [25 U.S.C. 458aaa-8]?

No, but Self-Governance Tribes may at their option, choose to voluntarily comply with Executive Orders. For facilities where ownership will vest with the Federal Government upon completion of the construction, Tribes and the

42 CFR Ch. I (10-1-10 Edition)

Secretary may agree to include the goals and objectives of Executive Orders in the codes and standards of the construction project agreement.

§ 137.299 Are Federal funds available to cover the cost of Self-Governance Tribes carrying out environmental responsibilities?

Yes, funds are available:

(a) for project-specific environmental costs through the construction project agreement; and

(b) for environmental review program costs through a funding agreement and/or a construction project agreement.

§ 137.300 Since Federal environmental responsibilities are new responsibilities, which may be assumed by Tribes under section 509 of the Act [25 U.S.C. 458aaa-8], are there additional funds available to Self-Governance Tribes to carry out these formerly inherently Federal responsibilities?

Yes, the Secretary must transfer not less than the amount of funds that the Secretary would have otherwise used to carry out the Federal environmental responsibilities assumed by the Self-Governance Tribe.

§ 137.301 How are project and program environmental review costs identified?

(a) The Self-Governance Tribe and the Secretary should work together during the initial stages of project development to identify program and project related costs associated with carrying out environmental responsibilities for proposed projects. The goal in this process is to identify the costs associated with all foreseeable environmental review activities.

(b) If unforeseen environmental review and compliance costs are identified during the performance of the construction project, the Self-Governance Tribe or, at the request of the Self-Governance Tribe, the Self-Governance Tribe and the Secretary (with or without amendment as required by § 137.363) may do one or more of the following:

(1) Mitigate adverse environmental effects;

(2) Alter the project scope of work; and/or

Public Health Service, HHS

(3) Add additional program and/or project funding, including seeking supplemental appropriations.

458aaa-7(f)] and §137.95, subject to the availability of the IHS's capacity to conduct the work.

§ 137.302 Are Federal funds available to cover start-up costs associated with initial Tribal assumption of environmental responsibilities?

§ 137.305 May Self-Governance Tribes act as lead, cooperating, or joint lead agencies for environmental review purposes?

(a) Yes, start-up costs are available as provided in section 508(c) of the Act [25 U.S.C. 458aaa-7(c)]. During the initial year that these responsibilities are assumed, the amount required to be paid under section 106(a)(2) of the Act [25 U.S.C. 450j-1(a)(2)] must include startup costs consisting of the reasonable costs that have been incurred or will be incurred on a one-time basis pursuant to the agreement necessary:

Yes, Self-Governance Tribes assuming Federal environmental responsibilities for construction projects under section 509 of the Act [25 U.S.C. 458aaa-8] are entitled to receive equal consideration, on the same basis as any Federal agency, for lead, cooperating, and joint lead agency status. For informational purposes, the terms "lead," "cooperating," and "joint lead agency" are defined in the CEQ regulations at 40 CFR 1508.16, 1508.5, and 1501.5 respectively.

(1) To plan, prepare for, and assume operation of the environmental responsibilities; and

§ 137.306 How are Self-Governance Tribes recognized as having lead, cooperating, or joint lead agency status?

(2) To ensure compliance with the terms of the agreement and prudent management.

(b) Costs incurred before the initial year that the agreement is in effect may not be included in the amount required to be paid under section 106(a)(2) of the Act [25 U.S.C. 450j-1(a)(2)] if the Secretary does not receive a written notification of the nature and extent of the costs prior to the date on which such costs are incurred.

Self-Governance Tribes may be recognized as having lead, cooperating, or joint lead agency status through funding or other agreements with other agencies. To the extent that resources are available, the Secretary will encourage and facilitate Federal, state, and local agencies to enter into agreements designating Tribes as lead, cooperating, or joint lead agencies for environmental review purposes.

§ 137.303 Are Federal or other funds available for training associated with Tribal assumption of environmental responsibilities?

§ 137.307 What Federal environmental responsibilities remain with the Secretary when a Self-Governance Tribe assumes Federal environmental responsibilities for construction projects under section 509 of the Act [25 U.S.C. 458aaa-8]?

Yes, Self-Governance Tribes may use construction program and project funds for training and program development. Training and program development funds may also be available from other Federal agencies, such as the Environmental Protection Agency and the National Park Service, state and local governments, and private organizations.

(a) All environmental responsibilities for Federal actions not directly related to construction projects assumed by Tribes under section 509 of the Act [25 U.S.C. 458aaa-8] remain with the Secretary. Federal agencies, including the IHS, retain responsibility for ensuring their environmental review procedures meet the requirements of NEPA, NHPA and related provisions of law, as called for in §137.297.

