and delisting pursuant to paragraph (b)(1) of this section.

(4) Non-applicability of certain procedures and requirements. (i) A decision by the Secretary to accept a request by a PSO to relinquish voluntarily its status as a PSO pursuant to paragraph (c)(2) of this section does not constitute a determination of a deficiency in PSO compliance with the Patient Safety Act or with this Subpart.

(ii) The procedures and requirements of §3.108(a) of this subpart regarding deficiencies including the opportunity to correct deficiencies and to be heard in writing, and the procedures and requirements of §3.108(b) are not applicable to determinations of the Secretary made pursuant to this subsection.

(d) Public notice of delisting regarding removal from listing. If the Secretary removes an entity from the list of PSOs following revocation of acceptance of the entity’s certification pursuant to §3.108(b)(1), voluntary relinquishment pursuant to §3.108(c)(3), or expiration of an entity’s period of listing pursuant to §3.104(e)(1), the Secretary will promptly publish in the FEDERAL REGISTER and on the AHRQ PSO website, or in a comparable future form of public notice, a notice of the actions taken and the effective dates.

(e) Expedited revocation and delisting—

(1) Basis for expedited revocation. Notwithstanding any other provision of this section, the Secretary may use the expedited revocation process described in paragraph (e)(3) of this section if he determines—

(i) The PSO is not in compliance with this part because it is or is about to become an entity described in §3.102(a)(2).

(ii) The parent organization of the PSO is an entity described in §3.102(a)(2) and requires or induces health care providers to report patient safety work product to its component PSO; or

(iii) The circumstances for revocation in paragraph (a)(1) of this section exist, and the Secretary has determined that there would be serious adverse consequences if the PSO were to remain listed.

(2) Applicable provisions. If the Secretary uses the expedited revocation process described in paragraph (e)(3) of this section, the procedures in paragraphs (a)(2) through (5) of this section shall not apply and paragraph (a)(1) and paragraphs (b) and (d) of this section shall apply.

(3) Expedited revocation process. (i) The Secretary must send the PSO a written notice of deficiency that:

(A) Identifies the evidence that the circumstances for revocation and delisting under paragraph (a)(1) of this section exist, and any corrective action that the PSO must take if the Secretary determines that corrective action may resolve the matter so that the entity would not be delisted.

(B) Provides an opportunity for the PSO to respond in writing to correct the facts or the legal bases for delisting found in the notice, and to offer any other grounds for its not being delisted.

(ii) The notice of deficiency will be presumed to be received five days after it is sent, absent evidence of the actual receipt date.

(iii) If the PSO does not submit a written response to the Secretary within the required 14-day time period, the Secretary may take any of the following actions:

(A) Withdraw the notice of deficiency;

(B) Provide the PSO with more time to resolve the matter to the Secretary’s satisfaction; or

(C) Revoke his acceptance of the PSO’s certifications and remove the entity from the list of PSOs.

(iv) If the PSO responds in writing within the required 14-day time period, the Secretary may take any of the following actions:

(A) Withdraw the notice of deficiency;

(B) Provide the PSO with more time to resolve the matter to the Secretary’s satisfaction; or

(C) Revoke his acceptance of the PSO’s certifications and remove the entity from the list of PSOs.

The Secretary will be allowed to inspect and/or be given or sent copies of any PSO records deemed necessary
