§ 61.1 Purpose of part.

This part describes the types of properties eligible for flood insurance coverage under the Program, the limits of such coverage, and the premium rates actually to be paid by insureds. The specific communities eligible for coverage are designated by the Federal Insurance Administrator from time to time as applications are approved under the emergency program and as ratemaking studies of communities are completed prior to the regular program. Lists of such communities are periodically published under part 64 of this subchapter.

§ 61.2 Definitions.

The definitions set forth in part 59 of this subchapter are applicable to this part.

§ 61.3 Types of coverage.

Insurance coverage under the Program is available for structures and their contents. Coverage for each may be purchased separately.

[43 FR 2570, Jan. 17, 1978. Redesignated at 44 FR 31177, May 31, 1979, as amended at 48 FR 39068, Aug. 29, 1983; 50 FR 36025, Sept. 4, 1985; 51 FR 30309, Aug. 25, 1986; 58 FR 62424, Nov. 26, 1993]

§ 61.4 Limitations on coverage.

All flood insurance made available under the Program is subject:

(a) To the Act, the Amendments thereto, and the Regulations issued under the Act;

(b) To the terms and conditions of the Standard Flood Insurance Policy, which shall be promulgated by the Federal Insurance Administrator for substance and form, and which is subject to interpretation by the Federal Insurance Administrator as to scope of coverage pursuant to the applicable statutes and regulations;

§ 61.5

(c) To the specified limits of coverage set forth in the Application and Declarations page of the policy; and

(d) To the maximum limits of coverage set forth in § 61.6.

[43 FR 2570, Jan. 17, 1978. Redesignated at 44 FR 31177, May 31, 1979, as amended at 48 FR 39068, Aug. 29, 1983; 50 FR 36025, Sept. 4, 1985; 53 FR 16277, May 6, 1988; 58 FR 62424, Nov. 26, 1993]

§ 61.5 Special terms and conditions.

(a) No new flood insurance or renewal of flood insurance policies shall be written for properties declared by a duly constituted State or local zoning or other authority to be in violation of any flood plain, mudslide (i.e., mud-flow) or flood-related erosion area management or control law, regulation, or ordinance.

(b) In order to reduce the administrative costs of the Program, of which the Federal Government pays a major share, payment of the full policyholder premium must be made at the time of application.

(c) Because of the seasonal nature of flooding, refunds of premiums upon cancellation of coverage by the insured are permitted only if the insurer ceases to have an ownership interest in the covered property at the location described in the policy. Refunds of premiums for any other reason are subject to the conditions set forth in § 62.5 of this subchapter.

[60 FR 5585, Jan. 30, 1995]

§ 61.7 Risk premium rate determinations.

(a) Pursuant to section 1307 of the Act, the Federal Insurance Administrator is authorized to undertake studies and investigations to enable him/her to estimate the risk premium rates necessary to provide flood insurance in accordance with accepted actuarial principles, including applicable operating costs and allowances. Such rates are also referred to in this subchapter as "actuarial rates."

(b) The Federal Insurance Administrator is also authorized to prescribe by regulation the rates which can reasonably be charged to insureds in order to encourage them to purchase the flood insurance made available under the Program. Such rates are referred to in this subchapter as "chargeable rates." For areas having special flood, mudslide (i.e., mudflow), and flood-related erosion hazards, chargeable rates are usually lower than actuarial rates.

§ 61.8 Applicability of risk premium rates.

Risk premium rates are applicable to all flood insurance made available for:

(a) Any structure, the construction or substantial improvement of which was started after December 31, 1974 or on or after the effective date of the initial FIRM, whichever is later.

(b) Coverage which exceeds the following limits:

(1) For dwelling properties in States other than Alaska, Hawaii, the Virgin Islands, and Guam (i) \$35,000 aggregate liability for any property containing only one unit, (ii) \$100,000 for any property containing more than one unit, and (iii) \$10,000 liability per unit for any contents related to such unit.

(2) For dwelling properties in Alaska, Hawaii, the Virgin Islands, and Guam (i) \$50,000 aggregate liability for any property containing only one unit, (ii) \$150,000 for property containing more than one unit, and (iii) \$10,000 aggregate liability per unit for any contents related to such unit.

(3) For churches and other properties (i) \$100,000 for the structure and (ii) \$100,000 for contents of any such unit.

(c) Any structure or the contents thereof for which the chargeable rates prescribed by this part would exceed the risk premium rates.

§ 61.9

44 CFR Ch. I (10–1–10 Edition)

§ 61.9 Establishment of chargeable rates.

(a) Under section 1308 of the Act, we are establishing annual chargeable

¹ A zones are zones A1–A30, AE, AO, AH, and unnumbered A zones.
² V zones are zones V1–V30, VE, and unnumbered V zones.
³ Residential Condominium Building Association Policies (RCBAP) are distinguished between High Rise (those structures that have 3 or more floors and 5 or more units) and Low Rise (those structures that have either less than 3 floors or less than 5 units).

(b) We will charge rates for contents in pre-FIRM buildings according to the use of the building.

(c) A-zone rates for buildings without basements or enclosures apply uniformly to all buildings throughout emergency program communities.

(d) Properties that meet the definition of Severe Repetitive Loss properties as defined in §79.2(g) of this subchapter, and who refuse an offer of mitigation pursuant to §79.7 of this subchapter are not eligible for the rates identified in paragraphs (a) through (c) of this section.

(e) Properties leased from the Federal Government and located either on the river-facing side of a dike, levee, or other riverine flood control structure, or seaward of any seawall or other coastal flood control structure are not eligible for the rates identified in paragraphs (a) through (c) of this section.

§ 61.11 Effective date and time of coverage under the Standard Flood Insurance Policy—New Business Applications and Endorsements.

(a) During the 13-month period beginning on the effective date of a revised Flood Hazard Boundary Map or Flood Insurance Rate Map for a community,

the effective date and time of any initial flood insurance coverage shall be 12:01 a.m. (local time) on the first calendar day after the application date and the presentment of payment of premium; for example, a flood insurance policy applied for with the payment of the premium on May 1 will become effective at 12:01 a.m. on May 2.

(b) Where the initial purchase of flood insurance is in connection with the making, increasing, extension, or renewal of a loan, the coverage with respect to the property which is the subject of the loan shall be effective as of the time of the loan closing, provided the written request for the coverage is received by the NFIP and the flood insurance policy is applied for and the presentment of payment of premium is made at or prior to the loan closing.

(c) Except as provided by paragraphs (a) and (b) of this section, the effective date and time of any new policy or added coverage or increase in the amount of coverage shall be 12:01 a.m. (local time) on the 30th calendar day after the application date and the presentment of payment of premium; for example, a flood insurance policy applied for with the payment of the premium on May 1 will become effective at 12:01 a.m. on May 31.

(d) Adding new coverage or increasing the amount of coverage in force is

permitted during the term of any policy. The additional premium for any new coverage or increase in the amount of coverage shall be calculated pro rata in accordance with the rates currently in force.

(e) With respect to any submission of an application in connection with new business, the payment by an insured to an agent or the issuance of premium payment by the agent, does not constitute payment to the NFIP, except where a WYO Company receives an application and premium payment from one of its agents and elects to refer the business to the NFIP Servicing Agent because the WYO Company does not wish to write the business, in which case any applicable waiting period under this section shall be calculated in accordance with the first sentence of paragraph (f) of this section. Therefore, it is important that an application for Flood Insurance and its premium be mailed to the NFIP promptly in order to have the effective date of the coverage based on the application date plus the waiting period. If the application and the premium payment are received at the office of the NFIP within ten (10) days from the date of application, the waiting period will be calculated from the date of application. Also, as an alternative, in those cases where the application and premium payment are mailed by certified mail within four (4) days from the date of application, the waiting period will be calculated from the date of application even though the application and premium payment are received at the office of the NFIP after ten (10) days following the date of application. Thus, if the application and premium payment are received after ten (10) days from the date of the application or are not mailed by certified mail within four (4) days from the date of application, the waiting period will be calculated from the date of receipt at the office of the NFIP. To determine the effective date of any coverage added by endorsement to a flood insurance policy already in effect, substitute the term *endorsement* for the term *application* in this paragraph (e).

(f) With respect to the submission of an application in connection with new business, a renewal of a policy in effect

and an endorsement to a policy in effect, the payment by an insured to an agent or the issuance of premium payment to a Write-Your-Own (WYO) Company by the agent, accompanied by a properly completed application, renewal or endorsement form, as appropriate, shall commence the calculation of any applicable waiting period under this section, provided that the agent is acting in the capacity of an agent of a Write-Your-Own (WYO) Company authorized by 44 CFR 62.23, is under written contract to or is an employee of such Company, and such WYO Company is, at the time of such submission of an application in connection with new business or a renewal or endorsement to flood insurance coverage, engaged in WYO business under an arrangement entered into by the Federal Insurance Administrator and the WYO Company pursuant to § 62.23.

(g) Subject to the provisions of paragraph (f) of this section, the rules set forth in paragraphs (a), (b), (c), (d) and (e) of this section apply to WYO Companies, except that premium payments and accompanying applications and endorsements shall be mailed to and received by the WYO Company, rather than the NFIP.

§ 61.12 Rates based on a flood protection system involving Federal funds.

(a) Where the Federal Insurance Administrator determines that a community has made adequate progress on the construction of a flood protection system involving Federal funds which will significantly limit the area of special flood hazards, the applicable risk premium rates for any property, located within a special flood hazard area intended to be protected directly by such system will be those risk premium rates which would be applicable when the system is complete.

(b) Adequate progress in paragraph (a) of this section means that the community has provided information to

§61.13

44 CFR Ch. I (10–1–10 Edition)

the Federal Insurance Administrator sufficient to determine that substantial completion of the flood protection system has been effected because:

(1) 100 percent of the total financial project cost of the completed flood protection system has been authorized;

(2) At least 60 percent of the total financial project cost of the completed flood protection system has been appropriated;

(3) At least 50 percent of the total financial project cost of the completed flood protection system has been expended;

(4) All critical features of the flood protection system, as identified by the Federal Insurance Administrator, are under construction, and each critical feature is 50 percent completed as measured by the actual expenditure of the estimated construction budget funds; and

(5) The community has not been responsible for any delay in the completion of the system.

(c) Each request by a community for a determination must be submitted in writing to the Risk Analysis Division, Mitigation Directorate, Federal Emergency Management Agency, Washington DC, and contain a complete statement of all relevant facts relating to the flood protection system, including, but not limited to, supporting technical data (e.g., U.S. Army Corps of Engineers flood protection project data), cost schedules, budget appropriation data and the extent of Federal funding of the system's construction. Such facts shall include information sufficient to identify all persons affected by such flood protection system or by such request: A full and precise statement of intended purposes of the flood protection system; and a carefully detailed description of such project, including construction completion target dates. In addition, true copies of all contracts, agreements, leases, instruments, and other documents involved must be submitted with the request. Relevant facts reflected in documents, however, must be included in the statement and not merely incorporated by reference, and must be accompanied by an analysis of their bearing on the requirements of paragraph (b) of this section, specifying the perti-

nent provisions. The request must contain a statement whether, to the best of the knowledge of the person responsible for preparing the application for the community, the flood protection system is currently the subject matter of litigation before any Federal, State or local court or administrative agency, and the purpose of that litigation. The request must also contain a statement as to whether the community has previously requested a determination with respect to the same subject matter from the Federal Insurance Administrator, detailing the disposition of such previous request. As documents become part of the file and cannot be returned, the original documents should not be submitted.

(d) The effective date for any risk premium rates established under this section shall be the date of final determination by the Federal Insurance Administrator that adequate progress toward completion of a flood protection system has been made in a community.

(e) A responsible official of a community which received a determination that adequate progress has been made towards completion of a flood protection system shall certify to the Federal Insurance Administrator annually on the anniversary date of receipt of such determination that no present delay in completion of the system is attributable to local sponsors of the system, and that a good faith effort is being made to complete the project.

(f) A community for which risk premium rates have been made available under section 1307(e) of the National Flood Insurance Act of 1968, as amended, shall notify the Federal Insurance Administrator if, at any time, all progress on the completion of the flood protection system has been halted or if the project for the completion of the flood protection system has been canceled.

(e) *Oral and written binders.* No oral binder or contract shall be effective. No written binder shall be effective unless issued with express authorization of the Federal Insurance Administrator.

(f) The Standard Flood Insurance Policy and endorsements may be issued by private sector “Write-Your-Own” (WYO) property insurance companies, based upon flood insurance applications and renewal forms, all of which instruments of flood insurance may bear the name, as Insurer, of the issuing WYO Company. In the case of any Standard Flood Insurance Policy, and its related forms, issued by a WYO Company, wherever the names “Federal Emergency Management Agency” and “Federal Insurance Administration” appear, the WYO Company is authorized to substitute its own name therefor. § 61.17 Group Flood Insurance Policy.

(a) A Group Flood Insurance Policy (GFIP) is a policy covering all individuals named by a State as recipients under section 408 of the Stafford Act (42 U.S.C. 5174) of an Individuals and Households Program (IHP) award for

flood damage as a result of major disaster declaration by the President.

(b) The premium for the GFIP is a flat fee of \$600 per insured. We may adjust the premium to reflect NFIP loss experience and any adjustment of benefits under the IHP program.

(c) The amount of coverage is equivalent to the maximum grant amount established under section 408 of the Stafford Act (42 U.S.C. 5174).

(d) The term of the GFIP is for 36 months and begins 60 days after the date of the disaster declaration.

(e) Coverage for individual grantees begins on the thirtieth day after the NFIP receives the required data for individual grantees and their premium payments.

(f) We will send a Certificate of Flood Insurance to each individual insured under the GFIP.

(g) The GFIP is the Standard Flood Insurance Policy Dwelling Form (a copy of which is included in Appendix A(1) of this part), except that:

(1) VI. DEDUCTIBLES does not apply to the GFIP. A special deductible of \$200 (applicable separately to any building loss and any contents loss) applies to insured flood-damage losses sustained by the insured property in the course of any subsequent flooding event during the term of the GFIP. The deductible does not apply to:

(i) III.C.2. Loss Avoidance Measures; or

(ii) III. C.3. Condominium Loss Assessments coverage.

