AUTHORITY: 42 U.S.C. 216, 286b-3.

SOURCE: 56 FR 29192, June 26, 1991, unless otherwise noted.

§ 64.1 Programs to which these regulations apply.

(a) The regulations of this part apply to grants under section 472 of the Public Health Service Act (42 U.S.C. 286b-3) to public and private nonprofit institutions to assist in developing, expanding, and improving training programs (excluding training in a biomedical specialty and residency training) in library science and the field of communications of information pertaining to sciences relating to health.

(b) The regulations of this part also apply to cooperative agreements awarded for these purposes. References to “grant(s)” shall include “cooperative agreement(s).”

(c) The regulations of this part do not apply to research training support under the National Research Service Awards Program (see part 66 of this chapter).

§ 64.2 Definitions.

As used in this part:

HHS means the Department of Health and Human Services.

Nonprofit private entity means an agency, organization, institution, or

other entity which may not lawfully hold or use any part of its net earnings to the benefit of any private shareholder or individual which does not hold or use its net earnings for that purpose.

Other trainee costs means those costs other than stipends, such as tuition, fees, and trainee travel, which are directly associated with and necessary for the training of individuals receiving stipends and which are incurred within the period of training.

Project director means the single individual named by the grantee in the grant application and approved by the Secretary, who is responsible for the management and conduct of the project.

Project period. See § 64.6(b).

Secretary means the Secretary of Health and Human Services and any other official of HHS to whom the authority involved is delegated.

Stipend means a payment to an individual that is intended to help meet that individual's subsistence expenses during training.

Training grant means an award of funds to an eligible entity for a project authorized under § 64.1(a).

§ 64.3 Who is eligible for a grant?

Except as otherwise prohibited by law, any public or private nonprofit entity is eligible for a training grant.

§ 64.4 How to apply for a grant.

Applications for grants must include the following information:

(a) *Required information on the proposed project.* (1) The nature, duration, and purpose of the training for which the application is filed.

(2) The name and qualifications of the project director and any key personnel responsible for the proposed project.

(3) A description of the facilities, staff, support services, and other organizational resources available to carry out the project.

(4) The intended number of trainees and the minimum qualifications and criteria for their selection.

(5) A description of the plan for evaluating the proposed project.