§ 137.304 May Self-Governance Tribes buy back environmental services from the IHS?

(b) The Secretary will provide information updating and changing IHS agency environmental review policy and procedures to all Self-Governance

Yes, Self-Governance Tribes may "buy back" project related services in their construction project agreement, including design and construction engineering, and environmental compliance services from the IHS in accordance with Section 508(f) of the Act [25 U.S.C.

§ 137.308

Tribes implementing a construction project agreement, and to other Indian Tribes upon request. If a Self-Governance Tribe participating under section 509 of the Act [25 U.S.C. 458aaa-8] does not wish to receive this information, it must notify the Secretary in writing. As resources permit, at the request of the Self-Governance Tribe, the Secretary will provide technical assistance to the Self-governance tribe to assist the Self-governance Tribe in carrying out Federal environmental responsibilities.

§ 137.308 Does the Secretary have any enforcement authority for Federal environmental responsibilities assumed by Tribes under section 509 of the Act [25 U.S.C. 458aaa-8]?

No, the Secretary does not have any enforcement authority for Federal environmental responsibilities assumed by Tribes under section 509 of the Act [25 U.S.C. 458aaa-8].

§ 137.309 How are NEPA and NHPA obligations typically enforced?

NEPA and NHPA obligations are typically enforced by interested parties who may file lawsuits against Federal agencies alleging that the agencies have not complied with their legal obligations under NEPA and NHPA. These lawsuits may only be filed in Federal court under the provisions of the APA, 5 U.S.C. 701-706. Under the APA, a Federal judge reviews the Federal agency's actions based upon an administrative record prepared by the Federal agency. The judge gives appropriate deference to the agency's decisions and does not substitute the court's views for those of the agency. Jury trials and civil discovery are not permitted in APA proceedings. If a Federal agency has failed to comply with NEPA or NHPA, the judge may grant declaratory or injunctive relief to the interested party. No money damages or fines are permitted in APA proceedings.

42 CFR Ch. I (10-1-10 Edition)

§ 137.310 Are Self-Governance Tribes required to grant a limited waiver of their sovereign immunity to assume Federal environmental responsibilities under section 509 of the Act [25 U.S.C. 458aaa-8]?

Yes, but only as provided in this section. Unless Self-Governance Tribes consent to the jurisdiction of a court, Self-Governance Tribes are immune from civil lawsuits. Self-Governance Tribes electing to assume Federal environmental responsibilities under section 509 of the Act [25 U.S.C. 458aaa-8] must provide a limited waiver of sovereign immunity solely for the purpose of enforcing a Tribal certifying officer's environmental responsibilities, as set forth in this subpart. Self-Governance Tribes are not required to waive any other immunity.

§ 137.311 Are Self-Governance Tribes entitled to determine the nature and scope of the limited immunity waiver required under section 509(a)(2) of the Act [25 U.S.C. 458aaa-8(a)(2)]?

(a) Yes, Section 509(a)(2) of the Act [25 U.S.C. 458aaa-8(a)(2)] only requires that the waiver permit a civil enforcement action to be brought against the Tribal certifying officer in his or her official capacity in Federal district court for declaratory and injunctive relief in a procedure that is substantially equivalent to an APA enforcement action against a Federal agency. Self-Governance Tribes are not required to subject themselves to suit in their own name, to submit to trial by jury or civil discovery, or to waive immunity for money damages, attorneys fees, or fines.

(b) Self-Governance Tribes may base the grant of a limited waiver under this subpart on the understanding that:

(e) Provide the Self-Governance Tribe with the option of entering into the severable portions of a final proposed construction project agreement (including a lesser funding amount) that the Secretary did not reject, subject to any additional alterations necessary to conform the construction project agreement to the severed provisions. Exercising this option does not affect the Self-Governance Tribe's right to appeal the portion of the final construction project proposal that was rejected by the Secretary.

The IBIA may use the procedures set forth in 43 CFR 4.22-4.27 as a guide.

§ 137.418 How does an Indian Tribe know where and when to file its appeal from decisions made by IHS?

Every decision in any of the areas listed in § 137.415 must contain information which shall tell the Indian Tribe where and when to file the Indian Tribe's appeal. Each decision shall include the following statement:

Within 30 days of the receipt of this decision, you may request an informal conference under 42 CFR 137.421, or appeal this decision under 42 CFR 137.425 to the Interior Board of Indian Appeals (IBIA). Should you decide to appeal this decision, you may request a hearing on the record. An appeal to the IBIA under 42 CFR 137.425 shall be filed with the IBIA by certified mail or by hand delivery at the following address: Board of Indian Appeals, U.S. Department of the Interior, 4015 Wilson Boulevard, Arlington, VA 22203. You shall serve copies of your Notice of Appeal on the Secretary and on the official whose decision is being appealed. You shall certify to the IBIA that you have served these copies.

