

§ 83.16

42 CFR Ch. I (10–1–10 Edition)

(c) In considering the petition, the Board may obtain and consider additional information not addressed in the petition or the initial NIOSH evaluation report.

(d) NIOSH may decide to further evaluate a petition, upon the request of the Board. If NIOSH conducts further evaluation, it will report new findings to the Board and the petitioner(s).

(e) Upon the completion of NIOSH evaluations and deliberations of the Board concerning a petition, the Board will develop and transmit to the Secretary a report containing its recommendations. The Board's report will include the following:

(1) The identification and inclusion of the relevant petition(s);

(2) The definition of the class of employees covered by the recommendation;

(3) A recommendation as to whether or not the Secretary should designate the class as an addition to the Cohort;

(4) The relevant criteria under § 83.13(c) and findings and information upon which the recommendation is based, including NIOSH evaluation reports, information provided by the petitioners, any other information considered by the Board, and the deliberations of the Board.

§ 83.16 How will the Secretary decide the outcome(s) of a petition?

(a) The Director of NIOSH will propose a decision to add or deny adding any class or classes of employees to the Cohort, including an iteration of the relevant criteria, as specified under § 83.13(c), and a summary of the information and findings on which the proposed decision is based. This proposed decision will take into consideration the evaluations of NIOSH and the report and recommendations of the Board, and may also take into consideration information presented or submitted to the Board and the deliberations of the Board. In the case of a petition that NIOSH has determined encompasses more than one class of employees, the Director of NIOSH will issue a separate proposed decision for each separate class of employees.

(b) The Secretary will make the final decision to add or deny adding a class to the Cohort, including the definition

of the class, after considering information and recommendations provided to the Secretary by the Director of NIOSH and the Board. HHS will transmit a report of the decision to the petitioner(s), including an iteration of the relevant criteria, as specified under § 83.13(c), and a summary of the information and findings on which the decision is based. HHS will also publish a notice summarizing the decision in the FEDERAL REGISTER.

(c) If, under § 83.15(e), the Board recommends that the Secretary designate a class covered by the petition as an addition to the Cohort, and if, under paragraph (b) of § 83.16, the Secretary decides to deny adding the class, as defined by the Board, to the Cohort, then the Secretary will submit to Congress a determination that the statutory criteria specified under 42 U.S.C. 7384q(b)(1) and (2) have not been met for adding the class to the Cohort. The Secretary will submit this determination to Congress within 30 calendar days following receipt by the Secretary of the recommendation of the Board.

§ 83.17 How will the Secretary report a final decision to add a class of employees to the Cohort and any action of Congress concerning the effect of the final decision?

(a) If the Secretary designates a class of employees to be added to the Cohort, the Secretary will transmit to Congress a report providing the designation, the definition of the class of employees covered by the designation, and the criteria and findings upon which the designation was based.⁴

(b) If, under § 83.15(e), the Board recommends that the Secretary designate a class covered by the petition as an addition to the Cohort, and if, under paragraph (b) of § 83.16, the Secretary decides to add a class to the Cohort that is inclusive of the class as defined by the Board, then the Secretary will transmit to Congress the report specified in paragraph (a) of this section within 30 calendar days following receipt by the Secretary of the recommendation of the Board.
