Centers for Medicare & Medicaid Services, HHS

§ 417.800  Payment to HCPPs: Definitions and basic rules.

(a) Definitions. As used in this subpart, unless the context indicates otherwise—

Covered Part B services means physicians’ services, diagnostic X-ray tests, laboratory, other diagnostic tests, and any additional medical and other services furnished by eligible hospitals or other eligible suppliers at their discretion to inpatients and outpatients as part of the inpatient hospital services furnished to beneficiaries who are inpatients in hospitals participating in the Medicare program.

(b) Definitions. As used in this subpart, unless the context indicates otherwise—

Covered Part B services means physicians’ services, diagnostic X-ray tests, laboratory, other diagnostic tests, and any additional medical and other