§ 137.419 What authority does the IBIA have under §§ 137.415 through 137.436?

The IBIA has the authority:

- (a) to conduct a hearing on the record;
- (b) to permit the parties to engage in full discovery relevant to any issue raised in the matter;
- (c) to issue a recommended decision; *and*
- (d) to take such action as necessary to insure rights specified in § 137.430.

§ 137.420 Does an Indian Tribe have any options besides an appeal?

Yes, the Indian Tribe may request an informal conference. An informal conference is a way to resolve issues as quickly as possible, without the need for a formal hearing. Or, the Indian Tribe may, in lieu of filing an administrative appeal under this subpart or

upon completion of an informal conference, file an action in Federal court pursuant to section 110 of the Act [25 U.S.C. 450m-1].

§ 137.421 How does an Indian Tribe request an informal conference?

The Indian Tribe must file its request for an informal conference with the office of the person whose decision it is appealing, within 30 days of the day it receives the decision. The Indian Tribe may either hand-deliver the request for an informal conference to that person's office, or mail it by certified mail, return receipt requested. If the Indian Tribe mails the request, it will be considered filed on the date the Indian Tribe mailed it by certified mail.

§ 137.422 How is an informal conference held?

(a) The informal conference must be held within 30 days of the date the request was received, unless the Indian Tribe and the authorized representative of the Secretary agree on another date.

(b) If possible, the informal conference will be held at the Indian Tribe's office. If the meeting cannot be held at the Indian Tribe's office and is held more than fifty miles from its office, the Secretary must arrange to pay transportation costs and per diem for incidental expenses to allow for adequate representation of the Indian Tribe.

(c) The informal conference must be conducted by a designated representative of the Secretary.

(d) Only people who are the designated representatives of the Indian Tribe, or authorized by the Secretary are allowed to make presentations at the informal conference. Such designated representatives may include Office of Tribal Self-Governance.

§ 137.423 What happens after the informal conference?

(a) Within 10 days of the informal conference, the person who conducted the informal conference must prepare and mail to the Indian Tribe a written report which summarizes what happened at the informal conference and a recommended decision.

§ 137.424

(b) Every report of an informal conference must contain the following language:

Within 30 days of the receipt of the recommended decision from the informal conference, you may file an appeal of the initial decision of the DHHS agency with the Interior Board of Indian Appeals (IBIA) under 42 CFR 137.425. You may request a hearing on the record. An appeal to the IBIA under 42 CFR 137.425 shall be filed with the IBIA by certified mail or hand delivery at the following address: Board of Indian Appeals, U.S. Department of the Interior, 4015 Wilson Boulevard, Arlington, VA 22203. You shall serve copies of your Notice of Appeal on the Secretary and on the official whose decision is being appealed. You shall certify to the IBIA that you have served these copies. Alternatively you may file an action in Federal court pursuant to section 110 of the Act. [25 U.S.C. 450m-1].

§ 137.424 Is the recommended decision from the informal conference final for the Secretary?

No. If the Indian Tribe is dissatisfied with the recommended decision from the informal conference, it may still appeal the initial decision within 30 days of receiving the recommended decision and the report of the informal conference. If the Indian Tribe does not file a notice of appeal within 30 days, or before the expiration of the extension it has received under § 137.426, the recommended decision of the informal conference becomes final for the Secretary and may be appealed to Federal court pursuant to section 110 of the Act [25 U.S.C. 450m-1].

§ 137.425 How does an Indian Tribe appeal the initial decision if it does not request an informal conference or if it does not agree with the recommended decision resulting from the informal conference?

(a) If the Indian Tribe decides to appeal, it must file a notice of appeal with the IBIA within 30 days of receiving either the initial decision or the recommended decision from the informal conference.

(b) The Indian Tribe may either hand-deliver the notice of appeal to the IBIA, or mail it by certified mail, return receipt requested. If the Indian Tribe mails the Notice of Appeal, it will be considered filed on the date the Indian Tribe mailed it by certified

mail. The Indian Tribe should mail the notice of appeal to: Board of Indian Appeals, U.S. Department of the Interior, 4015 Wilson Boulevard, Arlington, VA 22203.

(c) The Notice of Appeal must:

(1) Briefly state why the Indian Tribe thinks the initial decision is wrong;

(2) Briefly identify the issues involved in the appeal; and

(3) State whether the Indian Tribe wants a hearing on the record, or whether the Indian Tribe wants to waive its right to a hearing.