(2) VII. GENERAL CONDITIONS, E. Cancellation of Policy by You, does not apply to the GFIP.

(3) VII. GENERAL CONDITIONS, H. Policy Renewal, does not apply to the GFIP.

(h) We will send a notice to the GFIP certificate holders approximately 60 days before the end of the thirty-six month term of the GFIP. The notice will encourage them to contact a local insurance agent or producer or a private insurance company selling NFIP policies under the Write Your Own program of the NFIP Standard Flood Insurance Policy, and advise them as to the amount of coverage they must maintain in order not to jeopardize their eligibility for future disaster assistance. The IHP program will provide

the NFIP the amount of flood insurance coverage to be maintained by certificate holders.

APPENDIX A(1) TO PART 61

FEDERAL EMERGENCY MANAGEMENT AGENCY,
FEDERAL INSURANCE ADMINISTRATION

STANDARD FLOOD INSURANCE POLICY

DWELLING FORM

Please read the policy carefully. The flood insurance provided is subject to limitations, restrictions, and exclusions. This policy covers only:

1. A non-condominium residential building designed for principal use as a dwelling place of one to four families, or
2. A single family dwelling unit in a condominium building.

I. AGREEMENT

The Federal Emergency Management Agency (FEMA) provides flood insurance under the terms of the National Flood Insurance Act of 1968 and its Amendments, and Title 44 of the Code of Federal Regulations.

We will pay you for direct physical loss by or from flood to your insured property if you:

1. Have paid the correct premium;
2. Comply with all terms and conditions of this policy; and
3. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your policy based on our review.

II. DEFINITIONS

A. In this policy, “you” and “your” refer to the insured(s) shown on the Declarations Page of this policy and your spouse, if a resident of the same household. Insured(s) includes: Any mortgagee and loss payee named in the Application and Declarations Page, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. “We,” “us,” and “our” refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

Flood, as used in this flood insurance policy, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (one of which is your property) from:
 - a. Overflow of inland or tidal waters,

b. Unusual and rapid accumulation or runoff of surface waters from any source,

c. Mudflow.

2. Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels that result in a flood as defined in A.1.a. above.

B. The following are the other key definitions we use in this policy:

1. *Act*. The National Flood Insurance Act of 1968 and any amendments to it.

2. *Actual Cash Value*. The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.

3. *Application*. The statement made and signed by you or your agent in applying for this policy. The application gives information we use to determine the eligibility of the risk, the kind of policy to be issued, and the correct premium payment. The application is part of this flood insurance policy. For us to issue you a policy, the correct premium payment must accompany the application.

4. *Base Flood*. A flood having a one percent chance of being equaled or exceeded in any given year.

5. *Basement*. Any area of the building, including any sunken room or sunken portion of a room, having its floor below ground level (subgrade) on all sides.

6. *Building*.

a. A structure with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site;

b. A manufactured home (a "manufactured home," also known as a mobile home, is a structure: built on a permanent chassis, transported to its site in one or more sections, and affixed to a permanent foundation); or

c. A travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the community's floodplain management and building ordinances or laws.

Building does not mean a gas or liquid storage tank or a recreational vehicle, park trailer or other similar vehicle, except as described in B.6.c. above.

7. *Cancellation*. The ending of the insurance coverage provided by this policy before the expiration date.

8. *Condominium*. That form of ownership of real property in which each unit owner has an undivided interest in common elements.

9. *Condominium Association*. The entity made up of the unit owners responsible for the maintenance and operation of:

a. Common elements owned in undivided shares by unit owners; and

b. Other real property in which the unit owners have use rights; where membership in the entity is a required condition of unit ownership.

10. *Declarations Page*. A computer-generated summary of information you provided in the application for insurance. The Declarations Page also describes the term of the policy, limits of coverage, and displays the premium and our name. The Declarations Page is a part of this flood insurance policy.

11. *Described Location*. The location where the insured building(s) or personal property are found. The described location is shown on the Declarations Page.

12. *Direct Physical Loss By or From Flood*. Loss or damage to insured property, directly caused by a flood. There must be evidence of physical changes to the property.

13. *Dwelling*. A building designed for use as a residence for no more than four families or a single-family unit in a building under a condominium form of ownership.

14. *Elevated Building*. A building that has no basement and that has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.

15. *Emergency Program*. The initial phase of a community's participation in the National Flood Insurance Program. During this phase, only limited amounts of insurance are available under the Act.

16. *Expense Constant*. A flat charge you must pay on each new or renewal policy to defray the expenses of the Federal Government related to flood insurance.

17. *Federal Policy Fee*. A flat charge you must pay on each new or renewal policy to defray certain administrative expenses incurred in carrying out the National Flood Insurance Program. This fee covers expenses not covered by the Expense Constant.

18. *Improvements*. Fixtures, alterations, installations, or additions comprising a part of the insured dwelling or the apartment in which you reside.

19. *Mudflow*. A river of liquid and flowing mud on the surface of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down a slope, are not mudflows.

20. *National Flood Insurance Program (NFIP)*. The program of flood insurance coverage and floodplain management administered under the Act and applicable Federal regulations in Title 44 of the Code of Federal Regulations, Subchapter B.

21. *Policy*. The entire written contract between you and us. It includes:

a. This printed form;

b. The application and Declarations Page;

c. Any endorsement(s) that may be issued; and

d. Any renewal certificate indicating that coverage has been instituted for a new policy and new policy term.

Only one dwelling, which you specifically described in the application, may be insured under this policy.

22. *Pollutants.* Substances that include, but are not limited to, any solid, liquid, gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. "Waste" includes, but is not limited to, materials to be recycled, reconditioned, or reclaimed.

23. *Post-FIRM Building.* A building for which construction or substantial improvement occurred after December 31, 1974, or on or after the effective date of an initial Flood Insurance Rate Map (FIRM), whichever is later.

24. *Probation Premium.* A flat charge you must pay on each new or renewal policy issued covering property in a community the NFIP has placed on probation under the provisions of 44 CFR 59.24.

25. *Regular Program.* The final phase of a community's participation in the National Flood Insurance Program. In this phase, a Flood Insurance Rate Map is in effect and full limits of coverage are available under the Act.

26. *Special Flood Hazard Area.* An area having special flood or mudflow, and/or flood-related erosion hazards, and shown on a Flood Hazard Boundary Map or Flood Insurance Rate Map as Zone A, AO, A1–A30, AE, A99, AH, AR, AR/A, AR/AE, AR/AH, AR/AO, AR/A1–A30, V1–V30, VE, or V.

27. *Unit.* A single-family unit you own in a condominium building.

28. *Valued Policy.* A policy in which the insured and the insurer agree on the value of the property insured, that value being payable in the event of a total loss. The Standard Flood Insurance Policy is not a valued policy.

III. PROPERTY COVERED

A. Coverage A—Building Property

We insure against direct physical loss by or from flood to:

1. The dwelling at the described location, or for a period of 45 days at another location as set forth in III.C.2.b., Property Removed to Safety.

2. Additions and extensions attached to and in contact with the dwelling by means of a rigid exterior wall, a solid load-bearing interior wall, a stairway, an elevated walkway, or a roof. At your option, additions and extensions connected by any of these methods may be separately insured. Additions and extensions attached to and in contact with the building by means of a common interior wall that is not a solid load-bearing wall are always considered part of the dwelling and cannot be separately insured.

3. A detached garage at the described location. Coverage is limited to no more than 10% of the limit of liability on the dwelling.

Use of this insurance is at your option but reduces the building limit of liability. We do not cover any detached garage used or held for use for residential (i.e., dwelling), business, or farming purposes.

4. Materials and supplies to be used for construction, alteration, or repair of the dwelling or a detached garage while the materials and supplies are stored in a fully enclosed building at the described location or on an adjacent property.

5. A building under construction, alteration, or repair at the described location.

a. If the structure is not yet walled or roofed as described in the definition for building (see II.B.6.a.) then coverage applies:

- (1) Only while such work is in progress; or
- (2) If such work is halted, only for a period of up to 90 continuous days thereafter.

b. However, coverage does not apply until the building is walled and roofed if the lowest floor, including the basement floor, of a non-elevated building or the lowest elevated floor of an elevated building is:

(1) Below the base flood elevation in Zones AH, AE, A1–A30, AR, AR/AE, AR/AH, AR/A1–A30, AR/A, AR/AO; or

(2) Below the base flood elevation adjusted to include the effect of wave action in Zones VE or V1–V30.

The lowest floor levels are based on the bottom of the lowest horizontal structural member of the floor in Zones VE or V1–V30 and the top of the floor in Zones AH, AE, A1–A30, AR, AR/AE, AR/AH, AR/A1–A30, AR/A, AR/AO.

6. A manufactured home or a travel trailer as described in the Definitions section (see II.B.6.b. and II.B.6.c.).

If the manufactured home or travel trailer is in a special flood hazard area, it must be anchored in the following manner at the time of the loss:

a. By over-the-top or frame ties to ground anchors; or

b. In accordance with the manufacturer's specifications; or

c. In compliance with the community's floodplain management requirements unless it has been continuously insured by the NFIP at the same described location since September 30, 1982.

7. The following items of property which are covered under Coverage A only:

- a. Awnings and canopies;
- b. Blinds;
- c. Built-in dishwashers;
- d. Built-in microwave ovens;
- e. Carpet permanently installed over unfinished flooring;
- f. Central air conditioners;
- g. Elevator equipment;
- h. Fire sprinkler systems;
- i. Walk-in freezers;
- j. Furnaces and radiators;
- k. Garbage disposal units;

l. Hot water heaters, including solar water heaters;

m. Light fixtures;

n. Outdoor antennas and aerials fastened to buildings;

o. Permanently installed cupboards, bookcases, cabinets, paneling, and wallpaper;

p. Plumbing fixtures;

q. Pumps and machinery for operating pumps;

r. Ranges, cooking stoves, and ovens;

s. Refrigerators; and

t. Wall mirrors, permanently installed.

8. Items of property in a building enclosure below the lowest elevated floor of an elevated post-FIRM building located in Zones A1–A30, AE, AH, AR, AR/A, AR/AE, AR/AH, AR/A1–A30, V1–V30, or VE, or in a basement, regardless of the zone. Coverage is limited to the following:

a. Any of the following items, if installed in their functioning locations and, if necessary for operation, connected to a power source:

(1) Central air conditioners;

(2) Cisterns and the water in them;

(3) Drywall for walls and ceilings in a basement and the cost of labor to nail it, unfinished and unfloated and not taped, to the framing;

(4) Electrical junction and circuit breaker boxes;

(5) Electrical outlets and switches;

(6) Elevators, dumbwaiters and related equipment, except for related equipment installed below the base flood elevation after September 30, 1987;

(7) Fuel tanks and the fuel in them;

(8) Furnaces and hot water heaters;

(9) Heat pumps;

(10) Nonflammable insulation in a basement;

(11) Pumps and tanks used in solar energy systems;

(12) Stairways and staircases attached to the building, not separated from it by elevated walkways;

(13) Sump pumps;

(14) Water softeners and the chemicals in them, water filters, and faucets installed as an integral part of the plumbing system;

(15) Well water tanks and pumps;

(16) Required utility connections for any item in this list; and

(17) Footings, foundations, posts, pilings, piers, or other foundation walls and anchorage systems required to support a building.

b. Clean-up.

B. Coverage B—Personal Property

1. If you have purchased personal property coverage, we insure against direct physical loss by or from flood to personal property inside a building at the described location, if:

a. The property is owned by you or your household family members; and

b. At your option, the property is owned by guests or servants.

Personal property is also covered for a period of 45 days at another location as set forth in III.C.2.b., Property Removed to Safety.

Personal property in a building that is not fully enclosed must be secured to prevent flotation out of the building. If the personal property does float out during a flood, it will be conclusively presumed that it was not reasonably secured. In that case there is no coverage for such property.

2. Coverage for personal property includes the following property, subject to B.1. above, which is covered under Coverage B only:

a. Air conditioning units, portable or window type;

b. Carpets, not permanently installed, over unfinished flooring;

c. Carpets over finished flooring;

d. Clothes washers and dryers;

e. “Cook-out” grills;

f. Food freezers, other than walk-in, and food in any freezer; and

g. Portable microwave ovens and portable dishwashers.

3. Coverage for items of property in a building enclosure below the lowest elevated floor of an elevated post-FIRM building located in Zones A1–A30, AE, AH, AR, AR/A, AR/AE, AR/AH, AR/A1–A30, V1–V30, or VE, or in a basement, regardless of the zone, is limited to the following items, if installed in their functioning locations and, if necessary for operation, connected to a power source:

a. Air conditioning units, portable or window type;

b. Clothes washers and dryers; and

c. Food freezers, other than walk-in, and food in any freezer.

4. If you are a tenant and have insured personal property under Coverage B in this policy, we will cover such property, including your cooking stove or range and refrigerator. The policy will also cover improvements made or acquired solely at your expense in the dwelling or apartment in which you reside, but for not more than 10% of the limit of liability shown for personal property on the Declarations Page. Use of this insurance is at your option but reduces the personal property limit of liability.

5. If you are the owner of a unit and have insured personal property under Coverage B in this policy, we will also cover your interior walls, floor, and ceiling (not otherwise covered under a flood insurance policy purchased by your condominium association) for not more than 10% of the limit of liability shown for personal property on the Declarations Page. Use of this insurance is at your option but reduces the personal property limit of liability.

6. Special Limits. We will pay no more than \$2,500 for any one loss to one or more of the following kinds of personal property:

- a. Artwork, photographs, collectibles, or memorabilia, including but not limited to, porcelain or other figures, and sports cards;
 - b. Rare books or autographed items;
 - c. Jewelry, watches, precious and semi-precious stones, or articles of gold, silver, or platinum;
 - d. Furs or any article containing fur which represents its principal value; or
 - e. Personal property used in any business.
7. We will pay only for the functional value of antiques.

