(2) Except as provided in paragraph (f)(3) of this section, the PACE organization must respond to the appeal as expeditiously as the participant’s health condition requires, but no later than 72 hours after it receives the appeal.

(3) The PACE organization may extend the 72-hour timeframe by up to 14 calendar days for either of the following reasons:
   (i) The participant requests the extension.
   (ii) The organization justifies to the State administering agency the need for additional information and how the delay is in the interest of the participant.

(g) Determination in favor of participant. A PACE organization must furnish the disputed service as expeditiously as the participant’s health condition requires if a determination is made in favor of the participant on appeal.

(h) Determination adverse to participant. For a determination that is wholly or partially adverse to a participant, at the same time the decision is made, the PACE organization must notify the following:
   (1) CMS.
   (2) The State administering agency.
   (3) The participant.

(i) Analyzing appeals information. A PACE organization must maintain, aggregate, and analyze information on appeal proceedings and use this information in the organization’s internal quality assessment and performance improvement program.

§ 460.134 Additional appeal rights under Medicare or Medicaid.

A PACE organization must inform a participant in writing of his or her appeal rights under Medicare or Medicaid managed care, or both, assist the participant in choosing which to pursue if both are applicable, and forward the appeal to the appropriate external entity.

Subpart H—Quality Assessment and Performance Improvement

§ 460.130 General rule.

(a) A PACE organization must develop, implement, maintain, and evaluate an effective, data-driven quality assessment and performance improvement program.

(b) The program must reflect the full range of services furnished by the PACE organization.

(c) A PACE organization must take actions that result in improvements in its performance in all types of care.

§ 460.132 Quality assessment and performance improvement plan.

(a) Basic rule. A PACE organization must have a written quality assessment and performance improvement plan.

(b) Annual review. The PACE governing body must review the plan annually and revise it, if necessary.

(c) Minimum plan requirements. At a minimum, the plan must specify how the PACE organization proposes to meet the following requirements:
   (1) Identify areas to improve or maintain the delivery of services and patient care.
   (2) Develop and implement plans of action to improve or maintain quality of care.
   (3) Document and disseminate to PACE staff and contractors the results from the quality assessment and performance improvement activities.

§ 460.134 Minimum requirements for quality assessment and performance improvement program.

(a) Minimum program requirements. A PACE organization’s quality assessment and performance improvement program must include, but is not limited to, the use of objective measures to demonstrate improved performance with regard to the following:
   (1) Utilization of PACE services, such as decreased inpatient hospitalizations and emergency room visits.
   (2) Caregiver and participant satisfaction.
   (3) Outcome measures that are derived from data collected during assessments, including data on the following:
