The Secretary shall have at least one opportunity to approve project planning and design documents prepared by the Self-Governance Tribe in advance

Yes, the Self-Governance Tribe, at its discretion, may request the Secretary to amend a construction project agreement to include additional projects. In addition, amendments are required if there is a significant change from the original scope of work or if funds are added by the Secretary. The Self-Governance Tribe may make immaterial changes to the performance period and make budget adjustments within available funding without an amendment to the construction project agreement.

**§ 137.363 What is the procedure for the Secretary's review and approval of amendments?**

(a) The Secretary shall promptly notify the Self-Governance Tribe in writing of any concerns or issues that may lead to disapproval.