C. Coverage C—Other Coverages

1. Debris Removal.

a. We will pay the expense to remove non-owned debris that is on or in insured property and debris of insured property anywhere.

b. If you or a member of your household perform the removal work, the value of your work will be based on the Federal minimum wage.

c. This coverage does not increase the Coverage A or Coverage B Limit of Liability.

2. Loss Avoidance Measures

a. Sandbags, Supplies, and Labor

(1) We will pay up to \$1,000 for costs you incur to protect the insured building from a flood or imminent danger of flood, for the following:

- (a) Your reasonable expenses to buy:
 - (i) Sandbags, including sand to fill them;
 - (ii) Fill for temporary levees;
 - (iii) Pumps; and
 - (iv) Plastic sheeting and lumber used in connection with these items.
- (b) The value of work, at the Federal minimum wage, that you or a member of your household perform.

(2) This coverage for Sandbags, Supplies and Labor only applies if damage to insured property by or from flood is imminent and the threat of flood damage is apparent enough to lead a person of common prudence to anticipate flood damage. One of the following must also occur:

- (a) A general and temporary condition of flooding in the area near the described location must occur, even if the flood does not reach the building; or
- (b) A legally authorized official must issue an evacuation order or other civil order for the community in which the building is located calling for measures to preserve life and property from the peril of flood.

This coverage does not increase the Coverage A or Coverage B Limit of Liability.

b. Property Removed to Safety

(1) We will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the described location that contains the property in order to protect it from flood or the imminent danger of flood.

Reasonable expenses include the value of work, at the Federal minimum wage, you or a member of your household perform.

(2) If you move insured property to a location other than the described location that contains the property, in order to protect it from flood or the imminent danger of flood, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed building or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in II.6.b.and c., must be placed above ground level or outside of the special flood hazard area.

This coverage does not increase the Coverage A or Coverage B Limit of Liability.

3. Condominium Loss Assessments.

a. If this policy insures a unit, we will pay, up to the Coverage A limit of liability, your share of loss assessments charged against you by the condominium association in accordance with the condominium association's articles of association, declarations and your deed.

The assessment must be made as a result of direct physical loss by or from flood during the policy term, to the building's common elements.

b. We will not pay any loss assessment charged against you:

- (1) And the condominium association by any governmental body;
- (2) That results from a deductible under the insurance purchased by the condominium association insuring common elements;
- (3) That results from a loss to personal property, including contents of a condominium building;
- (4) That results from a loss sustained by the condominium association that was not reimbursed under a flood insurance policy written in the name of the association under the Act because the building was not, at the time of loss, insured for an amount equal to the lesser of:

- (a) 80% or more of its full replacement cost; or
- (b) The maximum amount of insurance permitted under the Act;
- (5) To the extent that payment under this policy for a condominium building loss, in combination with payments under any other NFIP policies for the same building loss, exceeds the maximum amount of insurance permitted under the Act for that kind of building; or
- (6) To the extent that payment under this policy for a condominium building loss, in combination with any recovery available to you as a tenant in common under any NFIP condominium association policies for the

same building loss, exceeds the amount of insurance permitted under the Act for a single-family dwelling.

Loss assessment coverage does not increase the Coverage A Limit of Liability.

D. Coverage D—Increased Cost of Compliance

1. General.

This policy pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering flood damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

a. Non-residential structures.

b. Residential structures with basements that satisfy FEMA's standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

2. Limit of Liability.

We will pay you up to \$30,000 under this Coverage D—Increased Cost of Compliance, which only applies to policies with building coverage (Coverage A). Our payment of claims under Coverage D is in addition to the amount of coverage which you selected on the application and which appears on the Declarations Page. But the maximum you can collect under this policy for both Coverage A—Building Property and Coverage D—Increased Cost of Compliance cannot exceed the maximum permitted under the Act. We do not charge a separate deductible for a claim under Coverage D.

3. Eligibility

a. A structure covered under Coverage A—Building Property sustaining a loss caused by a flood as defined by this policy must:

(1) Be a "repetitive loss structure." A repetitive loss structure is one that meets the following conditions:

(a) The structure is covered by a contract of flood insurance issued under the NFIP.

(b) The structure has suffered flood damage on two occasions during a 10-year period which ends on the date of the second loss.

(c) The cost to repair the flood damage, on average, equaled or exceeded 25% of the market value of the structure at the time of each flood loss.

(d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50% of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law

or ordinance being enforced against the structure.

b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

(1) 3.a.(1) above.

(2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA which the State or local government has adopted and is enforcing for flood-damaged structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. This also includes compliance activities in zones where base flood elevations are being increased, and a flood-damaged structure must comply with the higher advisory base flood elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for flood-damaged structures to elevations derived solely by the community.

(3) Elevation or floodproofing above the base flood elevation to meet State or local "freeboard" requirements, *i.e.*, that a structure must be elevated above the base flood elevation.

c. Under the minimum NFIP criteria at 44 CFR 60.3(b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the base flood elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.

d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion D.5.g. below.

e. This coverage will also pay to bring a flood-damaged structure into compliance with state or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. Conditions.

a. When a structure covered under Coverage A—Building Property sustains a loss caused by a flood, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible

demolition activities will be for the cost to demolish and clear the site of the building debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

b. When the building is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.

5. *Exclusions.*

Under this Coverage D (Increased Cost of Compliance) we will not pay for:

a. The cost to comply with any floodplain management law or ordinance in communities participating in the Emergency Program.

b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants.

c. The loss in value to any insured building or other structure due to the requirements of any ordinance or law.

d. The loss in residual value of the undamaged portion of a building demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.

e. Any Increased Cost of Compliance under this Coverage D:

(1) Until the building is elevated, floodproofed, demolished, or relocated on the same or to another premises; and

(2) Unless the building is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed two years.

f. Any code upgrade requirements, *e.g.*, plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.

g. Any compliance activities needed to bring additions or improvements made after the loss occurred into compliance with State or local floodplain management laws or ordinances.

h. Loss due to any ordinance or law that you were required to comply with before the current loss.

i. Any rebuilding activity to standards that do not meet the NFIP's minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current flood loss to rebuild the property to an elevation below the base flood elevation.

j. Increased Cost of Compliance for a garage or carport.

k. Any structure insured under an NFIP Group Flood Insurance Policy.

1. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in compliance with State or local floodplain management ordinances or laws.

6. *Other Provisions.*

a. Increased Cost of Compliance coverage will not be included in the calculation to determine whether coverage meets the 80% insurance-to-value requirement for replacement cost coverage as set forth in VII. General Conditions, V. Loss Settlement.

b. All other conditions and provisions of the policy apply.

IV. PROPERTY NOT COVERED

We do not cover any of the following:

1. Personal property not inside a building;

2. A building, and personal property in it, located entirely in, on, or over water or seaward of mean high tide if it was constructed or substantially improved after September 30, 1982;

3. Open structures, including a building used as a boathouse or any structure or building into which boats are floated, and personal property located in, on, or over water;

4. Recreational vehicles other than travel trailers described in the Definitions section (see II.B.6.c.) whether affixed to a permanent foundation or on wheels;

5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines not licensed for use on public roads that are:

a. Used mainly to service the described location or

b. Designed and used to assist handicapped persons, while the vehicles or machines are inside a building at the described location;

6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;

7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;

8. Underground structures and equipment, including wells, septic tanks, and septic systems;

9. Those portions of walks, walkways, decks, driveways, patios and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured building or the building in which the insured unit is located;

10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;

11. Buildings or units and all their contents if more than 49% of the actual cash value of the building is below ground, unless

the lowest level is at or above the base flood elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;

12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;

13. Aircraft or watercraft, or their furnishings and equipment;

14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment, such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;

15. Property not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act and amendments to these Acts;

16. Personal property you own in common with other unit owners comprising the membership of a condominium association.

V. EXCLUSIONS

A. We only pay for direct physical loss by or from flood, which means that we do not pay you for:

1. Loss of revenue or profits;
2. Loss of access to the insured property or described location;
3. Loss of use of the insured property or described location;
4. Loss from interruption of business or production;
5. Any additional living expenses incurred while the insured building is being repaired or is unable to be occupied for any reason;
6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities we describe in Coverage D—Increased Cost of Compliance; or
7. Any other economic loss you suffer.

B. We do not insure a loss directly or indirectly caused by a flood that is already in progress at the time and date:

1. The policy term begins; or
2. Coverage is added at your request.

C. We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by flood. Some examples of earth movement that we do not cover are:

1. Earthquake;
2. Landslide;
3. Land subsidence;
4. Sinkholes;
5. Destabilization or movement of land that results from accumulation of water in subsurface land area; or
6. Gradual erosion.

We do, however, pay for losses from mudflow and land subsidence as a result of ero-

sion that are specifically covered under our definition of flood (see II.A.1.c. and II.A.2.).

D. We do not insure for direct physical loss caused directly or indirectly by any of the following:

1. The pressure or weight of ice;
2. Freezing or thawing;
3. Rain, snow, sleet, hail, or water spray;
4. Water, moisture, mildew, or mold damage that results primarily from any condition:
 - a. Substantially confined to the dwelling; or
 - b. That is within your control, including but not limited to:
 - (1) Design, structural, or mechanical defects;
 - (2) Failure, stoppage, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or
 - (3) Failure to inspect and maintain the property after a flood recedes;
5. Water or water-borne material that:
 - a. Backs up through sewers or drains;
 - b. Discharges or overflows from a sump, sump pump or related equipment; or
 - c. Seeps or leaks on or through the covered property;

unless there is a flood in the area and the flood is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water;

7. Power, heating, or cooling failure unless the failure results from direct physical loss by or from flood to power, heating, or cooling equipment on the described location;

8. Theft, fire, explosion, wind, or wind-storm;

9. Anything you or any member of your household do or conspires to do to deliberately cause loss by flood; or

10. Alteration of the insured property that significantly increases the risk of flooding.

E. We do not insure for loss to any building or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.

F. We do not pay for the testing for or monitoring of pollutants unless required by law or ordinance.

VI. DEDUCTIBLES

A. When a loss is covered under this policy, we will pay only that part of the loss that exceeds your deductible amount, subject to the limit of liability that applies. The deductible amount is shown on the Declarations Page.

However, when a building under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed building.

B. In each loss from flood, separate deductibles apply to the building and personal property insured by this policy.

C. The deductible does NOT apply to:

1. III.C.2. Loss Avoidance Measures;
2. III.C.3. Condominium Loss Assessments; or
3. III.D. Increased Cost of Compliance.

VII. GENERAL CONDITIONS

A. Pair and Set Clause

In case of loss to an article that is part of a pair or set, we will have the option of paying you:

1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, minus its depreciation, or
2. The amount that represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance

1. With respect to all insureds under this policy, this policy:

- a. Is void;
- b. Has no legal force or effect;
- c. Cannot be renewed; and
- d. Cannot be replaced by a new NFIP policy, if, before or after a loss, you or any other insured or your agent have at any time:

(1) Intentionally concealed or misrepresented any material fact or circumstance;

(2) Engaged in fraudulent conduct; or

(3) Made false statements; relating to this policy or any other NFIP insurance.

2. This policy will be void as of the date wrongful acts described in B.1.above were committed.

3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.

4. This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:

a. If the property is located in a community that was not participating in the NFIP on the policy's inception date and did not join or reenter the program during the policy term and before the loss occurred; or

b. If the property listed on the application is otherwise not eligible for coverage under the NFIP.

C. Other Insurance

1. If a loss covered by this policy is also covered by other insurance that includes flood coverage not issued under the Act, we will not pay more than the amount of insurance you are entitled to for lost, damaged, or destroyed property insured under this policy subject to the following:

a. We will pay only the proportion of the loss that the amount of insurance that applies under this policy bears to the total amount of insurance covering the loss, unless C.1.b. or c. immediately below applies.

b. If the other policy has a provision stating that it is excess insurance, this policy will be primary.

c. This policy will be primary (but subject to its own deductible) up to the deductible in the other flood policy (except another policy as described in C.1.b. above). When the other deductible amount is reached, this policy will participate in the same proportion that the amount of insurance under this policy bears to the total amount of both policies, for the remainder of the loss.

2. If there is other insurance in the name of your condominium association covering the same property covered by this policy, then this policy will be in excess over the other insurance.

D. Amendments, Waivers, Assignment

This policy cannot be changed nor can any of its provisions be waived without the express written consent of the Federal Insurance Administrator. No action we take under the terms of this policy constitutes a waiver of any of our rights. You may assign this policy in writing when you transfer title of your property to someone else except under these conditions:

1. When this policy covers only personal property; or

2. When this policy covers a structure during the course of construction.

E. Cancellation of the Policy by You

1. You may cancel this policy in accordance with the applicable rules and regulations of the NFIP.

2. If you cancel this policy, you may be entitled to a full or partial refund of premium also under the applicable rules and regulations of the NFIP.

F. Non-Renewal of the Policy by Us

Your policy will not be renewed:

1. If the community where your covered property is located stops participating in the NFIP, or

2. If your building has been declared ineligible under section 1316 of the Act.

G. Reduction and Reformation of Coverage

1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.

2. The policy can be reformed to increase the amount of coverage resulting from the reduction described in G.1. above to the amount you requested as follows:

a. Discovery of Insufficient Premium or Incomplete Rating Information Before a Loss:

(1) If we discover before you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current policy term (or that portion of the current policy term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the current policy term (or subsequent date of any endorsement changing the amount of coverage).

(2) If we determine before you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current policy term, we will follow the procedure in G.2.a.(1) above.

(3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

b. Discovery of Insufficient Premium or Incomplete Rating Information After a Loss:

(1) If we discover after you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior policy terms. If you or the mortgagee or trustee pay the additional premium within 30 days of the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the prior policy term.

(2) If we discover after you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information before your claim

can be paid. Once we determine the amount of additional premium for the current and prior policy terms, we will follow the procedure in G.2.b.(1) above.

