

**§ 66.104 Application.**

(a) Eligible individuals may apply for an Award using the form and by the dates the Secretary prescribes.

(b) In addition to any other pertinent information that the Secretary may require, each application shall detail:

(1) The applicant's educational background and other qualifications and experience, including previous academic and professional degrees;

(2) The subject area of the proposed research or training;

(3) The proposed period of Award;

(4) If the proposed period of Award would provide the individual with aggregate support in excess of five years at the predoctoral level or three years at the postdoctoral level, the justification for this request; and

(5) The availability of necessary resources and facilities at the institution where the research or training would be conducted.

**§ 66.105 Requirements.**

The Secretary shall make an Award to an individual under this subpart only if:

(a) For any Award made for an individual's initial twelve months of NRSA postdoctoral research or training, the individual has assured the Secretary, in the form and manner the Secretary may prescribe, that he or she will satisfy the requirements of § 66.110.

(b) If the proposed research or training would take place at an institution other than the National Institutes of Health, the institution has assured the Secretary, in the form and manner the Secretary may prescribe, that:

(1) The applicant has been accepted to the institution for the purpose of engaging in the research or training for which an Award is being sought;

(2) The Award will not be used to support a residency; and

(3) In the event an Award is made the institution will make available to the applicant any resources and facilities described in the application as necessary to carry out the research or training; and

(c) The individual has assured the Secretary, in the form and manner the Secretary may prescribe, that the Award to the individual will not be used to support a residency.

**§ 66.106 Awards.**

(a) Within the limits of funds available, the Secretary shall make Awards to those applicants:

(1) Who have satisfied the requirements of § 66.105; and

(2) Whose proposed research or training would, in the judgment of the Secretary, best promote the purposes of section 487(a)(1)(A) of the Act, taking into consideration among other pertinent factors:

(i) The scientific, technical, or educational merit of the particular proposal;

(ii) The availability of resources and facilities to carry it out;

(iii) The qualifications and experience of the applicant; and

(iv) The need for personnel in the subject area of the proposed research or training.

(b) In making Awards, the Secretary shall take account of the Nation's overall need for biomedical research by giving special consideration to physicians who agree to undertake a minimum of two years of biomedical research.

(c) All Awards shall be in writing. Each shall specify:

(1) The period of the Award;

(2) The total recommended stipends and allowances provided for the entire Award period;

(3) The amount awarded for the initial year of that period (see § 66.107); and

(4) The amount of the payments to the institution for the cost of services provided the awardee by the institution during the initial year of that period (see § 66.108).

(d) Neither the approval of any application nor any Award shall commit or obligate the United States in any way to make additional, supplemental, continuation, or other Award with respect

**§ 66.107**

to any approved application or portion thereof.

(e) No individual may receive an aggregate of more than five years of support at the predoctoral level and three years at the postdoctoral level unless the Secretary waives, for good cause shown, this limitation for the individual. In determining what constitutes "good cause," the Secretary shall take into account such factors as whether the applicant proposes to pursue a combined program leading to the degrees of doctor of medicine and doctor of philosophy.

[48 FR 24880, June 3, 1983, as amended at 66 FR 29500, May 31, 2001]

**§ 66.107 Payments to awardees.**

(a) Individuals receiving Awards shall be entitled to the stipends, tuition, fees, and allowances the Secretary may designate, taking into account the cost of living, and such other factors as the needs of the program and the availability of funds.

(b) The Secretary shall pay stipends, tuition, fees and allowances to the awardee or the sponsoring institution for payment to the awardee.

**§ 66.108 Payments to institutions.**

The institution shall be entitled to an allowance to help defray the cost of support services (including the cost of faculty salaries, supplies, equipment, general research support, and related items) provided to the individual by the institution. The Secretary shall determine the amount of payments based upon reasonable costs to the institution of establishing and maintaining the quality of research and training programs for which it receives support under this subpart. The Secretary may make payments to the institution either in advance or by way of reimbursement.

**§ 66.109 Termination.**

(a) The Secretary may terminate an Award prior to its normal expiration date:

- (1) At the written request of the awardee; or
- (2) If the Secretary finds that the awardee has materially failed to comply with the terms and conditions of

the Award or to carry out the purpose for which it was made.

(b) In the event an Award is terminated, the Secretary shall notify the awardee in writing of this determination, the reasons for termination, the effective date, and any procedural rights available.

**§ 66.110 Service, payback, and recovery requirements.**

(a) Each individual who receives an Award for postdoctoral research or training shall engage in a month of research training, research, or teaching that is health-related (or any combination thereof) for each month of support received, up to a maximum of twelve months. Such period shall be served in accordance with the usual patterns of such employment or training.

(b) In any case in which an individual receives an Award for more than twelve months, the thirteenth month and each subsequent month of performing activities under the Award shall be considered to be activities toward satisfaction of the requirement established in paragraph (a) of this section.

(c) Except as provided in § 66.111, an individual subject to the requirements for service in paragraph (a) of this section must begin to undertake the service on a continuous basis within two years after the expiration or termination for his or her Award.

(d) If the individual fails to undertake or perform the service in accordance with the requirements of this section, the United States shall be entitled to recover from the individual an amount determined in accordance with the formula:

$$A = O \frac{(t-s)}{(t)}$$

In which

*A* is the amount the United States is entitled to recover;  
*O* is the sum of the total amount paid to the individual for the months of postdoctoral support up to a maximum of twelve months;  
*t* is total number of months in the individual's service obligation;  
and *s* is the number of months of the obligation served by him or her in accordance with paragraph (a) or (b) of this section.
