Subparts K–Q [Reserved]

Subpart R—Provider Reimbursement Determinations and Appeals

AUTHORITY: Secs. 205, 1102, 1814(b), 1815(a), 1833, 1861(v), 1871, 1872, 1878, and 1886 of the Social Security Act (42 U.S.C. 405, 1302, 1395f(v), 1395g(a), 1395l, 1395x(v), 1395hh, 1395li, 1395oo, and 1395ww).

§ 405.1801 Introduction.

(a) Definitions. As used in this subpart:

Administrator means the Administrator or Deputy Administrator of CMS.

Administrator review means that review provided for in section 1878(f) of the Act (42 U.S.C. 1395oo(f)) and § 405.1875.

Board means the Provider Reimbursement Review Board established in accordance with section 1878 of the Act (42 U.S.C. 1395oo) and § 405.1845.

Board hearing means that hearing provided for in section 1878(a) of the Act (42 U.S.C. 1395oo(a)), and § 405.1835.

CMS reviewing official means the reviewing official provided for in § 405.1834.

CMS reviewing official procedure means the review provided for in § 405.1834.

Date of receipt means the date a document or other material is received by either of the following:

(1) A party or an affected nonparty, such as CMS, involved in proceedings before a reviewing entity.

(i) As applied to a party or an affected nonparty, the phrase “date of receipt” in this definition is synonymous with the term “notice,” as that term is used in section 1878 of the Act and in this subpart.

(ii) For purposes of an intermediary hearing, if no intermediary hearing officer is appointed (or none is currently presiding), the date of receipt of materials sent to the intermediary hearing officer is presumed to be the date that the intermediary stamps “Received” on the materials.

(iii) The date of receipt by a party or affected nonparty of documents involved in proceedings before a reviewing entity is presumed to be 5 days after the date of issuance of an intermediary notice or a reviewing entity document. This presumption, which is otherwise conclusive, may be overcome if it is established by a preponderance of the evidence that such materials were actually received on a later date.

(2) A reviewing entity. For purposes of this definition, a reviewing entity is deemed to include the Office of the Attorney Advisor. The determination as to the date of receipt by the reviewing entity to which the document or other material was submitted is final and binding as to all parties to the appeal. The date of receipt of documents by a reviewing entity is presumed to be the date—

(i) Of delivery where the document or material is transmitted by a nationally-recognized next-day courier (such as the United States Postal Service’s Express Mail, Federal Express, UPS, DHL, etc.); or

(ii) Stamped “Received” by the reviewing entity on the document or other submitted material (where a nationally-recognized next-day courier is not employed). This presumption, which is otherwise conclusive, may be overcome if it is established by clear and convincing evidence that the document or other material was actually received on a different date.

Intermediary determination means the following:

(1) With respect to a provider of services that has filed a cost report under §§ 413.20 and 413.24(f) of this chapter, the term means a determination of the amount of total reimbursement due the
provider, pursuant to §405.1803 following the close of the provider’s cost reporting period, for items and services furnished to beneficiaries for which reimbursement may be made on a reasonable cost basis under Medicare for the period covered by the cost report.

(2) With respect to a hospital that receives payments for inpatient hospital services under the prospective payment system (part 412 of this chapter), the term means a determination of the total amount of payment due the hospital, pursuant to §405.1803 following the close of the hospital’s cost reporting period, under that system for the period covered by the determination.

(3) For purposes of appeal to the Provider Reimbursement Review Board, the term is synonymous with the phrases “intermediary’s final determination” and “final determination of the Secretary”, as those phrases are used in section 1878(a) of the Act.

(4) For purposes of §405.376 concerning claims collection activities, the term does not include an action by CMS with respect to a compromise of a Medicare overpayment claim, or termination or suspension of collection action on an overpayment claim, against a provider or physician or other supplier.

Intermediary hearing means that hearing provided for in §405.1809.

Intermediary hearing officer(s) means the hearing officer or panel of hearing officers provided for in §405.1817.

Reviewing entity means the intermediary hearing officer(s), a CMS reviewing official, the Board, or the Administrator.

