§ 57.2211 Waiver or suspension.
(a) Any obligation of any individual under this subpart will be cancelled upon the death of such individual as documented by a certification of death, or such other official proof as is conclusive under State law, and submitted to the Secretary.

(b) Subject to the provision of paragraph (f) of this section, where an individual fails to complete the practice required by §57.2209(a) within the period prescribed in §57.2209(b), the Secretary may waive or suspend for such period as determined by the Secretary the obligation of such individual to repay pursuant to §57.2210 where the Secretary determines that compliance by such individual with such obligation (1) is impossible, or (2) would involve extreme hardship to such individual and enforcement of such obligation with respect to such individual would be against equity and good conscience.

(c) For purposes of paragraph (b)(1) of this section, compliance by an individual will be deemed impossible where the Secretary determines, on the basis of such information and documentation as he may require, that the individual is permanently and totally disabled.

(d) For purposes of paragraph (b)(2) of this section, in determining whether compliance by an individual would involve extreme hardship to such individual and would be against equity and good conscience, the Secretary will take into consideration the following:

1. The individual’s present financial resources and obligations;
2. The individual’s estimated future financial resources and obligations;
3. The reasons for the individual’s failure to complete such practice within the prescribed period, such as problems of a personal nature; and
4. The extent to which the individual is practicing his profession in a manner consistent with the purposes of section 784 of the Act.

(e) Where the Secretary determines that compliance by an individual with his obligation to engage in the practice of primary care in a specified shortage area pursuant to §57.2209(a) is impossible or would involve extreme hardship to such individual and enforcement of such obligation with respect to

§ 57.2210 Failure to comply.
(a) Subject to the provision of §57.2211, if any individual fails to complete the course of study or fails, within the time period set forth in §57.2209(b), to meet the applicable conditions of practice imposed by receipt of a scholarship grant for the full number of months to which such condition is applicable, the United States shall be entitled to recover from such individual an amount determined in accordance with §57.2210. In no case, however, shall a scholarship grant under this subpart be considered an educational loan for purposes of section 784 of the Act.

(b) Provided however, that no interest shall accrue on any amount due the United States during any period for which the Secretary has suspended the obligation to repay pursuant to §57.2211(b).
