§ 447.204
(b) The agency must record, in State manuals or other official files, the following information for increases in payment rates for individual practitioner services:

(1) An estimate of the percentile of the range of customary charges to which the revised payment structure equates and a description of the methods used to make the estimate.

(2) An estimate of the composite average percentage increase of the revised payment rates over the preceding rates.

§ 447.204 Encouragement of provider participation.

The agency's payments must be sufficient to enlist enough providers so that services under the plan are available to recipients at least to the extent that those services are available to the general population.

§ 447.205 Public notice of changes in Statewide methods and standards for setting payment rates.

(a) When notice is required. Except as specified in paragraph (b) of this section, the agency must provide public notice of any significant proposed change in its methods and standards for setting payment rates for services.

(b) When notice is not required. Notice is not required if—

(1) The change is being made to conform to Medicare methods or levels of reimbursement;
(2) The change is required by court order; or
(3) The change is based on changes in wholesalers' or manufacturers' prices of drugs or materials, if the agency's reimbursement system is based on material cost plus a professional fee.

(c) Content of notice. The notice must—

(1) Describe the proposed change in methods and standards;
(2) Give an estimate of any expected increase or decrease in annual aggregate expenditures;
(3) Explain why the agency is changing its methods and standards;
(4) Identify a local agency in each county (such as the social services agency or health department) where copies of the proposed changes are available for public review;
(5) Give an address where written comments may be sent and reviewed by the public; and
(6) If there are public hearings, give the location, date and time for hearings or tell how this information may be obtained.

(d) Publication of notice. The notice must—

(1) Be published before the proposed effective date of the change; and
(2) Appear as a public announcement in one of the following publications:
(i) A State register similar to the Federal Register.
(ii) The newspaper of widest circulation in each city with a population of 50,000 or more.
(iii) The newspaper of widest circulation in the State, if there is no city with a population of 50,000 or more.

§ 447.206 Cost limit for providers operated by units of government.

(a) Scope. This section applies to payments made to health care providers that are operated by units of government as defined in §433.50(a)(1) of this chapter.

(b) Exceptions. The limitation in paragraph (c) of this section does not apply to:

(1) Indian Health Services facilities and tribal facilities that are funded through the Indian Self-Determination and Education Assistance Act (Pub. L. 93-638);
(2) Managed Care Organizations (MCOs), Prepaid Inpatient Health Plans (PIHPs), and Prepaid Ambulatory Health Plans (PAHPs) which are organized and operating in accordance with the provisions of 42 CFR 438;
(3) Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) reimbursed in accordance with Section 1902(bb) of the Act; and
(4) Disproportionate share hospital payments. The limitation in paragraph (c) of this section does not apply to payment adjustments made under section 1923 of the Act that are made under a State plan to hospitals found to serve a disproportionate number of low-income patients with special needs as provided...