(3) If we do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition B. Concealment or Fraud and Policy Voidance apply.

H. Policy Renewal

1. This policy will expire at 12:01 a.m. on the last day of the policy term.

2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.

3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, e.g., we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:

a. If you or your agent notified us, not later than one year after the date on which the payment of the renewal premium was due, of non-receipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.

b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the policy. In that case, the policy will remain an expired policy as of the expiration date shown on the Declarations Page.

4. In connection with the renewal of this policy, we may ask you during the policy term to recertify, on a Recertification Questionnaire we will provide to you, the rating information used to rate your most recent application for or renewal of insurance.

I. Conditions Suspending or Restricting Insurance

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. Requirements in Case of Loss

In case of a flood loss to insured property, you must:

1. Give prompt written notice to us;

2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;

3. Prepare an inventory of damaged property showing the quantity, description, actual cash value, and amount of loss. Attach all bills, receipts, and related documents;

4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the policy signed and sworn to by you, and which furnishes us with the following information:

- a. The date and time of loss;
- b. A brief explanation of how the loss happened;
- c. Your interest (for example, “owner”) and the interest, if any, of others in the damaged property;
- d. Details of any other insurance that may cover the loss;
- e. Changes in title or occupancy of the covered property during the term of the policy;
- f. Specifications of damaged buildings and detailed repair estimates;
- g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
- h. Details about who occupied any insured building at the time of loss and for what purpose; and
- i. The inventory of damaged personal property described in J.3. above.

5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.

6. You must cooperate with the adjuster or representative in the investigation of the claim.

7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within 60 days after the loss even if the adjuster does not furnish the form or help you complete it.

8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.

9. At our option, we may accept the adjuster’s report of the loss instead of your proof of loss. The adjuster’s report will include information about your loss and the damages you sustained. You must sign the adjuster’s report. At our option, we may require you to swear to the report.

K. Our Options After a Loss

Options we may, in our sole discretion, exercise after loss include the following:

- 1. At such reasonable times and places that we may designate, you must:
 - a. Show us or our representative the damaged property;

- b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and

- c. Permit us to examine and make extracts and copies of:

- (1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;

- (2) Condominium association documents including the Declarations of the condominium, its Articles of Association or Incorporation, Bylaws, rules and regulations, and other relevant documents if you are a unit owner in a condominium building; and

- (3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.

2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged or destroyed property, including:

- a. Quantities and costs;
- b. Actual cash values or replacement cost (whichever is appropriate);
- c. Amounts of loss claimed;
- d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and
- e. Evidence that prior flood damage has been repaired.

3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:

- a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and
- b. Take all or any part of the damaged property at the value that we agree upon or its appraised value.

L. No Benefit to Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files the adjuster’s report signed and sworn to by you in lieu of a proof of loss) and:

- a. We reach an agreement with you;
- b. There is an entry of a final judgment; or
- c. There is a filing of an appraisal award with us, as provided in VII. P.

2. If we reject your proof of loss in whole or in part you may:

- a. Accept our denial of your claim;
 - b. Exercise your rights under this policy;
- or

c. File an amended proof of loss as long as it is filed within 60 days of the date of the loss.

N. Abandonment

You may not abandon to us damaged or undamaged property insured under this policy.

O. Salvage

We may permit you to keep damaged property insured under this policy after a loss, and we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

P. Appraisal

If you and we fail to agree on the actual cash value or, if applicable, replacement cost of your damaged property to settle upon the amount of loss, then either may demand an appraisal of the loss. In this event, you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the covered property is located. The appraisers will separately state the actual cash value, the replacement cost, and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss, or if it applies, the replacement cost and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

Q. Mortgage Clause

The word "mortgagee" includes trustee.

Any loss payable under Coverage A—Building Property will be paid to any mortgagee of whom we have actual notice, as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and

3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this policy apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the building.

If we decide to cancel or not renew this policy, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or non-renewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

R. Suit Against Us

You may not sue us to recover money under this policy unless you have complied with all the requirements of the policy. If you do sue, you must start the suit within one year after the date of the written denial of all or part of the claim, and you must file the suit in the United States District Court of the district in which the covered property was located at the time of loss. This requirement applies to any claim that you may have under this policy and to any dispute that you may have arising out of the handling of any claim under the policy.

S. Subrogation

Whenever we make a payment for a loss under this policy, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding

1. If an insured building has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured building equal to or greater than the building policy limits plus the deductible or the maximum payable under the policy for any one building loss, we will pay you the lesser of these two amounts without waiting for the

further damage to occur if you sign a release agreeing:

- a. To make no further claim under this policy;
- b. Not to seek renewal of this policy;
- c. Not to apply for any flood insurance under the Act for property at the described location; and
- d. Not to seek a premium refund for current or prior terms.

If the policy term ends before the insured building has been flooded continuously for 90 days, the provisions of this paragraph T.1. will apply when the insured building suffers a covered loss before the policy term ends.

2. If your insured building is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph T.1. above or T.2. (A “closed basin lake” is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation’s closed basin lakes are in the western half of the United States where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph T.2., we will pay your claim as if the building is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:

a. Lake flood waters must damage or imminently threaten to damage your building.

b. Before approval of your claim, you must:

(1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and

(2) Grant the conservation easement described in FEMA’s “Policy Guidance for Closed Basin Lakes” to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for flood damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable buildings under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this paragraph T.2. If a U.S. Army Corps of Engineers certified flood control project or otherwise certified flood control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by

those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and

(3) Comply with paragraphs T.1.a. through T.1.d. above.

c. Within 90 days of approval of your claim, you must move your building to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show there is sufficient reason to extend the time.

d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your building.

e. Before the approval of your claim, the community having jurisdiction over your building must:

(1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified in the easement required in paragraph T.2.b. above.

(2) Agree to declare and report any violations of this ordinance to FEMA so that under Section 1316 of the National Flood Insurance Act of 1968, as amended, flood insurance to the building can be denied; and

(3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph T.2.b. above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph T.2.b. above.

f. Before the approval of your claim, the affected State must take all action set forth in FEMA’s “Policy Guidance for Closed Basin Lakes.”

g. You must have NFIP flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under paragraph T.2. If a subsequent owner buys NFIP insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph T.2, we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.

h. This paragraph T.2. will be in effect for a community when the FEMA Regional Administrator for the affected region provides to the community, in writing, the following:

(1) Confirmation that the community and the State are in compliance with the conditions in paragraphs T.2.e. and T.2.f. above, and

(2) The date by which you must have flood insurance in effect.

U. Duplicate Policies Not Allowed

1. We will not insure your property under more than one NFIP policy.

If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

a. If you choose to keep in effect the policy with the earlier effective date, you may also choose to add the coverage limits of the later policy to the limits of the earlier policy. The change will become effective as of the effective date of the later policy.

b. If you choose to keep in effect the policy with the later effective date, you may also choose to add the coverage limits of the earlier policy to the limits of the later policy. The change will be effective as of the effective date of the later policy.

In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less. We will make a refund to you, according to applicable NFIP rules, of the premium for the policy not being kept in effect.

2. Your option under Condition U. Duplicate Policies Not Allowed to elect which NFIP policy to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier policy. The policy with the later effective date must be canceled.

V. Loss Settlement

1. Introduction

This policy provides three methods of settling losses: Replacement Cost, Special Loss Settlement, and Actual Cash Value. Each method is used for a different type of property, as explained in a-c. below.

a. Replacement Cost Loss Settlement, described in V.2. below, applies to a single-family dwelling provided:

(1) It is your principal residence, which means that, at the time of loss, you or your spouse lived there for 80% of:

(a) The 365 days immediately preceding the loss; or

(b) The period of your ownership, if you owned the dwelling for less than 365 days; and

(2) At the time of loss, the amount of insurance in this policy that applies to the dwelling is 80% or more of its full replacement cost immediately before the loss, or is the maximum amount of insurance available under the NFIP.

b. Special Loss Settlement, described in V.3. below, applies to a single-family dwelling that is a manufactured or mobile home or a travel trailer.

c. Actual Cash Value loss settlement applies to a single-family dwelling not subject to replacement cost or special loss settlement, and to the property listed in V.4. below.

2. Replacement Cost Loss Settlement

The following loss settlement conditions apply to a single-family dwelling described in V.1.a. above:

a. We will pay to repair or replace the damaged dwelling after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

(1) The building limit of liability shown on your Declarations Page;

(2) The replacement cost of that part of the dwelling damaged, with materials of like kind and quality and for like use; or

(3) The necessary amount actually spent to repair or replace the damaged part of the dwelling for like use.

b. If the dwelling is rebuilt at a new location, the cost described above is limited to the cost that would have been incurred if the dwelling had been rebuilt at its former location.

c. When the full cost of repair or replacement is more than \$1,000, or more than 5% of the whole amount of insurance that applies to the dwelling, we will not be liable for any loss under V.2.a. above or V.4.a.(2) below unless and until actual repair or replacement is completed.

d. You may disregard the replacement cost conditions above and make claim under this policy for loss to dwellings on an actual cash value basis. You may then make claim for any additional liability according to V.2.a., b., and c. above, provided you notify us of your intent to do so within 180 days after the date of loss.

e. If the community in which your dwelling is located has been converted from the Emergency Program to the Regular Program during the current policy term, then we will consider the maximum amount of available NFIP insurance to be the amount that was available at the beginning of the current policy term.

3. Special Loss Settlement

a. The following loss settlement conditions apply to a single-family dwelling that:

(1) is a manufactured or mobile home or a travel trailer, as defined in II.B.6.b. and c.,

(2) is at least 16 feet wide when fully assembled and has an area of at least 600 square feet within its perimeter walls when fully assembled, and

(3) is your principal residence as specified in V.1.a.(1) above.

b. If such a dwelling is totally destroyed or damaged to such an extent that, in our judgment, it is not economically feasible to repair, at least to its pre-damage condition, we will, at our discretion pay the least of the following amounts:

(1) The lesser of the replacement cost of the dwelling or 1.5 times the actual cash value, or

(2) The building limit of liability shown on your Declarations Page.

c. If such a dwelling is partially damaged and, in our judgment, it is economically feasible to repair it to its pre-damage condition, we will settle the loss according to the Replacement Cost conditions in V.2.above.

4. Actual Cash Value Loss Settlement

The types of property noted below are subject to actual cash value (or in the case of V.4.a.(2), below, proportional) loss settlement.

a. A dwelling, at the time of loss, when the amount of insurance on the dwelling is both less than 80% of its full replacement cost immediately before the loss and less than the maximum amount of insurance available under the NFIP. In that case, we will pay the greater of the following amounts, but not more than the amount of insurance that applies to that dwelling:

(1) The actual cash value, as defined in II.B.2., of the damaged part of the dwelling; or

(2) A proportion of the cost to repair or replace the damaged part of the dwelling, with-out deduction for physical depreciation and after application of the deductible.

This proportion is determined as follows: If 80% of the full replacement cost of the dwelling is less than the maximum amount of insurance available under the NFIP, then the proportion is determined by dividing the actual amount of insurance on the dwelling by the amount of insurance that represents 80% of its full replacement cost. But if 80% of the full replacement cost of the dwelling is greater than the maximum amount of insurance available under the NFIP, then the proportion is determined by dividing the actual amount of insurance on the dwelling by the maximum amount of insurance available under the NFIP.

b. A two-, three-, or four-family dwelling.

c. A unit that is not used exclusively for single-family dwelling purposes.

d. Detached garages.

e. Personal property.

f. Appliances, carpets, and carpet pads.

g. Outdoor awnings, outdoor antennas or aerials of any type, and other outdoor equipment.

h. Any property covered under this policy that is abandoned after a loss and remains as debris anywhere on the described location.

i. A dwelling that is not your principal residence.

5. Amount of Insurance Required

To determine the amount of insurance required for a dwelling immediately before the loss, we do not include the value of:

a. Footings, foundations, piers, or any other structures or devices that are below the undersurface of the lowest basement floor and support all or part of the dwelling;

b. Those supports listed in V.5.a. above, that are below the surface of the ground inside the foundation walls if there is no basement; and

c. Excavations and underground flues, pipes, wiring, and drains.

NOTE: The Coverage D—Increased Cost of Compliance limit of liability is not included in the determination of the amount of insurance required.

VIII. LIBERALIZATION CLAUSE

If we make a change that broadens your coverage under this edition of our policy, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before or during the policy term stated on the Declarations Page.

IX. WHAT LAW GOVERNS

This policy and all disputes arising from the handling of any claim under the policy are governed exclusively by the flood insurance regulations issued by FEMA, the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001, *et seq.*), and Federal common law.

In Witness Whereof, we have signed this policy below and hereby enter into this Insurance Agreement.

Administrator, Federal Insurance Administration.

APPENDIX A(2) TO PART 61

FEDERAL EMERGENCY MANAGEMENT AGENCY,
FEDERAL INSURANCE ADMINISTRATION

STANDARD FLOOD INSURANCE POLICY

GENERAL PROPERTY FORM

Please read the policy carefully. The flood insurance coverage provided is subject to limitations, restrictions, and exclusions.

This policy provides no coverage:

1. In a regular program community, for a residential condominium building, as defined in this policy; and
2. Except for personal property coverage, for a unit in a condominium building.

I. AGREEMENT

The Federal Emergency Management Agency (FEMA) provides flood insurance under the terms of the National Flood Insurance Act of 1968 and its Amendments, and Title 44 of the Code of Federal Regulations.

We will pay you for direct physical loss by or from flood to your insured property if you:

1. Have paid the correct premium;
2. Comply with all terms and conditions of this policy; and
3. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your policy based on our review.

II. DEFINITIONS

A. In this policy, "you" and "your" refer to the insured(s) shown on the Declarations Page of this policy. Insured(s) includes: Any mortgagee and loss payee named in the Application and Declarations page, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. "We," "us," and "our" refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

Flood, as used in this flood insurance policy, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (one of which is your property) from:
 - a. Overflow of inland or tidal waters;
 - b. Unusual and rapid accumulation or runoff of surface waters from any source;
 - c. Mudflow.
2. The collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding an-

anticipated cyclical levels which result in a flood as defined in A.1.a. above.

B. The following are the other key definitions we use in this policy:

1. *Act*. The National Flood Insurance Act of 1968 and any amendments to it.

2. *Actual Cash Value*. The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.

3. *Application*. The statement made and signed by you or your agent in applying for this policy. The application gives information we use to determine the eligibility of the risk, the kind of policy to be issued, and the correct premium payment. The application is part of this flood insurance policy. For us to issue you a policy, the correct premium payment must accompany the application.

4. *Base Flood*. A flood having a one percent chance of being equaled or exceeded in any given year.

5. *Basement*. Any area of the building, including any sunken room or sunken portion of a room, having its floor below ground level (subgrade) on all sides.

6. *Building*.

a. A structure with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site;

b. A manufactured home ("a manufactured home," also known as a mobile home, is a structure: built on a permanent chassis, transported to its site in one or more sections, and affixed to a permanent foundation); or

c. A travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the community's floodplain management and building ordinances or laws.

Building does not mean a gas or liquid storage tank or a recreational vehicle, park trailer, or other similar vehicle, except as described in B.6.c., above.

7. *Cancellation*. The ending of the insurance coverage provided by this policy before the expiration date.

8. *Condominium*. That form of ownership of real property in which each unit owner has an undivided interest in common elements.

9. *Condominium Association*. The entity, formed by the unit owners, responsible for the maintenance and operation of:

a. Common elements owned in undivided shares by unit owners; and

b. Other real property in which the unit owners have use rights where membership in the entity is a required condition of unit ownership.

10. *Declarations Page*. A computer-generated summary of information you provided in the application for insurance. The Declarations Page also describes the term of the policy, limits of coverage, and displays the premium and our name. The Declarations Page is a part of this flood insurance policy.

11. *Described Location.* The location where the insured building or personal property is found. The described location is shown on the Declarations Page.

12. *Direct Physical Loss By or From Flood.* Loss or damage to insured property, directly caused by a flood. There must be evidence of physical changes to the property.

13. *Elevated Building.* A building that has no basement and that has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.

14. *Emergency Program.* The initial phase of a community's participation in the National Flood Insurance Program. During this phase, only limited amounts of insurance are available under the Act.

15. *Expense Constant.* A flat charge you must pay on each new or renewal policy to defray the expenses of the Federal Government related to flood insurance.

16. *Federal Policy Fee.* A flat charge you must pay on each new or renewal policy to defray certain administrative expenses incurred in carrying out the National Flood Insurance Program. This fee covers expenses not covered by the expense constant.

17. *Improvements.* Fixtures, alterations, installations, or additions comprising a part of the insured building.

18. *Mudflow.* A river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down a slope, are not mudflows.

19. *National Flood Insurance Program (NFIP).* The program of flood insurance coverage and floodplain management administered under the Act and applicable Federal regulations in Title 44 of the Code of Federal Regulations, Subchapter B.

20. *Policy.* The entire written contract between you and us. It includes:

- a. This printed form;
- b. The application and Declarations Page;
- c. Any endorsement(s) that may be issued; and,
- d. Any renewal certificate indicating that coverage has been instituted for a new policy and new policy term.

Only one building, which you specifically described in the application, may be insured under this policy.

21. *Pollutants.* Substances that include, but that are not limited to, any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. "Waste" includes, but is not limited to, materials to be recycled, reconditioned, or reclaimed.

22. *Post-FIRM Building.* A building for which construction or substantial improvement occurred after December 31, 1974, or on or after the effective date of an initial Flood

Insurance Rate Map (FIRM), whichever is later.

23. *Probation Premium.* A flat charge you must pay on each new or renewal policy issued covering property in a community that has been placed on probation under the provisions of 44 CFR 59.24.

24. *Regular Program.* The final phase of a community's participation in the National Flood Insurance Program. In this phase, a Flood Insurance Rate Map is in effect and full limits of coverage are available under the Act.

25. *Residential Condominium Building.* A building, owned and administered as a condominium, containing one or more family units and in which at least 75% of the floor area is residential.

26. *Special Flood Hazard Area.* An area having special flood or mudflow, and/or flood-related erosion hazards, and shown on a Flood Hazard Boundary Map or Flood Insurance Rate Map as Zone A, AO, A1–A30, AE, A99, AH, AR, AR/A, AR/AE, AR/AH, AR/AO, AR/A1–A30, V1–V30, VE, V.

27. *Stock* means merchandise held in storage or for sale, raw materials, and in-process or finished goods, including supplies used in their packing or shipping.

Stock does not include any property not covered under Section IV. Property Not Covered, except the following:

- a. Parts and equipment for self-propelled vehicles;
- b. Furnishings and equipment for watercraft;
- c. Spas and hot-tubs, including their equipment; and
- d. Swimming pool equipment.

28. *Unit.* A unit in a condominium building.

29. *Valued Policy.* A policy in which the insured and the insurer agree on the value of the property insured, that value being payable in the event of a total loss. The Standard Flood Insurance Policy is not a valued policy.

III. PROPERTY COVERED

A. Coverage A—Building Property

We insure against direct physical loss by or from flood to:

1. The building described on the Declarations Page at the described location. If the building is a condominium building and the named insured is the condominium association, Coverage A includes all units within the building and the improvements within the units, provided the units are owned in common by all unit owners.

a rigid exterior wall, a solid load-bearing interior wall, a stairway, an elevated walkway, or a roof. At your option, additions and extensions connected by any of these methods may be separately insured. a. walls,

b. floors, and

c. ceilings,

that are not covered under a policy issued to the condominium association insuring the condominium building.

9. If you are a tenant, personal property must be inside the fully enclosed building.

C. Coverage C—Other Coverages

1. Debris Removal.

a. We will pay the expense to remove non-owned debris that is on or in insured property and debris of insured property anywhere.

b. If you or a member of your household perform the removal work, the value of your work will be based on the Federal minimum wage.

c. This coverage does not increase the Coverage A or Coverage B limit of liability.

2. Loss Avoidance Measures.

a. Sandbags, Supplies, and Labor

(1) We will pay up to \$1,000 for the costs you incur to protect the insured building from a flood or imminent danger of flood, for the following:

(a) Your reasonable expenses to buy:

 - (iii) Pumps; and
 - (iv) Plastic sheeting and lumber used in connection with these items; and
- (b) The value of work, at the Federal minimum wage, that you perform.

(2) This coverage for Sandbags, Supplies, and Labor only applies if damage to insured property by or from flood is imminent and the threat of flood damage is apparent enough to lead a person of common prudence to anticipate flood damage. One of the following must also occur:

- (a) A general and temporary condition of flooding in the area near the described location must occur, even if the flood does not reach the insured building; or
- (b) A legally authorized official must issue an evacuation order or other civil order for the community in which the insured building is located calling for measures to preserve life and property from the peril of flood.

This coverage does not increase the Coverage A or Coverage B limit of liability.

b. Property Removed to Safety

(1) We will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the described location that contains the property in order to protect it from flood or the imminent danger of flood.

Reasonable expenses include the value of work, at the Federal minimum wage, that you perform.

(2) If you move insured property to a place other than the described location that contains the property, in order to protect it from flood or the imminent danger of flood, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed building, or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in II.6.b. and c., must be placed above ground level or outside of the special flood hazard area.

This coverage does not increase the Coverage A or Coverage B limit of liability.

3. *Pollution Damage.*

We will pay for damage caused by pollutants to covered property if the discharge, seepage, migration, release, or escape of the pollutants is caused by or results from flood. The most we will pay under this coverage is \$10,000. This coverage does not increase the Coverage A or Coverage B limits of liability. Any payment under this provision when combined with all other payments for the same loss cannot exceed the replacement cost or actual cash value, as appropriate, of the covered property. This coverage does not include the testing for or monitoring of pollutants unless required by law or ordinance.

D. Coverage D—Increased Cost of Compliance

1. *General.*

This policy pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering flood damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

- a. Non-residential structures.
- b. Residential structures with basements that satisfy FEMA's standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

2. *Limit of Liability.*

We will pay you up to \$30,000 under this Coverage D—Increased Cost of Compliance, which only applies to policies with building coverage (Coverage A). Our payment of claims under Coverage D is in addition to the amount of coverage which you selected on the application and which appears on the Declarations Page. But the maximum you can collect under this policy for both Coverage A (Building Property) and Coverage D (Increased Cost of Compliance) cannot exceed the maximum permitted under the Act. We do NOT charge a separate deductible for a claim under Coverage D.

3. *Eligibility.*

a. A structure covered under Coverage A—Building Property sustaining a loss caused by a flood as defined by this policy must:

(1) Be a "repetitive loss structure." A "repetitive loss structure" is one that meets the following conditions:

(a) The structure is covered by a contract of flood insurance issued under the NFIP.

(b) The structure has suffered flood damage on 2 occasions during a 10-year period which ends on the date of the second loss.

(c) The cost to repair the flood damage, on average, equaled or exceeded 25% of the market value of the structure at the time of each flood loss.

(d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50% of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.

b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance

Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

(1) 3.a.(1) above.

(2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA which the State or local government has adopted and is enforcing for flood-damaged structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. This also includes compliance activities in zones where base flood elevations are being increased, and a flood-damaged structure must comply with the higher advisory base flood elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for flood-damaged structures to elevations derived solely by the community.

(3) Elevation or floodproofing above the base flood elevation to meet State or local “freeboard” requirements, i.e., that a structure must be elevated above the base flood elevation.

c. Under the minimum NFIP criteria at 44 CFR 60.3(b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the base flood elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.

d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion D.5.g. below.

e. This coverage will also pay to bring a flood-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. Conditions.

a. When a structure covered under Coverage A—Building Property sustains a loss caused by a flood, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the building debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site

will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

b. When the building is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.

5. Exclusions.

Under this Coverage D—Increased Cost of Compliance, we will not pay for:

a. The cost to comply with any floodplain management law or ordinance in communities participating in the Emergency Program.

b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants.

c. The loss in value to any insured building or other structure due to the requirements of any ordinance or law.

d. The loss in residual value of the undamaged portion of a building demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.

e. Any Increased Cost of Compliance under this Coverage D:

(1) Until the building is elevated, floodproofed, demolished, or relocated on the same or to another premises; and

(2) Unless the building is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed two years.

f. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.

g. Any compliance activities needed to bring additions or improvements made after the loss occurred into compliance with State or local floodplain management laws or ordinances.

h. Loss due to any ordinance or law that you were required to comply with before the current loss.

i. Any rebuilding activity to standards that do not meet the NFIP’s minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current flood loss to rebuild the property to an elevation below the base flood elevation.

j. Increased Cost of Compliance for a garage or carport.

k. Any structure insured under an NFIP Group Flood Insurance Policy.

l. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in

compliance with State or local floodplain management ordinances or laws.

6. *Other Provisions.*

All other conditions and provisions of the policy apply.

IV. PROPERTY NOT COVERED

A. We do not cover any of the following property:

1. Personal property not inside the fully enclosed building;

2. A building, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if it was constructed or substantially improved after September 30, 1982;

10. Containers including related equipment, such as, but not limited to, tanks containing gases or liquids;

11. Buildings or units and all their contents if more than 49% of the actual cash value of the building or unit is below ground, unless the lowest level is at or above the base flood elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;

12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;

13. Aircraft or watercraft, or their furnishings and equipment;

14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and

1. Earthquake;

2. Landslide;

3. Land subsidence;

4. Sinkholes;

5. Destabilization or movement of land that results from accumulation of water in subsurface land areas; or

6. Gradual erosion.

We do, however, pay for losses from mudflow and land subsidence as a result of erosion that are specifically covered under our definition of flood (see A.1.c. and II.A.2.).

D. We do not insure for direct physical loss caused directly or indirectly by:

1. The pressure or weight of ice;

2. Freezing or thawing;

3. Rain, snow, sleet, hail, or water spray;

4. Water, moisture, mildew, or mold damage that results primarily from any condition:

a. Substantially confined to the insured building; or

b. That is within your control including, but not limited to:

(1) Design, structural, or mechanical defects;

(2) Failures, stoppages, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or

(3) Failure to inspect and maintain the property after a flood recedes;

5. Water or water-borne material that:

a. Backs up through sewers or drains;

b. Discharges or overflows from a sump, sump pump, or related equipment; or

c. Seeps or leaks on or through the covered property;

unless there is a flood in the area and the flood is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water;

7. Power, heating, or cooling failure unless the failure results from direct physical loss by or from flood to power, heating, or cooling equipment situated on the described location;

8. Theft, fire, explosion, wind, or wind-storm;

9. Anything that you or your agents do or conspire to do to cause loss by flood deliberately; or

10. Alteration of the insured property that significantly increases the risk of flooding.

E. We do not insure for loss to any building or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.

VI. DEDUCTIBLES

A. When a loss is covered under this policy, we will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of liability that applies. The deductible amount is shown on the Declarations Page.

However, when a building under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed building.

B. In each loss from flood, separate deductibles apply to the building and personal property insured by this policy.

C. No deductible applies to:

1. III.C.2. Loss Avoidance Measures; or
2. III.D. Increased Cost of Compliance.

VII. GENERAL CONDITIONS

A. Pair and Set Clause

In case of loss to an article that is part of a pair or set, we will have the option of paying you:

1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation, or

2. An amount which represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance

1. With respect to all insureds under this policy, this policy:

a. Is void,

b. Has no legal force or effect,

c. Cannot be renewed, and

d. Cannot be replaced by a new NFIP policy, if, before or after a loss, you or any other insured or your agent have at any time:

(1) Intentionally concealed or misrepresented any material fact or circumstance,

(2) Engaged in fraudulent conduct, or

(3) Made false statements relating to this policy or any other NFIP insurance.

2. This policy will be void as of the date wrongful acts described in B.1. above were committed.

3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.

4. This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:

a. If the property is located in a community that was not participating in the NFIP on the policy's inception date and did not join or re-enter the program during the policy term and before the loss occurred; or

b. If the property listed on the application is otherwise not eligible for coverage under the NFIP.

C. Other Insurance

1. If a loss covered by this policy is also covered by other insurance that includes flood coverage not issued under the Act, we will not pay more than the amount of insurance that you are entitled to for lost, damaged, or destroyed property insured under this policy subject to the following:

a. We will pay only the proportion of the loss that the amount of insurance that applies under this policy bears to the total amount of insurance covering the loss, unless C.1.b. or c. below applies.

b. If the other policy has a provision stating that it is excess insurance, this policy will be primary.

c. This policy will be primary (but subject to its own deductible) up to the deductible in the other flood policy (except another policy as described in C.1.b. above). When the other deductible amount is reached, this policy will participate in the same proportion that the amount of insurance under this policy bears to the total amount of both policies, for the remainder of the loss.

2. Where this policy covers a condominium association and there is a flood insurance policy in the name of a unit owner that covers the same loss as this policy, then this policy will be primary.

D. Amendments, Waivers, Assignment

This policy cannot be changed nor can any of its provisions be waived without the express written consent of the Federal Insurance Administrator. No action that we take under the terms of this policy can constitute a waiver of any of our rights. You may assign this policy in writing when you transfer title of your property to someone else except under these conditions:

1. When this policy covers only personal property; or
2. When this policy covers a structure during the course of construction.

E. Cancellation of Policy by You

1. You may cancel this policy in accordance with the applicable rules and regulations of the NFIP.

2. If you cancel this policy, you may be entitled to a full or partial refund of premium also under the applicable rules and regulations of the NFIP.

F. Non-Renewal of the Policy by Us

Your policy will not be renewed:

1. If the community where your covered property is located stops participating in the NFIP; or
2. If your building has been declared ineligible under section 1316 of the Act.

G. Reduction and Reformation of Coverage

1. If the premium we received from you was not enough to buy the kind and amount of coverage that you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.

2. The policy can be reformed to increase the amount of coverage resulting from the reduction described in G.1. above to the amount you requested as follows:

a. Discovery of Insufficient Premium or Incomplete Rating Information Before a Loss.

(1) If we discover before you have a flood loss that your premium payment was not enough to buy the requested amount of cov-

erage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current policy term (or that portion of the current policy term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the current policy term (or subsequent date of any endorsement changing the amount of coverage).

(2) If we determine before you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current policy term, we will follow the procedure in G.2.a.(1) above.

(3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

b. Discovery of Insufficient Premium or Incomplete Rating Information After a Loss.

(1) If we discover after you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior policy terms. If you or the mortgagee or trustee pay the additional premium within 30 days of the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the prior policy term.

(2) If we discover after you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information before your claim can be paid. Once we determine the amount of additional premium for the current and prior policy terms, we will follow the procedure in G.2.b.(1) above.

(3) If we do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition B. above apply.

H. Policy Renewal

1. This policy will expire at 12:01 a.m. on the last day of the policy term.

2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.

3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, e.g., we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:

a. If you or your agent notified us, not later than one year after the date on which the payment of the renewal premium was due, of nonreceipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.

b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the policy. In that case, the policy will remain as an expired policy as of the expiration date shown on the Declarations Page.

4. In connection with the renewal of this policy, we may ask you during the policy term to re-certify, on a Recertification Questionnaire that we will provide to you, the rating information used to rate your most recent application for or renewal of insurance.

I. Conditions Suspending or Restricting Insurance

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. Requirements in Case of Loss

In case of a flood loss to insured property, you must:

1. Give prompt written notice to us;
2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;

3. Prepare an inventory of damaged property showing the quantity, description, actual cash value, and amount of loss. Attach all bills, receipts, and related documents;

4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the policy signed and sworn to by you, and which furnishes us with the following information:

a. The date and time of loss;
b. A brief explanation of how the loss happened;

c. Your interest (for example, “owner”) and the interest, if any, of others in the damaged property;

d. Details of any other insurance that may cover the loss;

e. Changes in title or occupancy of the insured property during the term of the policy;

f. Specifications of damaged buildings and detailed repair estimates;

g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;

h. Details about who occupied any insured building at the time of loss and for what purpose; and

i. The inventory of damaged property described in J.3. above.

5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.

6. You must cooperate with the adjuster or representative in the investigation of the claim.

7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within sixty days after the loss even if the adjuster does not furnish the form or help you complete it.

8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.

9. At our option, we may accept the adjuster’s report of the loss instead of your proof of loss. The adjuster’s report will include information about your loss and the damages you sustained. You must sign the adjuster’s report. At our option, we may require you to swear to the report.

K. Our Options After a Loss

Options we may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:

a. Show us or our representative the damaged property;

b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and

c. Permit us to examine and make extracts and copies of:

(1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;

(2) Condominium association documents including the Declarations of the condominium, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and

(3) All books of accounts, bills, invoices, and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.

2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:

- a. Quantities and costs;
- b. Actual cash values;
- c. Amounts of loss claimed;
- d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and
- e. Evidence that prior flood damage has been repaired.

3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:

- a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and
- b. Take all or any part of the damaged property at the value that we agree upon or its appraised value.

L. No Benefit to Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:

- a. We reach an agreement with you;
- b. There is an entry of a final judgment; or
- c. There is a filing of an appraisal award with us, as provided in VII. P.

2. If we reject your proof of loss in whole or in part you may:

- a. Accept such denial of your claim;
- b. Exercise your rights under this policy; or
- c. File an amended proof of loss as long as it is filed within 60 days of the date of the loss.

N. Abandonment

You may not abandon damaged or undamaged insured property to us.

O. Salvage

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

P. Appraisal

If you and we fail to agree on the actual cash value of the damaged property so as to determine the amount of loss, either may demand an appraisal of the loss. In this event,

you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the insured property is located. The appraisers will separately state the actual cash value and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

Q. Mortgage Clause

The word "mortgagee" includes trustee.

Any loss payable under Coverage A—Building Property will be paid to any mortgagee of whom we have actual notice, as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages. If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All terms of this policy apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the building.

If we decide to cancel or not renew this policy, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or non-renewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

R. Suit Against Us

You may not sue us to recover money under this policy unless you have complied with all the requirements of the policy. If

you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim, and you must file the suit in the United States District Court of the district in which the insured property was located at the time of loss. This requirement applies to any claim that you may have under this policy and to any dispute that you may have arising out of the handling of any claim under the policy.

S. Subrogation

Whenever we make a payment for a loss under this policy, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding

1. If an insured building has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured building equal to or greater than the building policy limits plus the deductible or the maximum payable under the policy for any one building loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:

- a. To make no further claim under this policy;
- b. Not to seek renewal of this policy;
- c. Not to apply for any flood insurance under the Act for property at the described location; and
- d. Not to seek a premium refund for current or prior terms.

If the policy term ends before the insured building has been flooded continuously for 90 days, the provisions of this paragraph T.1. will apply when as the insured building suffers a covered loss before the policy term ends.

2. If your insured building is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph T.1. above or this paragraph T.2. (A "closed basin lake" is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western

half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph T.2 we will pay your claim as if the building is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:

a. Lake flood waters must damage or imminently threaten to damage your building.

b. Before approval of your claim, you must:

(1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and

(2) Grant the conservation easement described in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for flood damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain, simple agricultural and recreational structures. If any of these allowable structures are insurable buildings under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this paragraph T.2. If a U.S. Army Corps of Engineers certified flood control project or otherwise certified flood control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and

(3) Comply with paragraphs T.1.a. through T.1.d. above.

c. Within 90 days of approval of your claim, you must move your building to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show that there is sufficient reason to extend the time.

d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your building.

e. Before the approval of your claim, the community having jurisdiction over your building must:

(1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance,

that is consistent with the provisions specified in the easement required in paragraph T.2.b. above.

(2) Agree to declare and report any violations of this ordinance to FEMA so that under Sec. 1316 of the National Flood Insurance Act of 1968, as amended, flood insurance to the building can be denied; and

(3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph T.2.b. above except that even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph T.2.b. above.

f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."

g. You must have NFIP flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph T.2. If a subsequent owner buys NFIP insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph T.2, we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.

h. This paragraph T.2. will be in effect for a community when the FEMA Regional Administrator for the affected region provides to the community, in writing, the following:

(1) Confirmation that the community and the State are in compliance with the conditions in paragraphs T.2.e. and T.2.f. above, and

(2) The date by which you must have flood insurance in effect.

U. Duplicate Policies Not Allowed

1. Property may not be insured under more than one NFIP policy.

If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

a. If you choose to keep in effect the policy with the earlier effective date, you may also choose to add the coverage limits of the later policy to the limits of the earlier policy. The

change will become effective as of the effective date of the later policy.

b. If you choose to keep in effect the policy with the later effective date, you may also choose to add the coverage limits of the earlier policy to the limits of the later policy. The change will be effective as of the effective date of the later policy.

In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less. We will make a refund to you, according to applicable NFIP rules, of the premium for the policy not being kept in effect.

2. Your option under this Condition U. Duplicate Policies Not Allowed to elect which NFIP policy to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier policy. The policy with the later effective date must be canceled.

V. Loss Settlement

We will pay the least of the following amounts after application of the deductible:

1. The applicable amount of insurance under this policy;
2. The actual cash value; or
3. The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

VIII. LIBERALIZATION CLAUSE

If we make a change that broadens your coverage under this edition of our policy, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before or during the policy term stated on the Declarations Page.

IX. WHAT LAW GOVERNS

This policy and all disputes arising from the handling of any claim under the policy are governed exclusively by the flood insurance regulations issued by FEMA, the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001, *et seq.*), and Federal common law.

In Witness Whereof, we have signed this policy below and hereby enter into this Insurance Agreement.

Administrator, Federal Insurance Administration.

APPENDIX A(3) TO PART 61

FEDERAL EMERGENCY MANAGEMENT AGENCY
FEDERAL INSURANCE ADMINISTRATION

STANDARD FLOOD INSURANCE POLICY

RESIDENTIAL CONDOMINIUM BUILDING
ASSOCIATION POLICY

I. AGREEMENT

Please read the policy carefully. The flood insurance provided is subject to limitations, restrictions, and exclusions.

This policy covers only a residential condominium building in a regular program community. If the community reverts to emergency program status during the policy term and remains as an emergency program community at time of renewal, this policy cannot be renewed.

The Federal Emergency Management Agency (FEMA) provides flood insurance under the terms of the National Flood Insurance Act of 1968 and its Amendments, and Title 44 of the Code of Federal Regulations.

We will pay you for direct physical loss by or from flood to your insured property if you:

1. Have paid the correct premium;
2. Comply with all terms and conditions of this policy; and
3. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your policy based on our review.

II. DEFINITIONS

A. In this policy, “you” and “your” refer to the insured(s) shown on the Declarations Page of this policy. Insured(s) includes: any mortgagee and loss payee named in the Application and Declarations Page, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. “We,” “us,” and “our” refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

“Flood”, as used in this flood insurance policy, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (one of which is your property) from:
 - a. Overflow of inland or tidal waters;
 - b. Unusual and rapid accumulation or runoff of surface waters from any source;
 - c. Mudflow.
2. Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by

waves or currents of water exceeding anticipated cyclical levels which result in a flood as defined in A.1.a above.

B. The following are the other key definitions we use in this policy:

1. *Act*. The National Flood Insurance Act of 1968 and any amendments to it.

2. *Actual Cash Value*. The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.

3. *Application*. The statement made and signed by you or your agent in applying for this policy. The application gives information we use to determine the eligibility of the risk, the kind of policy to be issued, and the correct premium payment. The application is part of this flood insurance policy. For us to issue you a policy, the correct premium payment must accompany the application.

4. *Base Flood*. A flood having a one percent chance of being equaled or exceeded in any given year.

5. *Basement*. Any area of the building, including any sunken room or sunken portion of a room, having its floor below ground level (subgrade) on all sides.

6. *Building*.

a. A structure with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site;

b. A manufactured home (“a manufactured home,” also known as a mobile home, is a structure: built on a permanent chassis, transported to its site in one or more sections, and affixed to a permanent foundation); or

c. A travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the community’s floodplain management and building ordinances or laws.

Building does not mean a gas or liquid storage tank or a recreational vehicle, park trailer or other similar vehicle, except as described in B.6.c., above.

7. *Cancellation*. The ending of the insurance coverage provided by this policy before the expiration date.

8. *Condominium*. That form of ownership of real property in which each unit owner has an undivided interest in common elements.

9. *Condominium Association*. The entity, formed by the unit owners, responsible for the maintenance and operation of:

- a. Common elements owned in undivided shares by unit owners; and
- b. Other real property in which the unit owners have use rights; where membership in the entity is a required condition of unit ownership.

10. *Declarations Page*. A computer-generated summary of information you provided in the application for insurance. The Declarations Page also describes the term of the policy, limits of coverage, and displays the

premium and our name. The Declarations Page is a part of this flood insurance policy.

11. *Described Location.* The location where the insured building or personal property is found. The described location is shown on the Declarations Page.

12. *Direct Physical Loss By or From Flood.* Loss or damage to insured property, directly caused by a flood. There must be evidence of physical changes to the property.

13. *Elevated Building.* A building that has no basement and that has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.

14. *Emergency Program.* The initial phase of a community's participation in the National Flood Insurance Program. During this phase, only limited amounts of insurance are available under the Act.

15. *Expense Constant.* A flat charge you must pay on each new or renewal policy to defray the expenses of the Federal Government related to flood insurance.

16. *Federal Policy Fee.* A flat charge you must pay on each new or renewal policy to defray certain administrative expenses incurred in carrying out the National Flood Insurance Program. This fee covers expenses not covered by the expense constant.

17. *Improvements.* Fixtures, alterations, installations, or additions comprising a part of the residential condominium building, including improvements in the units.

18. *Mudflow.* A river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down a slope, are not mudflows.

19. *National Flood Insurance Program (NFIP).* The program of flood insurance coverage and floodplain management administered under the Act and applicable Federal regulations in Title 44 of the Code of Federal Regulations, Subchapter B.

20. *Policy.* The entire written contract between you and us. It includes:

- a. This printed form;
- b. The application and Declarations Page;

- d. Any renewal certificate indicating that coverage has been instituted for a new policy and new policy term.

Only one building, which you specifically described in the application, may be insured under this policy.

21. *Pollutants.* Substances that include, but are not limited to, any solid, liquid, gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. Waste includes, but is not limited to, materials to be recycled, reconditioned, or reclaimed.

22. *Post-FIRM Building.* A building for which construction or substantial improvement occurred after December 31, 1974, or on or after the effective date of an initial Flood Insurance Rate Map (FIRM), whichever is later.

23. *Probation Premium.* A flat charge you must pay on each new or renewal policy issued covering property in a community that the NFIP has placed on probation under the provisions of 44 CFR 59.24.

24. *Regular Program.* The final phase of a community's participation in the National Flood Insurance Program. In this phase, a Flood Insurance Rate Map is in effect and full limits of coverage are available under the Act.

25. *Residential Condominium Building.* A building, owned and administered as a condominium, containing one or more family units and in which at least 75% of the floor area is residential.

26. *Special Flood Hazard Area.* An area having special flood or mudflow, and/or flood-related erosion hazards, and shown on a Flood Hazard Boundary Map or Flood Insurance Rate Map as Zone A, AO, A1-A30, AE, A99, AH, AR, AR/A, AR/AE, AR/AH, AR/AO, AR/A1-A30, V1-V30, VE, or V.

27. *Unit.* A single-family unit in a residential condominium building.

28. *Valued Policy.* A policy in which the insured and the insurer agree on the value of the property insured, that value being payable in the event of a total loss. The Standard Flood Insurance Policy is not a valued policy.

III. PROPERTY COVERED

A. Coverage A—Building Property

At your option, additions and extensions connected by any of these methods may be separately insured. Additions and extensions attached to and in contact with the building by means of a common interior wall that is not a solid load-bearing wall are always considered part of the building and cannot be separately insured.

- B. Coverage B—Personal Property*
1. If you have purchased personal property coverage, we insure, subject to B.2. and B.3. below, against direct physical loss by or from flood to personal property that is inside the fully enclosed insured building and is:
- a. Owned by the unit owners of the condominium association in common, meaning

property in which each unit owner has an undivided ownership interest; or

b. Owned solely by the condominium association and used exclusively in the conduct of the business affairs of the condominium association.

We also insure such personal property for 45 days while stored at a temporary location, as set forth in III.C.2.b., Property Removed to Safety.

2. Coverage for personal property includes the following property, subject to B.1. above, which is covered under Coverage B only:

3. Coverage for items of property in a building enclosure below the lowest elevated floor of an elevated post-FIRM building located in zones A1–A30, AE, AH, AR, AR/A, AR/AE, AR/AH, AR/A1–A30, V1–V30, or VE, or in a basement, regardless of the zone, is limited to the following items, if installed in their functioning locations and, if necessary for operation, connected to a power source:

- a. Air conditioning units—portable or window type;
- b. Clothes washers and dryers; and
- c. Food freezers, other than walk-in, and food in any freezer.

4. Special Limits. We will pay no more than \$2,500 for any one loss to one or more of the following kinds of personal property:

- a. Artwork, photographs, collectibles, or memorabilia, including but not limited to, porcelain or other figures, and sports cards;
- b. Rare books or autographed items;
- c. Jewelry, watches, precious and semi-precious stones, or articles of gold, silver, or platinum;

5. We will pay only for the functional value of antiques.

C. Coverage C—Other Coverages

1. Debris Removal

a. We will pay the expense to remove non-owned debris that is on or in insured property and debris of insured property anywhere.

b. If you or a member of your household perform the removal work, the value of your work will be based on the Federal minimum wage.

c. This coverage does not increase the Coverage A or Coverage B limit of liability.

2. Loss Avoidance Measures

a. Sandbags, Supplies, and Labor

(1) We will pay up to \$1,000 for the costs you incur to protect the insured building from a flood or imminent danger of flood, for the following:

(a) Your reasonable expenses to buy:

- (i) Sandbags, including sand to fill them;
 - (ii) Fill for temporary levees;
 - (iii) Pumps; and
 - (iv) Plastic sheeting and lumber used in connection with these items; and
- (b) The value of work, at the Federal minimum wage, that you perform.

(2) This coverage for Sandbags, Supplies, and Labor applies only if damage to insured property by or from flood is imminent and the threat of flood damage is apparent enough to lead a person of common prudence to anticipate flood damage. One of the following must also occur:

(a) A general and temporary condition of flooding in the area near the described location must occur, even if the flood does not reach the insured building; or

(b) A legally authorized official must issue an evacuation order or other civil order for the community in which the insured building is located calling for measures to preserve life and property from the peril of flood. This coverage does not increase the Coverage A or Coverage B limit of liability.

b. Property Removed to Safety

(1) We will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the described location that contains the property in order to protect it from flood or the imminent danger of flood.

Reasonable expenses include the value of work, at the Federal minimum wage, that you perform.

(2) If you move insured property to a location other than the described location that contains the property, in order to protect it from flood or the imminent danger of flood, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed building, or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in II.6.b. and c., must be placed above ground level or outside of the special flood hazard area.

This coverage does not increase the Coverage A or Coverage B limit of liability.

D. Coverage D—Increased Cost of Compliance

1. General.

This policy pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction

of a structure suffering flood damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

a. Non-residential structures.

b. Residential structures with basements that satisfy FEMA's standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

2. *Limit of Liability.*

We will pay you up to \$30,000 under this Coverage D—Increased Cost of Compliance, which only applies to policies with building coverage (Coverage A). Our payment of claims under Coverage D is in addition to the amount of coverage which you selected on the application and which appears on the Declarations Page. But the maximum you can collect under this policy for both Coverage A—Building Property and Coverage D—Increased Cost of Compliance cannot exceed the maximum permitted under the Act. We do not charge a separate deductible for a claim under Coverage D.

3. *Eligibility.*

a. A structure covered under Coverage A—Building Property sustaining a loss caused by a flood as defined by this policy must:

(1) Be a "repetitive loss structure." A "repetitive loss structure" is one that meets the following conditions:

(a) The structure is covered by a contract of flood insurance issued under the NFIP.

(b) The structure has suffered flood damage on 2 occasions during a 10-year period which ends on the date of the second loss.

(c) The cost to repair the flood damage, on average, equaled or exceeded 25% of the market value of the structure at the time of each flood loss.

(d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50% of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.

b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

(1) 3.a.(1) above.

(2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA which the State or local government has adopted and is enforcing for flood-damaged structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. This also includes compliance activities in zones where base flood elevations are being increased, and a flood-damaged structure must comply with the higher advisory base flood elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for flood-damaged structures to elevations derived solely by the community.

(3) Elevation or floodproofing above the base flood elevation to meet State or local "freeboard" requirements, i.e., that a structure must be elevated above the base flood elevation.

c. Under the minimum NFIP criteria at 44 CFR 60.3(b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the base flood elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.

d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion D.5.g.below relating to improvements.

e. This coverage will also pay to bring a flood-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. *Conditions.*

a. When a structure covered under Coverage A—Building Property sustains a loss caused by a flood, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the building debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

b. When the building is repaired or rebuilt, it must be intended for the same occupancy

as the present building unless otherwise required by current floodplain management ordinances or laws.

5. *Exclusions.*

Under this Coverage D—Increased Cost of Compliance, we will not pay for:

a. The cost to comply with any floodplain management law or ordinance in communities participating in the Emergency Program.

b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants.

c. The loss in value to any insured building or other structure due to the requirements of any ordinance or law.

d. The loss in residual value of the undamaged portion of a building demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.

e. Any Increased Cost of Compliance under this Coverage D:

(1) Until the building is elevated, floodproofed, demolished, or relocated on the same or to another premises; and

(2) Unless the building is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed two years.

f. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.

g. Any compliance activities needed to bring additions or improvements made after the loss occurred into compliance with State or local floodplain management laws or ordinances.

h. Loss due to any ordinance or law that you were required to comply with before the current loss.

i. Any rebuilding activity to standards that do not meet the NFIP's minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current flood loss to rebuild the property to an elevation below the base flood elevation.

j. Increased Cost of Compliance for a garage or carport.

k. Any structure insured under an NFIP Group Flood Insurance Policy.

1. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in compliance with State or local floodplain management ordinances or laws.

6. *Other Provisions.*

a. Increased Cost of Compliance coverage will not be included in the calculation to determine whether coverage meets the coinsur-

ance requirement for replacement cost coverage under VIII. General Conditions, V. Loss Settlement.

b. All other conditions and provisions of this policy apply.

IV. PROPERTY NOT COVERED

We do not cover any of the following:

1. Personal property not inside the fully enclosed building;

2. A building, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if constructed or substantially improved after September 30, 1982;

3. Open structures, including a building used as a boathouse or any structure or building into which boats are floated, and personal property located in, on, or over water;

4. Recreational vehicles other than travel trailers described in the Definitions Section (see II.B.6.c.) whether affixed to a permanent foundation or on wheels;

5. Self-propelled vehicles or machines, including their parts and equipment.

However, we do cover self-propelled vehicles or machines, provided they are not licensed for use on public roads and are:

a. Used mainly to service the described location, or

b. Designed and used to assist handicapped persons, while the vehicles or machines are inside a building at the described location;

6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;

7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;

8. Underground structures and equipment, including wells, septic tanks, and septic systems;

9. Those portions of walks, walkways, decks, driveways, patios, and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured building;

10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;

11. Buildings and all their contents if more than 49% of the actual cash value of the building is below ground, unless the lowest level is at or above the base flood elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;

12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;

13. Aircraft or watercraft, or their furnishings and equipment;

14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment such as, but not limited to,

heaters, filters, pumps, and pipes, wherever located;

15. Property not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvements Act of 1990 and amendments to these Acts;

16. Personal property used in connection with any incidental commercial occupancy or use of the building.

V. EXCLUSIONS

A. We only pay for direct physical loss by or from flood, which means that we do not pay you for:

1. Loss of revenue or profits;
2. Loss of access to the insured property or described location;
3. Loss of use of the insured property or described location;
4. Loss from interruption of business or production;
5. Any additional living expenses incurred while the insured building is being repaired or is unable to be occupied for any reason;
6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities that we describe in Coverage D—Increased Cost of Compliance; or
7. Any other economic loss.

B. We do not insure a loss directly or indirectly caused by a flood that is already in progress at the time and date:

1. The policy term begins; or
2. Coverage is added at your request.

C. We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by flood. Some examples of earth movement that we do not cover are:

1. Earthquake;
2. Landslide;
3. Land subsidence;
4. Sinkholes;
5. Destabilization or movement of land that results from accumulation of water in subsurface land areas; or
6. Gradual erosion.

We do, however, pay for losses from mud-flow and land subsidence as a result of erosion that are specifically covered under our definition of flood (see II.A.1.c. and II.A.2.).

D. We do not insure for direct physical loss caused directly or indirectly by:

1. The pressure or weight of ice;
2. Freezing or thawing;
3. Rain, snow, sleet, hail, or water spray;
4. Water, moisture, mildew, or mold damage that results primarily from any condition:
 - a. Substantially confined to the insured building; or

b. That is within your control including, but not limited to:

- (1) Design, structural, or mechanical defects;
- (2) Failures, stoppages, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or
- (3) Failure to inspect and maintain the property after a flood recedes;

5. Water or water-borne material that:

- a. Backs up through sewers or drains;
 - b. Discharges or overflows from a sump, sump pump, or related equipment; or
 - c. Seeps or leaks on or through insured property;
- unless there is a flood in the area and the flood is the proximate cause of the sewer, drain, or sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water.

7. Power, heating, or cooling failure unless the failure results from direct physical loss by or from flood to power, heating or cooling equipment situated on the described location;

8. Theft, fire, explosion, wind, or wind-storm;

9. Anything you or your agents do or conspire to do to cause loss by flood deliberately; or

10. Alteration of the insured property that significantly increases the risk of flooding.

E. We do not insure for loss to any building or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.

F. We do not pay for the testing for or monitoring of pollutants unless required by law or ordinance.

VI. DEDUCTIBLES

A. When a loss is covered under this policy, we will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of insurance that applies. The deductible amount is shown on the Declarations Page.

However, when a building under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed building.

B. In each loss from flood, separate deductibles apply to the building and personal property insured by this policy.

C. No deductible applies to:

1. III.C.2. Loss Avoidance Measures; or
2. III.D. Increased Cost of Compliance.

VII. COINSURANCE

A. This Coinsurance Section applies only to coverage on the building.

B. We will impose a penalty on loss payment unless the amount of insurance applicable to the damaged building is:

1. At least 80% of its replacement cost; or
2. The maximum amount of insurance available for that building under the NFIP, whichever is less.

C. If the actual amount of insurance on the building is less than the required amount in accordance with the terms of VII. B. above, then loss payment is determined as follows (subject to all other relevant conditions in this policy, including those pertaining to valuation, adjustment, settlement, and payment of loss):

1. Divide the actual amount of insurance carried on the building by the required amount of insurance.
2. Multiply the amount of loss, before application of the deductible, by the figure determined in C.1. above.
3. Subtract the deductible from the figure determined in C.2. above.

We will pay the amount determined in C.3. above, or the amount of insurance carried, whichever is less. The amount of insurance carried, if in excess of the applicable maximum amount of insurance available under the NFIP, is reduced accordingly.

Examples

Example #1 (Inadequate Insurance)

Replacement value of the building—\$250,000
 Required amount of insurance—\$200,000
 (80% of replacement value of \$250,000)
 Actual amount of insurance carried—\$180,000
 Amount of the loss—\$150,000
 Deductible—\$500
 Step 1: $180,000 \div 200,000 = .90$
 (90% of what should be carried.)
 Step 2: $150,000 \times .90 = 135,000$
 Step 3: $135,000 - 500 = 134,500$

We will pay no more than \$134,500. The remaining \$15,500 is not covered due to the coinsurance penalty (\$15,000) and application of the deductible (\$500).

