APPENDIX C TO PART 2—FEE SCHEDULE

If you submit a FOIA request, the bureau will charge you to search for, review, and duplicate the requested records according to your fee category (see §§ 2.16 and 2.17) and the following fee schedule. In addition, the bureau will charge you for any special handling or services performed in connection with processing your request and/or appeal under Subparts C and D of this part. The following fees will be used by all bureaus of the Department; these fees apply to services performed in making documents available for public inspection and copying under Subpart B of this part as well. The duplicating fees also are applicable to records provided in response to requests made under the Privacy Act. Fees will not be charged under either the FOIA or the Privacy Act where the total amount of fees for processing the request is \$30 or less (see § 2.16(b)(2)), where the requester has met the requirements for a statutory fee waiver, or where the bureau has granted a discretionary fee waiver (see §§ 2.19 and 2.20).

(1) *Search and review (review applies to commercial-use requesters only)*. Fees are based on: the average hourly salary (base salary plus DC locality payment), plus 16 percent for benefits, of employees in the following three categories. The average grade was established by surveying the bureaus to obtain the average grade of employees conducting FOIA searches and reviews. Fees will be increased annually consistent with Congressionally approved pay increases. Fees are charged in quarter hour increments.

(a) Clerical—Based on GS–6, Step 5, pay (all employees at GS–7 and below)

(b) Professional—Based on GS–11, Step 7, pay (all employees at GS–8 through GS–12)

(c) Managerial—Based on GS–14, Step 2, pay (all employees at GS–13 and above)

APPENDIX D TO PART 2—FEE WAIVER CRITERIA

If you are seeking a fee waiver, it is your responsibility to provide detailed information to support your request. You must submit this information with your FOIA request. You should explain the significance of the release of the information to the public's understanding of the Government's operations and activities based on your understanding of the type of information that you are requesting. Each fee waiver request is judged on its own merit—we do not grant "blanket" fee waivers, *i.e.*, obtaining a fee waiver once does not mean you will obtain a subsequent fee waiver. Please note that inability to pay is not sufficient to justify a fee waiver.

(a) The statutory requirement for granting a fee waiver is that release of the information must be in the public interest because it—

(1) Is likely to contribute significantly to public understanding of the operations and activities of the Government; and

(2) Is not primarily in your commercial interest.

(b) In deciding whether you are entitled to a fee waiver, the bureau will consider the criteria in paragraphs (1) through (4), below. Your request for a fee waiver must address each of these criteria.

(1) How do the records concern the operations or activities of the Government?

(2) If the records concern the operations or activities of the Government, how will disclosure likely contribute to public understanding of these operations and activities?

(i) How are the contents of the records you are seeking meaningfully informative on the Department's or a bureau's operations and activities? Is there a logical connection between the content of the records and the operations or activities you are interested in?

(ii) Other than enhancing your knowledge, how will disclosure of the requested records contribute to the understanding of the public at large or a reasonably broad audience of persons interested in the subject?

(iii) Your identity, vocation, qualifications, and expertise regarding the requested information (whether you are affiliated with a newspaper, college or university, have previously published articles, books, etc.) may be relevant factors. However, merely stating that you are going to write a book, research a particular subject, or perform doctoral dissertation work, is insufficient, without demonstrating how you plan to disclose the information in a manner which will be informative to a reasonably broad audience of persons interested in the subject.

(iv) Do you have the ability and intention to disseminate the information to the general public or a reasonably broad audience of persons interested in the subject?

(A) How and to whom do you intend to disseminate the information?

(B) How do you plan to use the information to contribute to public understanding of the Government's operations or activities?

(3) If there is likely to be a contribution to public understanding, will release of the requested records contribute significantly to public understanding?

(i) Is the information being disclosed new?
