(b) This section does not apply if:
(1) The formerly excess land becomes exempt from the acreage limitations of Federal reclamation law; or
(2) The full-cost rate is paid for any irrigation water delivered to your formerly excess land that is otherwise eligible to receive irrigation water. If you are a part owner of a legal entity that is the direct or indirect farm operator of the land in question, then the full-cost rate will apply to the proportional share of the land that reflects your interest in that legal entity.

Districts must not make irrigation water available to formerly excess land that meets the criteria under § 428.9(a), unless an exception provided in § 428.9(b) applies.

(a) All provisions of this part apply on January 1, 2001, except:
(1) For those districts whose 2001 water year commences prior to January 1, 2001, the applicability date of §§ 428.1 through 428.8 is October 1, 2000.
(2) On January 1, 2001, this part applies to all farm operating arrangements between farm operators and trusts or legal entities that:
