the discretion to accept other documentation as evidence that the smallpox recipient or vaccinia contact is deceased;

(d) Medical records sufficient to demonstrate that the deceased smallpox vaccine recipient or vaccinia contact died as the result of the covered injury. Such medical records may be the same as those required under §102.50. If an autopsy was performed on the deceased smallpox vaccine recipient or vaccinia contact, the requester must submit a complete copy of the final autopsy report.

(e) Documentation showing that the requester is an eligible survivor, pursuant to §102.11 (e.g., birth certificate or marriage certificate); and

(f) A certification, on the place provided on the Request Form, either that there are no other eligible survivors (e.g., for surviving eligible children, a certification that there is no surviving spouse, no other surviving eligible children, and no other surviving dependents younger than the age of 18 who may be eligible for the death benefit under the alternative calculation) or that other eligible survivors exist (along with the information known about such survivors). Section 102.11 lists eligible survivors and the priorities of survivorship.

§ 102.54 Documentation the representative of the estate of a deceased smallpox vaccine recipient or vaccinia contact must submit to be deemed eligible by the Secretary.

A requester who is the representative of the estate of a deceased smallpox vaccine recipient or vaccinia contact must submit the following documentation in order for the estate to be deemed eligible by the Secretary:

(a) A completed (to the fullest extent possible) and signed Request Form;

(b) All of the documentation required in:

(1) Section 102.51(a)(2)–(4) (documentation requirements for smallpox vaccine recipients), in the case of a deceased smallpox vaccine recipient. The requester may submit a certification, as described in §102.51(b) in the place of the documentation described in §102.51(a)(2) (documentation concerning a vaccine recipient’s participation in, and receipt of the smallpox vaccine under, an approved smallpox emergency response plan); or

(2) Section 102.52(b)–(d) (documentation requirements for vaccinia contacts), in the case of a deceased vaccinia contact;

(c) A death certificate for the deceased smallpox vaccine recipient or vaccinia contact. If a death certificate is unavailable, the requester must submit a letter providing the reasons for its unavailability. The Secretary has the discretion to accept other documentation as evidence that the smallpox recipient or vaccinia contact is deceased; and

(d) Documentation showing that the requester is the representative of the estate of the deceased smallpox vaccine recipient or vaccinia contact.
§ 102.61 Documentation an eligible requester seeking benefits for lost employment income must submit.

A requester deemed eligible by the Secretary who seeks benefits for lost employment income from the Program must submit, in addition to the documentation submitted under subpart F, documentation describing:

(a) The number of days (including partial days) of work missed by the smallpox vaccine recipient or vaccinia contact as a result of the covered injury or its health complications for which employment income was lost (e.g., time sheet from pay period reflecting work days missed). As stated in §102.32(c), days for which an individual used paid leave in order to be paid for lost work will be considered days of work for which employment income was received (unless the individual’s employer restores the leave that was used by putting the individual in the same position as if he or she had not used paid leave);

(b) The smallpox vaccine recipient or vaccinia contact’s gross employment income at the time the covered injury was sustained (e.g., the individual’s most recent Federal tax return or a pay stub from the time of the covered injury);

(c) Whether the smallpox vaccine recipient or vaccinia contact had one or more dependents at the time the covered injury was sustained (e.g., the individual’s most recent Federal tax return); and

(d) All third-party payors that have paid for or that may be required to pay the requester benefits for loss of employment income or provide disability and retirement benefits for which payment or reimbursement is being sought under this Program (e.g., State workers’ compensation programs, disability insurance programs, etc.). A requester must submit documentation, if available, concerning the amount of such payments or benefits expected to be paid by third-party payors. If the requester knows of no such third-party payor, he or she must certify to that fact. If, at any time, the requester becomes aware that a third-party payor may have such an obligation, the requester must inform the Secretary.
