

be referred for medical care as necessary.

[56 FR 25003, May 31, 1991]

§ 34.6 Applicability of Foreign Quarantine Regulations.

Aliens arriving at a port of the United States shall be subject to the applicable provisions of 42 CFR part 71, Foreign Quarantine, with respect to examination and quarantine measures.

[56 FR 25003, May 31, 1991]

§ 34.7 Medical and other care; death.

(a) An alien detained by or in the custody of the INS may be provided medical, surgical, psychiatric, or dental care by the Public Health Service through interagency agreements under which the INS shall reimburse the Public Health Service. Aliens found to be in need of emergency care in the course of medical examination shall be treated to the extent deemed practical by the attending physician and if considered to be in need of further care, may be referred to the INS along with the physician's recommendations concerning such further care.

(b) In case of the death of an alien, the body shall be delivered to the consular or immigration authority concerned. If such death occurs in the United States, or in a territory or possession thereof, public burial shall be provided upon request of the INS and subject to its agreement to pay the burial expenses. Autopsies shall not be performed unless approved by the INS.

[56 FR 25003, May 31, 1991]

§ 34.8 Reexamination; convening of review boards; expert witnesses; reports.

(a) The Director shall convene a board of medical officers to reexamine an alien:

(1) Upon the request of the INS for a reexamination by such a board; or

(2) Upon an appeal to the INS by an alien who, having received a medical examination in connection with the determination of admissibility to the United States (including examination on arrival and adjustment of status as provided in the immigration laws and regulations) has been certified for a Class A condition.

(b) For boards convened to reexamine aliens certified as:

(1) Having a communicable disease of public health significance, the board shall consist of three medical officers, at least one of whom is experienced in the diagnosis and treatment of the communicable disease for which medical notification has been made, and the decision of the majority of the board shall prevail;

(2)(i) Having a physical or mental disorder and behavior associated with the disorder that may pose, or has posed, a threat to the property, safety, or welfare of the alien or others; or

(ii) Having a history of a physical or mental disorder and behavior associated with the disorder, which behavior has posed a threat to the property, safety, or welfare of the alien or others and which behavior is likely to recur or lead to other harmful behavior; or

(iii) Being a drug abuser or addict;

(3) In circumstances covered by paragraph (b)(2) of this section, the board shall consist of three medical officers, at least one of whom shall be a board certified psychiatrist, and the decision of the majority of the board shall prevail.

(c) Reexamination shall include:

(1) Review of all records submitted by the alien, other witnesses, or the board;

(2) Use of any laboratory or additional studies which are deemed clinically necessary as a result of the physical examination or pertinent information elicited from the alien's medical history;

(3) Consideration of statements regarding the alien's physical or mental condition made by a physician after his/her examination of the alien; and

(4) An independent physical or psychiatric examination of the alien performed by the board, at the board's option.

(d) An alien who is to be reexamined shall be notified of the time and place of his/her reexamination not less than 5 days prior thereto.

(e) The alien, at his/her own cost and expense, may introduce as witnesses before the board such physicians or medical experts as the board may in its discretion permit; provided that the alien shall be permitted to introduce at

least one expert medical witness. If any witnesses offered are not permitted by the board to testify, the record of the proceedings shall show the reason for the denial of permission.

(f) Witnesses before the board shall be given a reasonable opportunity to examine the medical notification and other records involved in the reexamination and to present all relevant and material evidence orally or in writing until such time as the proceedings are declared by the board to be closed. During the course of the hearing the alien's attorney or representative shall be permitted to examine the alien and he/she, or the alien, shall be permitted to examine any witnesses offered in the alien's behalf and to cross-examine any witnesses called by the board. If the alien does not have an attorney or representative, the board shall assist the alien in the presentation of his/her case to the end that all of the material and relevant facts may be considered.

(g) The findings and conclusions of the board shall be based on its medical examination of the alien, if any, and on the evidence presented and made a part of the record of its proceedings.

(h) The board shall report its findings and conclusions to the INS, and shall also give prompt notice thereof to the alien if his/her reexamination has been based on his/her appeal. The board's report to the INS shall specifically affirm, modify, or reject the findings and conclusions of prior examining medical officers.

(i) The board shall issue its medical notification in accordance with the applicable provisions of this part if it finds that an alien it has reexamined has a Class A or Class B condition.

(j) If the board finds that an alien it has reexamined does not have a Class A or Class B condition, it shall issue its medical notification in accordance with the applicable provisions of this part.

(k) After submission of its report, the board shall not be reconvened, nor shall a new board be convened, in connection with the same application for admission or for adjustment of status, except upon the express authorization of the Director.