(b) General rules—(1) Providers. In order to be paid for covered services furnished to Medicare beneficiaries, a provider must file a cost report with its intermediary as specified in §413.24(f) of this chapter. For purposes of this subpart, the term “provider” includes a hospital (as described in part 482 of this chapter), hospice program (as described in §418.3 of this chapter), critical access hospital (CAH), comprehensive outpatient rehabilitation facility (CORF), renal dialysis facility, Federally qualified health center (FQHC), home health agency (HHA), rural health clinic (RHC), skilled nursing facility (SNF), and any other entity included under the Act. (FQHCs and RHCs are providers, for purposes of this subpart, effective with cost reporting periods beginning on or after October 1, 1991).

(2) Other nonprovider entities participating in Medicare Part A. (i) Providers of services, as well as, other entities (including, but not limited to health maintenance organizations (HMOs) and competitive medical plans (CMPs) (as described in §400.200 of this chapter)) may participate in the Medicare program, but do not qualify as providers under the Act or this subpart.

(ii) Some of these nonprovider entities are required to file periodic cost reports and are paid on the basis of information furnished in these reports. Except as provided at §413.200(g), these nonprovider entities may not obtain an intermediary hearing or a Board hearing under section 1878 of the Act or this subpart.

(iii) Some other hearing will be available to these nonprovider entities, if the amount in controversy is at least $1,000.

(iv) For any nonprovider hearing, the procedural rules for a Board hearing set forth in this subpart are applicable to the maximum extent possible.

(c) Effective dates. (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section or in §405.1885(e), this subpart applies to all cost reporting periods ending on or after December 31, 1971, for which reimbursement may be made on a reasonable cost basis.

(2) Sections 405.1835 to 405.1877 apply only to cost reporting periods ending on or after June 30, 1973, for which reimbursement may be made on a reasonable cost basis.

(3) With respect to hospitals under the prospective payment system (see part 412 of this chapter), the appeals procedures in §§405.1811 to 405.1877 that apply become applicable with the hospital’s first cost reporting period beginning on or after October 1, 1983.

(d) Calculating time periods and deadlines. In computing any period of time or deadline prescribed or allowed under this subpart or authorized by a reviewing entity the following principles are applicable:
§ 405.1803 Intermediary determination and notice of amount of program reimbursement.

(a) General requirement. Upon receipt of a provider’s cost report, or amended cost report where permitted or required, the intermediary must within a reasonable period of time (as described in § 405.1835(a)(3)(ii)), furnish the provider and other parties as appropriate (see § 405.1805) a written notice reflecting the intermediary’s determination of the total amount of reimbursement due the provider. The intermediary must include the following information in the notice, as appropriate:

1. Reasonable cost. The notice must—
   (i) Explain the intermediary’s determination of total program reimbursement due the provider on the basis of reasonable cost for the reporting period covered by the cost report or amended cost report; and
   (ii) Relate this determination to the provider’s claimed total program reimbursement due the provider for this period.

2. Prospective payment. With respect to a hospital that receives payments for inpatient hospital services under the prospective payment system (see part 412 of this chapter), the intermediary must include in the notice its determination of the total amount of the payments due the hospital under that system for the cost reporting period covered by the notice. The notice must explain (with appropriate use of the applicable money amounts) any difference in the amount determined to be due, and the amounts received by the hospital during the cost reporting period covered by the notice.

3. Hospice caps. With respect to a hospice, the reporting period for the cap calculation is the cap year; and the intermediaries’ determination of program reimbursement letter, which provides the results of the inpatient and aggregate cap calculations, shall serve as a notice of program reimbursement. The time period for filing cap appeals begins with receipt of the determination of program reimbursement letter.

(b) Requirements for intermediary notices. The intermediary must include in each notice appropriate references to law, regulations, CMS Rulings, or program instructions to explain why the intermediary’s determination of the amount of program reimbursement for the period differs from the amount the provider claimed. The notice must also inform the provider of its right to an intermediary or Board hearing (see §§ 405.1809, 405.1811, 405.1815, 405.1835, and 405.1843) and that the provider must request the hearing within 180 days after the date of receipt of the notice.

(c) Use of notice as basis for recoupment of overpayments. The intermediary’s determination contained in its notice is the basis for making the retroactive adjustment (required by § 413.64(f) of this chapter) to any program payments.