Example #2 (Adequate Insurance)

Replacement value of the building—\$500,000
 Required amount of insurance—\$400,000
 (80% of replacement value of \$500,000)
 Actual amount of insurance carried—\$400,000
 Amount of the loss—\$200,000
 Deductible—\$500

In this example there is no coinsurance penalty, because the actual amount of insurance carried meets the required amount. We will pay no more than \$199,500 (\$200,000 amount of loss minus the \$500 deductible).

D. In calculating the full replacement cost of a building:

1. The replacement cost value of any covered building property will be included;
2. The replacement cost value of any building property not covered under this policy will not be included; and
3. Only the replacement cost value of improvements installed by the condominium association will be included.

VIII. GENERAL CONDITIONS

A. Pair and Set Clause.

In case of loss to an article that is part of a pair or set, we will have the option of paying you:

1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation; or
2. An amount which represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance.

1. With respect to all insureds under this policy, this policy:

- a. Is void,
- b. Has no legal force or effect,
- c. Cannot be renewed, and
- d. Cannot be replaced by a new NFIP policy, if, before or after a loss, you or any other insured or your agent have at any time:

(1) Intentionally concealed or misrepresented any material fact or circumstance,
 (2) Engaged in fraudulent conduct, or
 (3) Made false statements,
 relating to this policy or any other NFIP insurance.

2. This policy will be void as of the date the wrongful acts described in B.1. above were committed.

3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.

4. This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:

- a. If the property is located in a community that was not participating in the NFIP on the policy's inception date and did not join or re-enter the program during the policy term and before the loss occurred; or
- b. If the property listed on the application is not otherwise eligible for coverage under the NFIP.

C. Other Insurance.

1. If a loss covered by this policy is also covered by other insurance that includes flood coverage not issued under the Act, we will not pay more than the amount of insurance that you are entitled to for lost, damaged or destroyed property insured under this policy subject to the following:

a. We will pay only the proportion of the loss that the amount of insurance that applies under this policy bears to the total amount of insurance covering the loss, unless C.1.b. or c. immediately below applies.

b. If the other policy has a provision stating that it is excess insurance, this policy will be primary.

c. This policy will be primary (but subject to its own deductible) up to the deductible in the other flood policy (except another policy as described in C.1.b. above). When the other deductible amount is reached, this policy will participate in the same proportion that the amount of insurance under this policy bears to the total amount of both policies, for the remainder of the loss.

2. If there is a flood insurance policy in the name of a unit owner that covers the same loss as this policy, then this policy will be primary.

D. Amendments, Waivers, Assignment.

This policy cannot be changed nor can any of its provisions be waived without the express written consent of the Federal Insurance Administrator. No action that we take under the terms of this policy constitutes a waiver of any of our rights. You may assign this policy in writing when you transfer title of your property to someone else except under these conditions:

1. When this policy covers only personal property; or

2. When this policy covers a structure during the course of construction.

E. Cancellation of Policy by You.

1. You may cancel this policy in accordance with the applicable rules and regulations of the NFIP.

2. If you cancel this policy, you may be entitled to a full or partial refund of premium also under the applicable rules and regulations of the NFIP.

F. Non-Renewal of the Policy by Us.

Your policy will not be renewed:

1. If the community where your covered property is located stops participating in the NFIP, or

2. Your building has been declared ineligible under section 1316 of the Act.

G. Reduction and Reformation of Coverage.

1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.

2. The policy can be reformed to increase the amount of coverage resulting from the reduction described in G.1. above the amount that you requested as follows:

a. *Discovery of Insufficient Premium or Incomplete Rating Information Before a Loss.*

(1) If we discover before you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee

or trustee known to us a bill for the required additional premium for the current policy term (or that portion of the current policy term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the current policy term (or subsequent date of any endorsement changing the amount of coverage).

(2) If we determine before you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current policy term, we will follow the procedure in G.2.a.(1) above.

(3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

b. *Discovery of Insufficient Premium or Incomplete Rating Information After a Loss.*

(1) If we discover after you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior policy terms. If you or the mortgagee or trustee pay the additional premium within 30 days of the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the prior policy term.

(2) If we discover after you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information before your claim can be paid. Once we determine the amount of additional premium for the current and prior policy terms, we will follow the procedure in G.2.b.(1) above.

(3) If we do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition B. Concealment or Fraud and Policy Voidance above apply.

H. Policy Renewal.

1. This policy will expire at 12:01 a.m. on the last day of the policy term.

2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.

3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, *e.g.*, we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:

a. If you or your agent notified us, not later than one year after the date on which the payment of the renewal premium was due, of nonreceipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.

b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the policy. In that case, the policy will remain as an expired policy as of the expiration date shown on the Declarations Page.

4. In connection with the renewal of this policy, we may ask you during the policy term to re-certify, on a Recertification Questionnaire that we will provide you, the rating information used to rate your most recent application for or renewal of insurance.

I. Conditions Suspending or Restricting Insurance.

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. Requirements in Case of Loss.

In case of a flood loss to insured property, you must:

1. Give prompt written notice to us;

2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;

3. Prepare an inventory of damaged personal property showing the quantity, description, actual cash value, and amount of loss. Attach all bills, receipts and related documents;

4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the policy signed and sworn to by you, and which furnishes us with the following information:

a. The date and time of loss;

b. A brief explanation of how the loss happened;

c. Your interest (for example, "owner") and the interest, if any, of others in the damaged property;

d. Details of any other insurance that may cover the loss;

e. Changes in title or occupancy of the insured property during the term of the policy;

f. Specifications of damaged insured buildings and detailed repair estimates;

g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;

h. Details about who occupied any insured building at the time of loss and for what purpose; and

1. The inventory of damaged personal property described in J.3. above.

5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.

6. You must cooperate with the adjuster or representative in the investigation of the claim.

7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within sixty days after the loss even if the adjuster does not furnish the form or help you complete it.

8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.

9. At our option, we may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, we may require you to swear to the report.

K. Our Options After a Loss.

Options that we may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:

a. Show us or our representative the damaged property;

b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and

c. Permit us to examine and make extracts and copies of:

(1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;

(2) Condominium association documents including the Declarations of the condominium, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and

(3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.

2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:

a. Quantities and costs;

b. Actual cash values or replacement cost (whichever is appropriate);

c. Amounts of loss claimed;

d. Any written plans and specifications for repair of the damaged property that you can make reasonably available to us; and

e. Evidence that prior flood damage has been repaired.

3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:

a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and

b. Take all or any part of the damaged property at the value we agree upon or its appraised value.

L. No Benefit to Bailee.

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment.

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:

a. We reach an agreement with you;

b. There is an entry of a final judgment; or

c. There is a filing of an appraisal award with us, as provided in VIII. P.

2. If we reject your proof of loss in whole or in part you may:

a. Accept such denial of your claim;

b. Exercise your rights under this policy; or

c. File an amended proof of loss as long as it is filed within 60 days of the date of the loss.

N. Abandonment.

You may not abandon damaged or undamaged insured property to us.

O. Salvage.

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

P. Appraisal.

If you and we fail to agree on the actual cash value or, if applicable, replacement cost of the damaged property so as to determine the amount of loss, then either may demand an appraisal of the loss. In this event, you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the insured property is located. The appraisers will separately state the ac-

tual cash value, the replacement cost, and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss, or if it applies, the replacement cost and loss.

Each party will:

1. Pay its own appraiser; and

2. Bear the other expenses of the appraisal and umpire equally.

Q. Mortgage Clause.

The word "mortgagee" includes trustee.

Any loss payable under Coverage A—Building will be paid to any mortgagee of whom we have actual notice, as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk, of which the mortgagee is aware;

2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and

3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this policy apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the building.

If we decide to cancel or not renew this policy, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or non-renewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

R. Suit Against Us.

You may not sue us to recover money under this policy unless you have complied with all the requirements of the policy. If you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim and you must file the suit in the United States District Court of the district in which the insured property was located at the time of loss. This requirement applies to any claim that you may have under this policy and to any dispute that you may have arising out of the handling of any claim under the policy.

S. Subrogation.

Whenever we make a payment for a loss under this policy, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding.

1. If an insured building has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured building equal to or greater than the building policy limits plus the deductible or the maximum payable under the policy for any one building loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:

- a. To make no further claim under this policy;
- b. Not to seek renewal of this policy;
- c. Not to apply for any flood insurance under the Act for property at the described location; and
- d. Not to seek a premium refund for current or prior terms.

If the policy term ends before the insured building has been flooded continuously for 90 days, the provisions of this paragraph T.1. will apply as long as the insured building suffers a covered loss before the policy term ends.

2. If your insured building is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph T.1. above or this paragraph T.2. (A "closed basin lake" is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph T.2, we will pay your claim as if the building is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:

- a. Lake flood waters must damage or imminently threaten to damage your building.
- b. Before approval of your claim, you must:

- (1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and

- (2) Grant the conservation easement contained in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for flood damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable buildings under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this paragraph T.2. If a U.S. Army Corps of Engineers certified flood control project or otherwise certified flood control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and

- (3) Comply with paragraphs T.1.a. through T.1.d. above.

- c. Within 90 days of approval of your claim, you must move your building to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show there is sufficient reason to extend the time.

- d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your building.

- e. Before the approval of your claim, the community having jurisdiction over your building must:

- (1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified in the easement required in paragraph T.2.b. above;

- (2) Agree to declare and report any violations of this ordinance to FEMA so that under Sec. 1316 of the National Flood Insurance Act of 1968, as amended, flood insurance to the building can be denied; and

- (3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph T.2.b. above, except that even if a certified

project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph T.2.b. above.

f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."

g. You must have NFIP flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph T.2. If a subsequent owner buys NFIP insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph T.2., we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.

h. This paragraph T.2. will be in effect for a community when the FEMA Regional Director for the affected region provides to the community, in writing, the following:

(1) Confirmation that the community and the State are in compliance with the conditions in paragraphs T.2.e. and T.2.f. above, and

(2) The date by which you must have flood insurance in effect.

U. Duplicate Policies Not Allowed.

1. We will not insure your property under more than one NFIP policy.

If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

a. If you choose to keep in effect the policy with the earlier effective date, you may also choose to add the coverage limits of the later policy to the limits of the earlier policy. The change will become effective as of the effective date of the later policy.

b. If you choose to keep in effect the policy with the later effective date, you may also choose to add the coverage limits of the earlier policy to the limits of the later policy. The change will be effective as of the effective date of the later policy.

In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less. We will make a refund to you, accord-

ing to applicable NFIP rules, of the premium for the policy not being kept in effect.

2. The insured's option under this condition U. Duplicate Policies Not Allowed to elect which NFIP policy to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier policy. The policy with the later effective date must be canceled.

V. Loss Settlement.

1. Introduction

This policy provides three methods of settling losses: Replacement Cost, Special Loss Settlement, and Actual Cash Value. Each method is used for a different type of property, as explained in a.-c. below.

a. Replacement Cost Loss Settlement described in V.2. below applies to buildings other than manufactured homes or travel trailers.

b. Special Loss Settlement described in V.3. below applies to a residential condominium building that is a travel trailer or a manufactured home.

c. Actual Cash Value loss settlement applies to all other property covered under this policy, as outlined in V.4. below.

2. Replacement Cost Loss Settlement

a. We will pay to repair or replace a damaged or destroyed building, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

(1) The amount of insurance in this policy that applies to the building;

(2) The replacement cost of that part of the building damaged, with materials of like kind and quality, and for like occupancy and use; or

(3) The necessary amount actually spent to repair or replace the damaged part of the building for like occupancy and use.

b. We will not be liable for any loss on a Replacement Cost Coverage basis unless and until actual repair or replacement of the damaged building or parts thereof, is completed.

c. If a building is rebuilt at a location other than the described location, we will pay no more than it would have cost to repair or rebuild at the described location, subject to all other terms of Replacement Cost Loss Settlement.

3. Special Loss Settlement

a. The following loss settlement conditions apply to a residential condominium building that is: (1) a manufactured home or travel trailer, as defined in II.B.6.b. and c., and (2) at least 16 feet wide when fully assembled and has at least 600 square feet within its perimeter walls when fully assembled.

b. If such a building is totally destroyed or damaged to such an extent that, in our judgment, it is not economically feasible to repair, at least to its pre-damaged condition, we will, at our discretion, pay the least of the following amounts:

(1) The lesser of the replacement cost of the manufactured home or travel trailer or 1.5 times the actual cash value; or

(2) The Building Limit of liability shown on your Declarations Page.

c. If such a manufactured home or travel trailer is partially damaged and, in our judgment, it is economically feasible to repair it to its pre-damaged condition, we will settle the loss according to the Replacement Cost Loss Settlement conditions in V.2. above.

4. Actual Cash Value Loss Settlement

a. The types of property noted below are subject to actual cash value loss settlement:

- (1) Personal property;
- (2) Insured property abandoned after a loss and that remains as debris at the described location;
- (3) Outside antennas and aerials, awning, and other outdoor equipment;
- (4) Carpeting and pads;
- (5) Appliances; and
- (6) A manufactured home or mobile home or a travel trailer as defined in II.B.6.b. or c. that does not meet the conditions for special loss settlement in V.3. above.

b. We will pay the least of the following amounts:

- (1) The applicable amount of insurance under this policy;
- (2) The actual cash value (as defined in II.B.2.); or
- (3) The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

IX. LIBERALIZATION CLAUSE

If we make a change that broadens your coverage under this edition of our policy, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before or during the policy term stated on the Declarations Page.

X. WHAT LAW GOVERNS

This policy and all disputes arising from the handling of any claim under the policy are governed exclusively by the flood insurance regulations issued by FEMA, the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001, *et seq.*), and Federal common law.

In Witness Whereof, we have signed this policy below and hereby enter into this Insurance Agreement.

Administrator, Federal Insurance Administration.