(d) The Indian Tribe must serve a copy of the notice of appeal upon the official whose decision it is appealing. The Indian Tribe must certify to the IBIA that it has done so.

(e) The authorized representative of the Secretary will be considered a party to all appeals filed with the IBIA under the Act.

(f) In lieu of filing an administrative appeal an Indian Tribe may proceed directly to Federal court pursuant to section 110 of the Act [25 U.S.C. 450m-1].

§ 137.426 May an Indian Tribe get an extension of time to file a notice of appeal?

Yes, if the Indian Tribe needs additional time, the Indian Tribe may request an extension of time to file its Notice of Appeal with the IBIA within 60 days of receiving either the initial decision or the recommended decision resulting from the informal conference. The request of the Indian Tribe must be in writing, and must give a reason for not filing its notice of appeal within the 30-day time period. If the Indian Tribe has a valid reason for not filing its notice of appeal on time, it may receive an extension.

§ 137.427 What happens after an Indian Tribe files an appeal?

(a) Within 5 days of receiving the Indian Tribe's notice of appeal, the IBIA will decide whether the appeal falls under § 137.415. If so, the Indian Tribe is entitled to a hearing.

(b) If the IBIA cannot make that decision based on the information included in the notice of appeal, the IBIA may ask for additional statements

from the Indian Tribe, or from the appropriate Federal agency. If the IBIA asks for more statements, it will make its decision within 5 days of receiving those statements.

(c) If the IBIA decides that the Indian Tribe is not entitled to a hearing or if the Indian Tribe has waived its right to a hearing on the record, the IBIA will dismiss the appeal and inform the Indian Tribe that it is not entitled to a hearing or has waived its right to a hearing.

§ 137.428 How is a hearing arranged?

(a) If a hearing is to be held, the IBIA will refer the Indian Tribe's case to the Hearings Division of the Office of Hearings and Appeals of the U.S. Department of the Interior. The case will then be assigned to an Administrative Law Judge (ALJ), appointed under 5 U.S.C. 3105.

(b) Within 15 days of the date of the referral, the ALJ will hold a pre-hearing conference, by telephone or in person, to decide whether an evidentiary hearing is necessary, or whether it is possible to decide the appeal based on the written record. At the pre-hearing conference the ALJ will provide for:

- (1) A briefing and discovery schedule;
- (2) A schedule for the exchange of information, including, but not limited to witness and exhibit lists, if an evidentiary hearing is to be held;

(c) The ALJ shall order a written record to be made of any conference results that are not reflected in a transcript.

§ 137.429 What happens when a hearing is necessary?

(a) The ALJ must hold a hearing within 90 days of the date of the order referring the appeal to the ALJ, unless the parties agree to have the hearing on a later date.

(b) At least 30 days before the hearing, the Secretary must file and serve the Indian Tribe with a response to the notice of appeal.

(c) If the hearing is held more than 50 miles from the Indian Tribe's office, the Secretary must arrange to pay transportation costs and per diem for incidental expenses to allow for adequate representation of the Indian Tribe.

(d) The hearing shall be conducted in accordance with the Administrative Procedure Act, 5 U.S.C. 556.

§ 137.430 What is the Secretary's burden of proof for appeals covered by § 137.415?

As required by section 518 of the Act [25 U.S.C. 458aaa-17], the Secretary must demonstrate by clear and convincing evidence the validity of the grounds for the decision made and that the decision is fully consistent with provisions and policies of the Act.

§ 137.431 What rights do Indian Tribes and the Secretary have during the appeal process?

Both the Indian Tribe and the Secretary have the same rights during the appeal process. These rights include the right to:

§ 137.432 What happens after the hearing?

(a) Within 30 days of the end of the formal hearing or any post-hearing briefing schedule established by the ALJ, the ALJ shall send all the parties a recommended decision, by certified mail, return receipt requested. The recommended decision must contain the ALJ's findings of fact and conclusions of law on all the issues. The recommended decision shall also state that the Indian Tribe has the right to object to the recommended decision.

(b) The recommended decision shall contain the following statement:

Within 30 days of the receipt of this recommended decision, you may file an objection to the recommended decision with the Secretary under 42 CFR 137.43. § 137.433 Is the recommended decision always final?

No, any party to the appeal may file precise and specific written objections to the recommended decision, or any other comments, within 30 days of receiving the recommended decision. Objections must be served on all other parties. If no party files a written statement of objections within 30 days, the recommended decision shall become final for the Secretary.

§ 137.434 If an Indian Tribe objects to the recommended decision, what will the Secretary do?
